Personality development at GCET:

According to Swami Vivekananda, the all round harmonious development of one's personality is possible if proper attention is given to the five dimensions of personality that are involved in forming and developing human personality. Further enhancement of one's personality revolves around three main

factors namely. Communication Ability, Confidence and Conviction. While adhering to this concept, the CACG members invited CEO Krish Personality Center Hyderabad, Mr. Krish Radha krishna. Krish personality development is a leading organization training international students for the last ten decades in total personality development in public speaking, goal setting and strategies for creative excellence. A One day workshop was conducted for 4th year students on Career options in India and Abroad after Engineering (B.tech) and a Comprehensive Personality development session on 30th October.

Mr. Srinivas .V the project head of Illumine Knowledge Foundation, along with his team has introduced the concept of Contributor Personality project by conducting a One day workshop at VIHE on 4th august. Further a training cum Hands on experience on the different concepts of CPP were dealt by the team's trainer Ms. Sudeshna from Mumbai.

The CPP deals with the aspect of who is a contributor, How to recognize a Contributor, Scope of a Contributor and Depth of a Contributor. The training in these modules was conducted on 13th & 14th of October in which the hands on experience on first three books was given. The whole course contains 12 such books which in due course of time would slowly be trained. The trained faculty would be deputed by Swami Bodhmayanandji to different educational institutions and Organizations to train the students and people to make them realize the concept of a Contributor.

It is suggestible to have this CPP course as one of the certificate courses in our autonomous institution.

To

The Principals of all Constituent and Affiliated Colleges of JNTUH.
The Directors of University Units.

Sir/Madam,

Sub: JNT University Hyderabad – Academic & Planning – Pro-active steps against
Drugs abuse.

The youth are becoming highly dependent on drugs and substances which are not only ruining their academic careers but it is a financial burden to their families. Hence, the UGC issued a circular with steps to tackle the problem of sale of drugs to college children.

In this connection the principals are requested to make students aware of the ill-effects of drug addiction by organizing orientation programs, parent teacher meetings, talks by officials of Police and Public Administration Departments and informative audio and video lectures.

It is moral duty of educational institutions to make students aware of the ill-effects of drug addiction.

You are suggested to constitute committees by involving students and faculty to take proactive steps not only to make students live a healthy life but also stay away from addiction and the same may be forwarded to University to mail id's: dap@jntuh.ac.in and duaac@jntuh.ac.in.

Yours faithfully,
