## ABOUT THE COLLEGE

Geethanjali College of Engineering & Technology (Autonomous) has been structured to take head on the changing trends of technology. The idea of setting up the college emerged when no other college could cater to the needs of a student in his/her endeavour to acquire wholesome education. The very strength of Geethanjali lies in its principles of providing the right learning environment for the student who does not have to compromise throughout the learning process of becoming global citizen.

The college recognizes that the rapidly changing technological landscape would require young technocrats with an understanding of evolving technologies, but also with a global perspective. A major goal of Geethanjali is to impart a uniquely broad and interdisciplinary Engineering education of the highest academic quality. Over the years since it was established, there has been dynamic progress at Geethanjali in all academic and research activities, and a parallel improvement in facilities and infrastructure, to keep it on par

with the best institutions in India. The campus epitomizes the Geethanjali motto, "Striving towards perfection" in providing the best of infrastructure and ambience.

## ABOUT THE DEPARTMENT

The Department of Civil Engineering was established in the year 2014 and currently the department offers an undergraduate program B. Tech in civil engineering with an intake of 120 students. The department is headed by Prof. Dr. P. Rama Mohan Rao with 33 years of teaching experience. There are 6 Professors, 1 Associate professor and 15 Assistant Professors in the department.

## ABOUT THE WORKSHOP

- ❖ Spatial analysis using Arc-GIS
- ❖ Procedure of creating thematic map using large data sheet
- ❖ Georeferencing
- ❖ Digitization of satellite image and Toposheet
- ❖ Attribute data management
- ❖ Layout preparation

## WORKSHOP OBJECTIVES

The workshop aims to promote awareness on multiple uses of GIS, while providing an opportunity to the students for hands-on demonstrations and with basic training on various topics of GIS which include, Map study, Georeferencing, Spatial Analysis etc.

## TARGET AUDIENCE
