

# Geethanjali College of Engineering and Technology (Autonomous)

(Approved by AICTE, New Delhi and Permanently Affiliated to JNTUH, HYD, Accredited by NAAC with 'A' Grade)

Sy. No: 33 & 34, Cheeryal (V), Keesara (M), Medchal District, Telangana - 501301.

## Department of Management Studies

11 Mar 2020

### Feedback from Faculty/Employer/Alumni on MBA Program Curriculum

Name : SHIVAJI GANESH  
Designation : CRE  
Place of Work : TATA CAPITAL  
Present Address : Kukatpally  
Email ID : GSHIVAJI.PRK@TATA CAPITAL.COM

(SA- Strongly Agree; ALE- Agree to Large Extent; A- Agree; ASE: Agree to Some Extent; D-Disagree)

S.No	Questionnaire	SA	ALE	A	ASE	D
1.	Employability is given adequate weightage in curriculum design and development.	✓				
2.	Curriculum promotes thinking process in the student, facilitates faculty to inculcate/foster creativity and innovation in students	✓				
3.	Curriculum has reasonable number of multidisciplinary courses thereby facilitates students to obtain liberal and holistic education	✓				
4.	Curriculum has adequate practical component that facilitates laboratory experiences for the student to gain experimental learning, designing projects and explore through problem/project based learning	✓				
5.	Curriculum provides students with a broad understanding of basic concepts of various courses, as well as facilitates them to acquire contemporary skills required by industry	✓				
6.	Program Structure is well organized with links progressing from one course to another course steadily for a good comprehension of all courses	✓				
7.	Foundation courses provide a basis for professional competence and the required knowledge to focus on a particular specialization upon graduation, in the work environment or in subsequent higher education	✓				
8.	Curriculum facilitates student to acquire skills to be communicator, collaborator, and leader	✓				
9.	The system followed by the college for the design and development of curriculum is effective and curriculum has been updated from time to time.	✓				
10.	Curriculum facilitates functioning of a student as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.	✓				

11. What are the strengths of the curriculum?

- 2)
- 10)

12. What are the weaknesses of the curriculum?

- NA
- NA

13. What would I change in the curriculum, if I am asked to change?

Nothing

(SA- Strongly Agree; ALE- Agree to Large Extent; A- Agree; ASE: Agree to Some Extent; D-Disagree)

S.No	Questionnaire	SA	ALE	A	ASE	D
1.	Does the curriculum promote thinking process in the student?		✓			
2.	Does the curriculum provide adequate laboratory experiences and / or opportunities for students to work on hands-on, and design projects?			✓		
3.	Does the curriculum provide students with a broad understanding of basic concepts, as well as the contemporary skills required by industry?		✓			
4.	Do the foundation courses provide a basis for professional competence and the required knowledge to focus on a particular specialization upon graduation, in the work environment or in subsequent higher education?			✓		
5.	Does the curriculum facilitate student to get into a technical role such as analyst, problem solver, designer, and researcher?			✓		
6.	Does the curriculum facilitate student to be creative and innovative which would enable him/her to explore?		✓			
7.	Does the curriculum enable student to acquire skills to be communicator, collaborator, and leader?			✓		
8.	Does the curriculum have any multidisciplinary courses?			✓		
9.	Is the curriculum content well organized with links from progressing from one course to another course steadily?			✓		
10.	Does the curriculum facilitate student with holistic development?			✓		
11.	Does the curriculum include skills which prepare students for the 21 <sup>st</sup> century workforce contributing to societal development?				✓	

12. What are the strengths of the curriculum?

- Covers all Electronics subjects for future job.

13. What are the weaknesses of the curriculum?

- Too many subjects, I feel few subjects can be merged.

14. If I had a son or daughter enrolled in this college, would I be satisfied with the written curriculum?

Yes.

15. What would I change in the curriculum, if I am asked to change? (pl. use back side page)
