Item No. 5: To formulate guidelines for Challenge Valuation

Proceedings and Discussion: Draft guidelines prepared by Controller of Examinations were presented to the Academic Council and members suggested a few changes. Accordingly, the document was modified in the presence of Academic Council members, subsequently the members approved the same. The final document is enclosed with the minutes of the meeting.

Approval: The Academic Council approved the Challenge Valuation guidelines.

The approved Challenge Valuation guidelines are as follows.

CHALLENGE VALUATION

A student is eligible to apply for Challenge Valuation (CV), only, if he/she has applied for revaluation and is not satisfied with its outcome.

A student who intends to apply for CV should submit his/her application through the Principal (Chief controller of examinations of the college) within seven days from the date of declaration of Revaluation results by paying the prescribed fee of Rs.10, 000 (Rupees Ten Thousand only) per course (subject).

College shall request JNTUH, the affiliating university, to nominate a subject expert to carry out the valuation as university representative.

The paper shall be jointly evaluated in the presence of the student by the Subject Expert nominated by the university, together with a senior faculty member (who has taught the subject at least three times) of the college, nominated by the Principal of the college.

If there is any change in marks (equal to or above 15% of the maximum marks, allocated for semester end examination, compared to the marks awarded previously, i.e. marks awarded after revaluation), the new marks shall be awarded to the student replacing the previous marks awarded. Otherwise, there shall be no change in the marks awarded previously and consequently, there shall be no change in the outcome.

If there is a change in the outcome, an amount of Rs.9, 000/- shall be refunded to the student. If there is no change in the outcome the student shall forfeit the total amount, which he/she paid towards the challenge valuation.

Procedure to apply for CV:

The request for CV shall be made through the principal of the college along with the requisite fee of Rs.10, 000/- (Rupees Ten Thousand only) per course (subject).

Date shall be notified to the student for CV. Then student shall attend the CV on the said date, wherein paper shall be evaluated in the presence of the student.

Note:

Example: If the maximum marks allocated for semester end examination is 70, for change in marks to take place, there shall be an increase of at least 10 marks after CV. Only in such case, the student is eligible for a refund of an amount of Rs.9, 000/-.

SNo	Marks secured in the previous valuation (after revaluation)	Marks secured in Challenge Valuation	Outcome with respect to marks	Remarks
1	25	≥ 35	≥ 35	Refund of an amount of Rs. 9, 000/- (Rupees Nine Thousand only)
2	25	≤ 34	25	Student shall forfeit the amount paid towards challenge valuation.

If a B.Tech student secures 22 marks in external exam & if he applies for CV after RC/RV results are released then after CV he/she should secure 32 Marks (22+10) so that student can get back the amount of Rs.9,000/- & new marks will be updated.

Students can apply for CV only within 7 days from the date of declaration of Recounting / revaluation results.

Item No. 6: Any other item with the permission of chair

Under any other item CoE presented the revised revaluation guidelines applicable from the academic year 2022-23

Approval: The Academic Council approved the revised revaluation guidelines applicable from the academic year 2022-23

Revised revaluation Guidelines approved by the academic council are as follows:

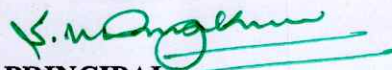

Process for Revaluation

A Student may apply for revaluation for any course (subject) in a semester only once by paying the prescribed fee. In case, if the student is not satisfied with the outcome of revaluation, he/she may apply for challenge valuation by paying the prescribed fee.

1. If the marks obtained in the revaluation are less than the original marks (marks obtained in the initial valuation), then marks secured in the initial valuation remain unchanged, consequently, there is no change in the outcome.
2. If the difference between the marks secured in the revaluation and original marks (marks obtained in the initial valuation) are less than 15% of the maximum marks (allocated to the semester end examination), then marks secured in the initial valuation remain and there is no change in the marks and consequently there is no change in the outcome.
3. If the marks secured in the revaluation are greater than or equal to 15% of the maximum marks (allocated to the semester end examination) compared to the original marks (marks obtained in the initial valuation), then the corresponding answer script shall be evaluated by another external examiner conducting another revaluation.
 - a. If the marks secured in the latter are also greater than or equal to 15% of the maximum marks (allocated to the semester end examination) compared to the original marks (marks obtained in the initial valuation), then the marks obtained in the initial valuation shall be replaced with the average of the marks secured in both the revaluations.
 - b. Otherwise, the marks secured in the initial valuation shall remain unchanged and consequently, there is no change in the outcome.

Note: Revaluation is applicable for semester end examinations of Theory courses ONLY.

Principal thanked all the members for taking time off from their normal work and attending the meeting and extending their cooperation.
