TO WHOM IT MAY CONCERN

This is to certify that **Mr. Shashaank Andugula** from **Geethanjali College Of Engineering & Technology** has undergone and completed his Summer Training & Internship Program in "Online Internship in IoT" from July 2020 to August 2020.

During this period, exposure has been given on various technical activities around "Internet of Things" technology at Tevatron Technologies Pvt. Ltd.

We found him extremely inquisitive & hardworking. He was very much interested to learn the function of our core division & also willing to put his extra effort to get into the depth of the subject in order to understand it better. His overall performance has been rated very Good & we would like to wish him for future endeavors.

GLOBAL INTERNSHIP PROGRAM

July, 2020

TO: WHOMSOEVER CONCERNED

RECOMMENDATION LETTER FOR Sumith Meesa

This will confirm that Sumith Meesa pursued his/her data Analytics Internship under Hash Analytic Global Internship Program with due diligence and hard work. This program is structured in a way, where all Interns are tasked with Assignment and project to build analytical Solution to solve some of the problems with employee and customer data to get valuable Insight, for better decision making.

During Sumith Meesa Internship tenure, he/she has displayed a unique ability to identify and solve problems. Sumith Meesa experience in Data Analytics and Visualization using python, Tableau and Google Analytics has add great value to the project as well as to other Interns. The individual is loyal and always places the welfare of Hash Analytic above all else.

Any Company considering this individual for employment has my most enthusiastic recommendation. The individual performance here is an indication that the individual is desired to achieve heights in his/her career and set a new record for future employers.

Internship Completion Certificate

This is to certify that Mr./Ms Rajesh Sharma bearing Roll No 18R11A0485 has undergone Internship in "VLSI Design using Verilog HDL" and executed mini project entitled Design and Simulation of an elevator using Finite State Machine during 27th April to 25th May, 2020. This was organized under the aegis of Centre of Excellence in VLSI Design - Department of Electronics and Communication Engineering, Geethanjali College of Engineering and Technology, in association with IEEE Circuits and Systems Society (CAS) Student Branch Chapter - GCET. The student is punctual, hardworking and has shown keen interest to learn and apply the concepts.

Date: 25/05/2020

TO WHOM SO EVER IT MAY CONCERN

This certificate is presented to Mr. Viswanadh Malladi in recognition of outstanding accomplishments and contributions for the Project based learning and development internship program on Java Programming.

The duration of this project was from 23-03-2020 to 24-05-2020.

During the internship he demonstrated self – motivated attitude to learn new things. His performance exceeded expectations and was able to complete the project successfully on time.

The internship on evaluation fulfills all the stated criteria and student's findings are his original work.

We wish him all the best for his future endeavors

K Vivek

from Geethanjali College of Engineering & Technology has successfully completed a six weeks online training on **Machine Learning** from 1st July, 2020 to 12th August, 2020. The training consisted of Introduction to Machine Learning, Python for Machine Learning, Machine Learning Life Cycle, Data Exploration and Manipulation, Build Your First Model, Evaluation Metrics, k-NN, Selecting the Right Model, Linear Regression, Logistic Regression, Decision Trees, Feature Engineering, Basics of Ensemble Models, Random Forest and Clustering modules. In the final assessment, K scored 80% marks. We wish K all the best for the future.

koppu Arun, congratulations!

Completing an online course is no simple endeavor. It requires time, dedication, and commitment, so when we say "Congratulations" - we mean it! Take a moment to reflect on your hard work and enjoy your completion of Introduction to TCP/IP. You've earned it.

Did you know?

Many completers formalize their achievement with a Course Certificate unique to them and their accomplishment. If you think you'd like to share this achievement with colleagues, friends, or potential employers one day, we recommend getting the certificate now. It's a tangible way to communicate your educational background, work ethic, and personal ambitions to others.
