Respected Sir,

Subject : Request for permission to conduct Hackathon- Reg.

We are pleased to inform you that the department of CSE is planning to conduct a three day Workshop-cum-Hackathon for students from 14-03-2019 to 16-03-2019 on "Predictive Analytics with Data Science & Machine Learning using Python". In line with this, a two day boot camp on "Analytics using Python" will be conducted for two days i.e., on 14-03-2019 and 15-03-2019 followed by hackathon on 16-03-2019. Participants can compete on various real world problems, and find solutions using tools in machine learning and data science.

We request you to kindly grant us permission to conduct the three day workshop and also collaborate with professional bodies (CSI, ISTE, IEEE-CS).

Thanking You

Yours Sincerely,

C. Esther Varma

## A Report on

### Workshop and Hackathon on Predictive analytics with Data Science & Machine Learning using Python

**Objective:** This workshop enable the students to understand the algorithms required for solving problems related to prediction using python.

**Outcome:** This workshop helped the students to gain sufficient knowledge on various algorithms and packages in python for machine learning to solve industry related case studies.

Geethanjali College of Engineering and Technology has conducted a 3 days' workshop cum hackathon on Predictive analytics with Data Science & Machine Learning using Python in association with CSI Student chapter.

The workshop cum hackathon was inaugurated by Dr. Udaya Kumar Susarla, Principal,GCET and Dr. B.V. Swathi, Head, Department of Computer Science and Engineering

The keynote speech by Dr Udaya Kumar Susarla has highlighted the current day trends in Computer Science.

The workshop was started with the lecture by Mr. P. Mohan, Senior Data Scientist; Tech Mahindra who highlighted the importance of Machine Learning and Data Science in today's world

The workshop was attended by more than 165 students.

After the workshop, In hackathon the students were given problem statements from Industry and asked them to provide solutions using the tools and techniques learnt.

The workshop concluded with a vote of thanks by Mr. J. Uma Mahesh, Dept of CSE followed by prize distribution.

Dear Sir,

Greetings from Geethanjali College of Engineering and Technology. We are offering a course on Information Security to III Year II Sem CSE students.

We generally arrange guest lectures, on the courses the students are learning in the class room, by renowned experts, which give them a more comprehensive understanding and give them a better insight on the challenges and scope of this course.

In this regard, we would be thankful if you can make it convenient to visit our college and give a three hour guest lecture on

"The Challenges and Opportunities in the field of Information Security".

I look forward to an early and favorable response from your end.
