TRAINING PROGRAMME ON BETTER SPOKEN ENGLISH

17-06-2019 to 22-06-2019

REPORT

The NSS of GCET is a vibrant team working for the development of village youth. One such programme launched by NSS was spoken English classes. These were taken up by Ms P. Mercy Kavitha, Dr K. Madhumathi and Ms G. Latha Suhasini of Freshman Engineering Department. Students of the neighboring villages attended Spoken English Classes for a week from 17th June to 22nd June. They were a heterogeneous group varying in levels of academic education and age group. They were from areas like Cheeryal, Yadgirpally, Bibi Nagar, Bhongir, ECIL, Kushaiguda etc. It is a known fact that Language cannot be imparted in a week but the faculty made a beginning to impart the basics of the language. The classes began on 17 June, 2019 at 9.30 am with 16 students in attendance. The session for the day began after formal pleasantries and an Ice-breaker. Grammar Classes on most important and basic topics like Parts of Speech, Articles and Tenses were covered on a remedial basis during five sessions. This improved their confidence to present their ideas better/ effectively in English. The classes to improve the Reading and Writing Skills were taken up effectively; these helped the students understand the nuances of the skills. The participants took active part in activities related to Speaking Skills.

Feedback from participants:

1. Almost all participants felt it would be better if more time is allotted for the sessions.
2. They suggested the inclusion of more Speaking Activities in next program.
3. Students expressed that these sessions were very helpful as they could understand the basics. They lauded the faculty's effort.

Feedback from faculty:

1. The team of faculty found them to be keen and focused learners. Teaching such students was a blessing as they were keen in improving their Communication Skills.
2. One major drawback was the participants' punctuality and regularity.

We thank the Management for enabling us organize such service oriented programme to the youth of the villages.

One Week Training Program on Computer Skills (MS OFFICE)

Report

As a MS-Office trainer I would like to give my report on the NSS one week training activity which was conducted from June 10th to 15th 2019 on MS-Office(Computer Skills). This training was especially organized to the villagers of nearby villages who unemployed and people who are looking to enhance their skills to get employed. This program was aimed to impart the computer skills to the unemployed villagers to promote them to get a job opportunity.

The participants were from villages like Yadargiripally, Cheeryal, Godhumkunta, Rampally, Nagaram, Kushaiguda. They showed a keen interest in learning the subject with hands on session on the same. Every participant was given with transport and food facility along with free course material. Because of these facilities the participants were able attend the sessions everyday without any hindrance. The course material was prepared keeping in mind that they can practice the exercises even after the event.

They were taught with the following:

1. Introduction to MS –Office
2. Microsoft Word and Lab Practice
3. Microsoft Power Point and Lab Practice
4. Microsoft Excel and Lab Practice
5. Internet Concepts and Lab Practice

Finally, we have conducted a test each students to identify the knowledge level that each and every student has gained through the training. We also had a one to one session with our beloved Secretary Mr.G.Ravinder Reddy, where he was looking for some needs of the villagers which can be met by him. Most of them gave their valuable feedback and also requested for further more training like tailoring. The Secretary also accepted for the same and the plan of it is already in progress. And training was an ultimate success in the history of our College (GCET).

Sub:-Grant of Permission to Carry Out Dental Screening and Treatment Camp

1. Dr. Alvin George and Dr. Tanushree Bera of our college are 3rd year Post Graduate students. As a part of their course curriculum, they are required to conduct screening and treatment camp in government and private colleges.
2. For the above mentioned project, the doctors and their team will be conducting a thorough dental check up for students which will help them identify those in high risk group for dental diseases, provide them necessary treatment, educate them the importance of dental health and motivate them to maintain good oral hygiene. Individual consent will be taken from the students before any procedure.
3. They will be providing a referral form stating the nature of the student's dental problem and a referral for advanced treatment if required.
4. This camp will be beneficial for the members of your institute, in understanding the significance of dental health and motivate the participants towards maintaining good oral hygiene.
5. I request you to allow us to conduct the screening and treatment camp in your esteemed college.
6. On hearing from you, I shall direct Dr. Alvin and Dr. Tanushree to plan further course of action.

With best Wishes

To,
The Chairman
GCET

Sub: - Training on Tailoring classes to the unemployed women of nearby villages under NSS wing of GCET- Regarding.

Respected Sir,

Department Faculty coordinators of NSS unit , GCET visited near by villages in the month of June 2019 and contacted village Sarpanches and villagers who are taking training at GCET, to know their requirements. The Sarpanches and the trainees of Cheeryal, Yadgarpally and Godhumakunta villages informed that they can be better benefited if tailoring classes are given to them by GCET, so that they can have self earning income for their livelihood. We are planning these training classes from 15th July to 9th Aug 2019 (for 4 weeks) per batch of 15 villagers.

For this program, we need the following .

- 1). Pamphlet printing – 200 Nos.
- 2). Tailoring Machines – 5 Nos.
- 3). Tapes – 5 Nos.
- 4). Scissors – 5 Nos.
- 5). Scales – 5 Nos.
- 6). Threads (All colors) 3 Boxes
- 7). Trimbers – 5 Nos.
- 8). White Board – 1 No.

Estimation of the cost of Tailoring machines is Rs. 5,000/- each, coming to Rs. 25,000/- for Five machines. The expected other expenditure for the above mentioned miscellaneous items is around 5,000/-. Also, this activity requires a Room of Size around 20 X 10 ft.

We request you for kind approval for conducting this program.

Sub: Request for approval for conducting tailoring classes and direct payments to the instructor for 4 months – Regarding.

Sir

As per the earlier discussions and instructions from Chairman Sir, we are conducting tailoring classes to the nearby villagers from 1.8.2019. Around 25 Villagers (Women) are participating in this program. Ms. Padma, the earlier Women Security guard, is the trainer for this program.

Security in-charge is saying that Ms. Padma is not doing the security duty and hence, he placed another Women security guard in her place, to take care of the Security activities. Hence, he is not interested to pay to Ms. Padma from his contractual amounts.

In view of this, I request for the direct payment of Rs. 10,000/- to Ms. Padma, as she is doing the Socially Responsible activity of our NSS wing to the nearby villagers, by giving this training. Also, we are planning to extend this training for another 3 months, involving other villages' women and training on better skills like dress stitching etc.

Approval for the payment of Rs. 10,000/- per month, for 4 months to the Tailoring instructor is requested.

Report On Tailoring For Villagers

GCET NSS Program officer Scheduled Better Spoken English & MS office classes in the summer holidays for near villagers. At that time the villagers were requested GCET Chairman to provide uneducated employment related activities like tailoring classes. As per villagers request training program on tailoring was scheduled from 15th July to 15th August 2019.

To start this program the NSS program officer Mr.R.Odaiah conducted a meeting among NSS department coordinators and in that meeting TAILORING program was planned and designed, distributed 300 pamphlets to nearby villages. The coordinator for this program is Mrs.G.Aruna, Asst. Professor department of MBA. After this distribution of pamphlets done by the GCET program coordinator, they received 45 interested villagers, This 45 members divided into two batches. First batch timings are 9:00 a.m. to 1:00 p.m. and second batch timings are 1:00 p.m. to 3:30 p.m.

The infrastructure required for this program was mainly stitching machines. Coordinator requested to GCET chairman the related indent for infrastructure. After that request, Chairman sanctioned 5 stitching machines, 5 thread boxes, 5 scissors, 5 tapes and the program cost per day is Rs 800/- above including program instructor charges (Rs.10000/- per month), tea and snacks.

This program is extended after 1 month because the villagers requested to extend the program to learn more designer stitching. Again GCET Chairman accepted their request through mail and extended this program up to 3 months. Probably this program will wind-up in the month of November 2019. Finally the institute will provide course completion certificates to the villagers.

Rally on “Awareness on Plastic Pollution”

Date: 14/09/2019

Activity Name: Rally on "Awareness on Plastic Pollution"

Venue: Cheeryal village

Report: A Rally on Awareness on "Plastic Pollution" has been conducted under NSS at Cheeryal village on 14/09/2019 from 10am to 12pm.

Around 15 students and 2 Faculty members were actively participated. Faculty and students of Geethanjali College of Engineering & Technology(GCET) created awareness on "Plastic Pollution" to Cheeryal villagers.

Plastic Pollution is affecting the whole earth, including mankind, wildlife, and aquatic life. It is spreading like a disease which has no cure. We all must realize the harmful impact it has on our lives so as to avert it as soon as possible. Plastic pollutes our water. Each year, tonnes of plastic are dumped into the ocean. As plastic does not dissolve, it remains in the water thereby hampering its purity. This means we won't be left with clean water in the coming years.

Furthermore, plastic pollutes our land as well. When humans dump Plastic waste into landfills, the soil gets damaged. It ruins the fertility of the soil. In addition to this, various disease-carrying insects collect in that area, causing deadly illnesses.

Students and Faculty created awareness on Plastic Pollution through the following methods:

- Avoid single-use plastics
- Wean yourself off disposable plastics
- Stop buying plastic water bottle.
- Boycott microbeads
- Support a bag tax or ban.
- Recycle clean bottles, cans, paper and cardboard.
- No loose plastic bags or recycled goods should be placed in plastic bags.
- Use alternative packaging methods
- Use Reusable Containers for Food.
- Buy Bread in Paper Bags (or Make Your Own)

Department of Civil Engineering

30.10.2019

To
The NSS Programme Officer,
Geethanjali College of Engineering and Technology,
Cheeryal (V), Keesara (M), Medchal Dist.

Dear Sir,

Through: The HOD, Civil Engineering Department

Sub: NSS - Training on Land Surveying to the unemployed people of Cheeryal and other surrounding villages – update – Reg.

A meeting of NSS coordinators of the Geethanjali College, was conducted on 28th Sept., 2019 (Saturday) with the agenda of discussing about the possible help that could be rendered by the college to the unemployed people of the Cheeryal and other surrounding villages so that they get self employment oriented skills and become financially self supporting individuals.

During that meeting, Mr. D Varun Kumar, Assistant Professor and NSS coordinator from Civil Engineering Department, put forward the idea of providing the training to these unemployed people on Land Surveying using the equipment available in Surveying lab, so that they could earn money from land area measurements etc. There is ever green demand for land area measurements in view of the real estate development in the surrounding zone. Further, whenever the Government announces the LRS (Land Regularization Scheme), the plot measurement work and thereby the income become multi-fold. The NSS Programme Officer Mr. R Odaiah, Associate Professor of ECE department and Dean Student Affairs Prof K Somasekhara Rao and other NSS coordinators appreciated the idea and gave a 'go ahead'.

Accordingly, the information was updated to the Dr R Prasanna Kumar, Head of the Department, Civil Engineering Department. He constituted a team of faculty members to handle this training programme. The following are the members of this committee:

1. Mr. D. Varun Kumar, Assistant Professor
2. Mr. V. Gautham, Assistant Professor
3. Mr. G. Raju, Assistant Professor
4. Mr. D. Ramchander, Assistant Professor

The above committee decided to conduct the said training on every Saturday during college hours. If the above faculty members are engaged with class work or departmental works on any Saturday, the following students who are well trained in Surveying lab, would take up the training so that there is no break in the training programme.

1. Mr. M. Vikas, 3rd Year, A section
2. Mr. N. Vivek, 3rd Year, A section
3. Mr. M. Gokul, 3rd Year, A section.

The committee members met the Sarpanch of Cheeryal Village and told him about this training opportunity and requested him to identify unemployed people and willing to undergo this training.

The first session of the training was conducted on 26th Oct., 2019 (after Dasara holidays) for the people who were present on that day. The photos taken during the first training session are pasted below:

In order to maximize the number of participants in the training, it was decided by the committee members to remind the Sarpanch again. The training sessions would continue on every Saturday, as planned.

This report is submitted to the NSS Programme Officer of the college for his update and records.

Thanking you,

Summary of the Program

Yoga is beneficial to keep the body, mind and intellect in a healthy manner, and to face the challenges of life bravely, more so during the devastating Covid times. Due to the prevailing COVID-19 situation, as per instructions from Ministry of AYUSH, Government of India and Registrar, JNTUH, this year International Yoga day was celebrated in GCET on 21st June, 2020 in the on-line mode. All students, faculty and staff were suggested to celebrate International Day of Yoga (IDY) on 21st June, 2020 from their respective homes at 7AM. The theme of IDY this year is **Yoga @Home and Yoga with family**. An online circular was sent to all faculty and staff of GCET which contained the following:

- 1) Video links from Ministry of Ayush with different durations of Yoga Practice.
- 2) Link of Live Yoga session from Ramakrishna Math.

Faculty members, staff and students were given wide publicity about the event and were encouraged to practice yoga as per the above given instructions. 108 Students and 12 faculty members participated in this program at their individual level.
