Training programme on Land surveying

**Date:** 12/11/2020

**Activity:** Training on Land Surveying to the unemployed people of Thimmaipalli village.

**Location:** Thimmaipalli village

**Report:** A training programme on land surveying to the unemployed people of Thimmaipalli village was conducted on 12/11/2020 from 1.00PM to 3.00PM. We have identified two people from the village with the help of sarpanch. Faculty coordinators, Student coordinators and villagers went to open land area, with the help of the students we have given training to the villagers on how to measure dimensions of an open land and how to draw diagram and how to calculate area of land from measured dimensions. It was observed that after training, villagers could measure the dimensions of an open land and calculation of the area.

Report  
On  
Training programme on Land surveying

**Date:** 20/02/2021

**Activity:** Training on Land Surveying to the unemployed people of Kundanpalli village.

**Location:** Kundanpalli village

**Report:** A training programme on land surveying to the unemployed people of Kundanpalli village was conducted on 20/02/2021 from 1.00PM to 3.00PM. We have identified two people from the village with the help of sarpanch. Faculty coordinators, Student coordinators and villagers went to open land area, with the help of the students we have given training to the villagers on how to measure dimensions of an open land and how to draw diagram and how to calculate area of land from measured dimensions. It was observed that after training, villagers could measure the dimensions of an open land and calculation of the area.

**Faculty coordinators:**

1. Mr. D.Varun Kumar, Assistant Professor, Department of Civil Engineering.

**Sub: Call for participation in Young Warriors – A youth led movement to combat COVID-19**

Respected Madam/Sir,

Our Higher Education Institutions (HEIs) collectively represent one of the largest academic networks anywhere in the world with millions of students enrolled across thousands of HEIs every year. It is our interface with a large and diverse student community that makes us an engine for social change and development. The ongoing COVID-19 crisis makes it imperative that we come together to inspire leadership skills in our youth and imbibe them with empathy to ensure that each student plays a pivotal role in our battle against this deadly virus at an individual, family and social level.

To engage the youth as active change makers in the battle against the devastating second wave of COVID-19, the University Grants Commission (UGC) is collaborating with the Ministry of Education (AICTE, CBSE), Ministry of Youth Affairs and Sports, Ministry of Health and Family Welfare, UNICEF -YuWaah, civil society organisations, UN agencies and the private sector consortium of over 1500+ partners, who have activated the #YoungWarrior movement. <http://yuwaah.org/youngwarrior>

All Vice-Chancellors and Principals are requested to encourage any student and/or teacher between the ages 18 and 30 years to join this movement to safeguard themselves, their families, communities, and the country. They can also encourage and engage younger peers of students and teachers to participate in the young warrior movement. There are essentially five tasks that are part of the Young Warrior Movement and young warriors will be eligible for a **UNICEF certificate on completion of tasks** (Platform is available in 12 languages):

1. **Vaccine Buddy** - To promote vaccination, understand registration process, do's & don'ts after vaccination
2. **Stress Buster** - To encourage talking an expert about mental health, promotes checking up on friends and family, focus on positive news
3. **Fake News Police** - To understand what misinformation is (related to COVID-19) and how to stop its spread
4. **Care Giver** - To capacitate care giving at home (including nutrition & COVID Appropriate Behaviour), proning, watching out for danger signs & hospitalization
5. **CAB Influencer** - To promote youth-led action to amplify and influence COVID-19 appropriate behaviours (CAB) of social distancing, masking and sanitising across their neighbourhoods and communities

... 2/-

**PRINCIPAL**  
Geethanjali College of Engg. and Tech.  
Cheeryal (V), Keesara (M), Medchal Dist.(T.S.)-501 301.

## CONTINUATION SHEET

- 2 -

To join, young people can engage through the following ways:

- To register as Youth Ambassadors of the #YoungWarrior Movement. Youth Ambassadors of the #YoungWarrior Movement. Fill this Google Form - <https://forms.gle/JuRTQF6ktD78yBHq7> -
- Undertake the following simple steps .
  1. **WhatsApp:** On WhatsApp: Type YWA & send to +91 96504 14141 - A technology-based chat-bot platform called **UReport**
  2. **Interactive voice response (IVR)- Missed Call:** Send a missed call to 0-8066019225. Remember to add the 0!
  3. **Facebook:** Join via this link through FB messenger <https://m.me/ureportindia/?ref=ywa>
  4. **Telegram:** Search for ureportindia. Press Start. Type 'YWA' and send.

**In addition, on Social Media** (Facebook, Twitter, Instagram) - Take a pledge to become a young warrior by posting your message along with "I pledge to be a #youngwarrior" on social media, tagging 5 of your friends.

UGC along with UNICEF- YuWaah and partners also proposes to organise multiple online capacity building sessions during June- July 2021 on topics related to COVID appropriate behaviour, Vaccine hesitancy, home care prevention, reliable & verified information & knowledge etc. These sessions will also support young people become ambassadors of change within their family and communities. The details about the same will be shared from time to time.

Young People can showcase leadership skills by becoming youth ambassadors who can amplify verified information, impart knowledge and counsel youth during the time of crisis. Interested youth can not only access the already available knowledge (<http://prachicp.com/youngwarriors/>) but also take initiative to develop relevant and useful content and add to the knowledge library.

There is an excellent opportunity for young people to use social media as a tool for community therapy on a positive note of solidarity. We encourage young people to narrate true and encouraging COVID related stories in the form of videos or articles or social media content, which can be inspirational for others to learn from, follow and replicate. Key messages and positive stories of youth action will be promoted on social media through partners and influencers.

For any clarifications regarding the Young Warrior movement you may please click on the FAQs or contact Shri Puneet Mital, Corporate Partnerships – UNICEF, YuWaah, at [pmital@unicef.org](mailto:pmital@unicef.org) Mobile no- +91 9560068921

Look forward to seeing our young warriors taking a leading role to combat COVID-19.

With regards,

Yours sincerely

Respected sir,

I have few doubts while uploading to Technology Development project proposal under UBA scheme.

1. What are SEGs to select in the option
  2. Shall we enter Five different titles in the given title option or one title is enough for five village problems, because we adopted five villages and problems are different for different village.
- Please give me clarity on this matter.

D.O. No.5-1/2016-UBA

Dated: 20<sup>th</sup> July, 2018

*Dear District Collector,*

As you may be aware, UNNAT BHARAT ABHIYAAN is a flagship programme initiated by Government of India with the objective to engage reputed Higher Educational Institutions (both central and state; public and private) to understand and work in rural areas. As of now, 750 reputed institutions have been selected on a challenge mode. With the intention of enriching rural India, these selected Institutions are expected to customise the available technologies or develop new technologies as per the local needs and also to improve the implementation of existing government programmes.

The details of the selected Higher Educational Institute(s) in your district, along with the selected 5 villages and also the contact details of Project Coordinator of the said institute(s) are attached herewith.

I request you to facilitate the works of the selected institute(s) in the identified villages, through following interventions:

1. Facilitate meeting of Project Coordinator with all concerned stakeholders like Gram Panchayats, BDOs, District Development Authority etc.
2. Your guidance to the selected Institute(s), with regard to the needs of the district/ selected villages;
3. Mobilisation of funds from district administration or other sources to the Institute, if possible, in accordance with the activities under UBA.
4. Time to Time review under your leadership.

In this regard Secretary, Higher Education has also requested for facilitation vide D.O. No 5-1/2016-UBA dated 16-4-2018.

IIT, Delhi is the National Coordinating Institute for the implementation of Unnat Bharat Abhiyan. For any clarification, your office may contact IIT Delhi ([unnatbharatabhiyaniitd@gmail.com](mailto:unnatbharatabhiyaniitd@gmail.com)) / 011-26591157/26596451 or the undersigned.

Thanking you,

Yours sincerely,  
  
(N Saravana Kumar)

Dear Sir/Madam,

Congratulations to all the Participating Institutions (PIs) selected under Unnat Bharat Abhiyan, a flagship program of Ministry of Human Resource Development (MHRD) Government of India through a challenge mode application. The Mission of Unnat Bharat Abhiyan is to enable participating higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

As per the programme, educational institutions is primarily to develop linkage with selective rural clusters (preferably of five villages), to get involved in the planning process and to promote the requisite S&T interventions to improvise and expedite the developmental efforts in these clusters. The approach is a departure from the grant oriented method and would see the participation and commitment of faculty and students in this endeavour.

We shall be processing release of Rs. 10000/- per village under the UBA program. The funds are mainly meant for assistance for awareness, Gram Panchayat Development Plan (GPDP) study, need assessment, and contingency expenditure. There are provision of Rs 1.0 lakh for technological intervention/ solution and Rs 0.50/- lakh for customization of a technological solution under the program. Which you can avail of afterwards by submitting proposals with ratification of the Gramsabha. A two-way channel between PIs and National Coordinating Institute (NCI) as well as Subject Expert Groups (SEGs) for project proposal submission and evaluation has been developed and functional on UBA portal. You can use your login credential for uploading proposals on UBA website "FINANCIAL AIDS". The login credentials are same as your registration login credentials.

You are also requested to keep IIT Delhi, the National Coordinating Institute updated about your activities so that the same can be uploaded on the website of UBA.

Regards and best wishes for your institution for contributing to India's development.

With regards

Your Sincerely,

## Guidelines for Use of UBA Funds:

### Guideline for use of UBA funds

After registration and selection of the institutes under the Unnat Bharat Abhiyan a token amount of Rs.10,000/- per village would be released under the UBA program. The funds are mainly meant for assistance for awareness, Gram Panchayat Development Plan (GPDP) study, need assessment, and contingency expenditure.

The selected institutions will work for providing suitable solutions which can improve the social and economic well-being of the rural communities. The solutions selected/ customized should be sustainable, innovative, implementable and scalable. Where new technological solution is to be developed or existing technological solution is to be customized, as per the local requirements, additional grant would be available under the scheme, as recommended by the Subject Expert Groups. Identification of solutions by the Institutions should take place after a qualitative engagement with the rural people, local bodies, district authorities and obtaining a clear insight into the problems and requirements of the adopted villages.

The solutions proposed should be uploaded on the UBA portal giving a clear statement of the problem, proposed solution, with proof of requirement & willingness to fund the solution by the District Authorities / Central and State Government/ Corporates/ Philanthropies, cost of the solutions etc. which would be verified by the Subject Expert Group (SEG). After evaluation of the proposed solutions, assistance would be recommended by SEG up to Rs.1 lakh per technology for selection of technical solutions and upto Rs.50,000/- for customization of any existing solution in a village. This amount is towards meeting the gap in fund availability.

All selected solutions are to be executed in the village with the assistance of the Gram Panchayat and outcomes to be recorded by the institutions. A web based monitoring system would be in place for all progress uploaded on the Portal by the institutions along with photographs.

There is no scope for mere lab projects or proto-types and the solutions should have been tested at field level. There would also be no scope for Institutions to suggest the solutions in the form of provision of subsidies, provision of funds for financing research proposals or projects for construction of infrastructure. Long term research projects/ Fellowships of any kind, cost on PhD programmes, setting up laboratories/centres, exhibitions & similar events, Workshops (except when MHRD conducts Workshops) and capital /construction expenditure of any sort, also do not attract UBA funding.

**"Azadi ka अमृत महोत्सव" : उन्नत भारत अभियान के साथ" | Award Announcement of Regional level Poster and Video Competition for COVID-19 Awareness in various Regional Languages/Dialects under Unnat Bharat Abhiyan for Delhi/NCR region**

New Delhi: Prof. V. Ramgopal Rao, Director IIT Delhi, virtually addressed the participants on the occasion of 75<sup>th</sup> Independence Day (Azadi ka अमृत महोत्सव) at IIT Delhi on 15<sup>th</sup> August, 2021.

Prof. V.K.Vijay , National Coordinator, UBA, shared the objective of the Competition at Regional as well National level is to create repository and awareness material in regional languages/dialects for circulation among the village clusters for COVID-19 Awareness. He added "Unnat Bharat Abhiyan emerged as a strong network of about 2800 Higher Education Institutions, actively working in 14000 villages in the country. UBA has been active for the last 5 years to bring change in the education system in the country and for the inclusive development of rural India. Unlike the obvious assumption that pandemic will slow down the community engagement process, UBA leapfrogged in these 1.5 years of pandemic. Needless to say it was possible due to a very active and interactive network of 2800 Participating Institutes, 45 Regional Coordinating Institutes, 13 Subject Experts Groups covering all aspects of rural development."

A digital initiative to bring COVID-19 general awareness, protocols and vaccine awareness with focus on rural India was launched on 17-05-2021. The live talks bought in renowned doctors and community medicine experts to deliver talks and interact with participants in regional language. To date, approx. 40 episodes have been aired in Hindi, Marathi, Tamil, Gujarati, Kannada, Telugu, Tulu, Malayalam, Bengali, English, Punjabi, Odiya, Maithili, Urdu, Dogri, Kashmiri, Bhojpuri & Sign language). About 30,000 people have viewed the series.

The posters/videos from various parts of the country were invited, and Regional level result announcements have been planned by Regional Coordinating Institutions (RCIs) throughout the country. The Top 2 winners will be considered for the next round of National Level awards. He added that the awareness repository collected by Regional Institutions shall be used for creating awareness among the rural/urban population related to Vaccination, Prevention and Protection.

The Chief Guest, Prof. Rao announced the results of Regional level Poster and Video Competition for Delhi & NCR region, which is coordinated by IIT Delhi as a Regional Coordinating institution (RCI). He motivated the other participants and appreciated the

initiatives taken up by Unnat Bharat Abhiyan, for connecting the higher educational institutions to the rural areas.

Vote of thanks was given by Prof. Vivek Kumar, Co-coordinator, Unnat Bharat Abhiyan. He shared that the event's aim was to celebrate the 75<sup>th</sup> Independence Day with all the Stakeholders of UBA and award announcement for the regional results to raise awareness on COVID-19 through Posters and videos.

Around 2000 institutions and 300+ participants attended the event through online mode.

# Village Survey Programme

## Under

### Unnath Bharath Abhiyaan(UBA)

Dates of Village Surveys: 2/2/2022 and 5/2/2022.

Village Survey - List of Activities :

1. Village Survey in first Day
2. Village Survey in Second Day
3. Submitted screen shots of proposals on technology development.
4. Press release on Village Survey.

#### 1. Village Survey in first Day

First day, Village survey programme completed in Godhumakunta, Rampally Dayara and Ahmedguda villages and second day the same programme completed in Ankireddypally and ponnala villages.

Firstly we went to godumakunta village gram panchayat office. We met the panchayat secretary .

#### Problems in Godhumakunta villages:

**Problem1:** Panchayat secretary told about the separation of dry waste and wet waste problem .

**Problem2:**The villagers there were facing a problem with the medical facilities(home service problem).

**Problems found in Rampally dayaraa village:**

There also most of the villagers were facing problem with the medical facilities.

**Problem1:**Some of them mentioned that there was no proper transport facility.

**Problem2:** There was a school and the school staff required for a projector and online videos(like byjus but that's paid) to teach and show children on the projector so that they understand it very easily.

**Problem3:** The panchayat secretary there asked for an app through which the villagers can get message regarding their tax dues .

**Problems found in Ahmedguda village:**

We had a long meeting with the respective officer there.

**Problem1:**They mentioned majorly the water problems and the problem with the drainage system

**Problem2:** they asked for an automated street light system which turns off during day and turns on during night time .

Solution that we proposed was that, we can use sensors for off and on of the street lights among the sensors are used for detecting the day and night for off and on of lights by this way we can save electricity.

**PRINCIPAL**  
Geethanjali College of Engg. and Tech.  
Cheeryal (V), Keesara (M), Medchal Dist.(T.S.)-501 301

## 2. Village Survey in Second Day:

We visited Ponnala village and contacted village sarpanch and Panchayath Seceratry.

### Problems found in Ponnala village:

Problem: They need automatic on-off traffic light system with solar panels.

Next We visited Ankireddypally village and contacted village sarpanch and Panchayath Secretary.

Problem: Unable to get water out flow from Mission Bhagiratha Pipes.(Already Govt.People verified two times, even their problem is not solved).

## 3. Submitted screen shots of proposals on technology development:

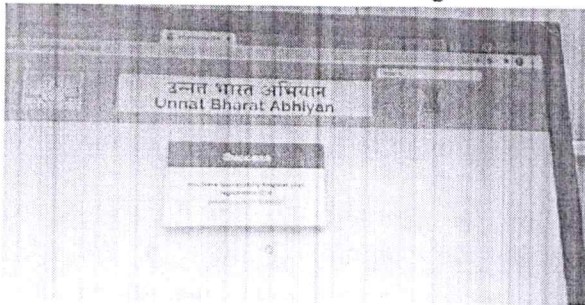

Our college submitted technology development proposal under UBA in the following villages on 12/2/2022 up to One Lakh rupees per village.

### List of Villages:

1. RAMPALLY DAYARA
2. PONNALA
3. ANKIREDDY PALLY
4. AHMEDGUDA

PRESS RELEASE

**"Azadi ka amrut mahotsav" : Unnat Bharat Abhiyan ke saath | Award Announcement of Regional level Poster and Video Competition for COVID-19 Awareness in various Regional Languages/Dialects under Unnat Bharat Abhiyan for Delhi/NCR region**

New Delhi: Prof. V. Ramgopal Rao, Director IIT Delhi, virtually addressed the participants on the occasion of 75<sup>th</sup> Independence Day (Azadi ka amrut mahotsav) at IIT Delhi on 15<sup>th</sup> August, 2021.

Prof. V.K.Vijay, National Coordinator, UBA, shared the objective of the Competition at Regional as well National level is to create repository and awareness material in regional languages/dialects for circulation among the village clusters for COVID-19 Awareness. He added "Unnat Bharat Abhiyan emerged as a strong network of about 2800 Higher Education Institutions, actively working in 14000 villages in the country. UBA has been active for the last 5 years to bring change in the education system in the country and for the inclusive development of rural India. Unlike the obvious assumption that pandemic will slow down the community engagement process, UBA leapfrogged in these 1.5 years of pandemic. Needless to say it was possible due to a very active and interactive network of 2800 Participating Institutes, 45 Regional Coordinating Institutes, 13 Subject Experts Groups covering all aspects of rural development."

National Coordinator, UBA, also updated about the **उन्नत भारत ग्राम आरोग्य अभियान**: A digital initiative to bring COVID-19 general awareness, protocols and vaccine awareness with focus on rural India was launched on 17-05-2021. The live talks brought in renowned doctors and community medicine experts to deliver talks and interact with participants in regional language. To date, approx. 40 episodes have been aired in Hindi, Marathi, Tamil, Gujarati, Kannada, Telugu, Tulu, Malayalam, Bengali, English, Punjabi, Odiya, Maithili, Urdu, Dogri, Kashmiri, Bhojpuri & Sign language). About 30,000 people have viewed the series.

The posters/videos from various parts of the country were invited, and Regional level result announcements have been planned by Regional Coordinating Institutions (RCIs) throughout the country. The Top 2 winners will be considered for the next round of National Level awards. He added that the awareness repository collected by Regional Institutions shall be used for creating awareness among the rural/urban population related to Vaccination, Prevention and Protection.

The Chief Guest, Prof. Rao announced the results of Regional level Poster and Video Competition for Delhi & NCR region, which is coordinated by IIT Delhi as a Regional Coordinating institution (RCI). He motivated the other participants and appreciated the initiatives taken up by Unnat Bharat Abhiyan, for connecting the higher educational institutions to the rural areas.

Vote of thanks was given by Prof. Vivek Kumar, Co-coordinator, Unnat Bharat Abhiyan. He shared that the event's aim was to celebrate the 75<sup>th</sup> Independence Day with all the Stakeholders of UBA and award announcement for the regional results to raise awareness on COVID-19 through Posters and videos.

Around 2000 institutions and 300+ participants attended the event through online mode.

**"Azadi ka अमृत मह उत्सव" : उत्तम उत्तम उत्तम उत्तम कर्तव्य" | Award Announcement of Regional level Poster and Video Competition for COVID-19 Awareness in various Regional Languages/Dialects under Unnat Bharat Abhiyan for Delhi/NCR region**

New Delhi: Prof. V. Ramgopal Rao, Director IIT Delhi, virtually addressed the participants on the occasion of 75<sup>th</sup> Independence Day (Azadi ka उत्सव उत्सव) at IIT Delhi on 15<sup>th</sup> August, 2021.

**PRINCIPAL**  
Geethanjali College of Engg. and Tech.  
Cheeryal (V), Keesara (M), Medchal Dist.(T.S.)-501 301.

Prof. V.K.Vijay , National Coordinator, UBA, shared the objective of the Competition at Regional as well National level is to create repository and awareness material in regional languages/dialects for circulation among the village clusters for COVID-19 Awareness. He added “Unnat Bharat Abhiyan emerged as a strong network of about 2800 Higher Education Institutions, actively working in 14000 villages in the country. UBA has been active for the last 5 years to bring change in the education system in the country and for the inclusive development of rural India. Unlike the obvious assumption that pandemic will slow down the community engagement process, UBA leapfrogged in these 1.5 years of pandemic. Needless to say it was possible due to a very active and interactive network of 2800 Participating Institutes, 45 Regional Coordinating Institutes, 13 Subject Experts Groups covering all aspects of rural development.”

National Coordinator, UBA, also updated about the **डिजिटल COVID-19 जागरूकता अभियान**: A digital initiative to bring COVID-19 general awareness, protocols and vaccine awareness with focus on rural India was launched on 17-05-2021. The live talks bought in renowned doctors and community medicine experts to deliver talks and interact with participants in regional language. To date, approx. 40 episodes have been aired in Hindi, Marathi, Tamil, Gujarati, Kannada, Telugu, Tulu, Malayalam, Bengali, English, Punjabi, Odiya, Maithili, Urdu, Dogri, Kashmiri, Bhojpuri & Sign language). About 30,000 people have viewed the series.

The posters/videos from various parts of the country were invited, and Regional level result announcements have been planned by Regional Coordinating Institutions (RCIs) throughout the country. The Top 2 winners will be considered for the next round of National Level awards. He added that the awareness repository collected by Regional Institutions shall be used for creating awareness among the rural/urban population related to Vaccination, Prevention and Protection.

**The Chief Guest, Prof. Rao announced the results of Regional level Poster and Video Competition for Delhi & NCR region, which is coordinated by IIT Delhi as a Regional Coordinating institution (RCI).** He motivated the other participants and appreciated the initiatives taken up by Unnat Bharat Abhiyan, for connecting the higher educational institutions to the rural areas.

Vote of thanks was given by Prof. Vivek Kumar, Co-coordinator, Unnat Bharat Abhiyan. He shared that the event’s aim was to celebrate the 75<sup>th</sup> Independence Day with all the Stakeholders of UBA and award announcement for the regional results to raise awareness on COVID-19 through Posters and videos.

Around 2000 institutions and 300+ participants attended the event through online mode.

# Report: Narsampalli

Geethanjali College Of Engineering And Technology associated with Students, faculty on 12<sup>th</sup> June 2021 went to a village named Narsampally to collect the local water of the village to test whether the water of the village are fit for drinking or not With the help of villagers we collected the water from the village. Later we took the collected water to our college and tested the collected water in the laboratory and finally gave the report Tested in the laboratory

# Event Report

## Rally on “Awareness on Plastic Pollution”

**Date:** 17-06-2021

**Activity Name:** Rally on "Awareness on Plastic Pollution"

**Venue:** Cheeryal village

**Report:** A Rally on Awareness on "Plastic Pollution" has been conducted under NSS at Cheeryal village on 17-06-2021 from 10am to 12pm.

Around 15 students and 2 Faculty members were actively participated. Faculty and students of Geethanjali College of Engineering & Technology(GCET) created awareness on "Plastic Pollution" to Cheeryal villagers.

Plastic Pollution is affecting the whole earth, including mankind, wildlife, and aquatic life. It is spreading like a disease which has no cure. We all must realize the harmful impact it has on our lives so as to avert it as soon as possible. Plastic pollutes our water. Each year, tonnes of plastic are dumped into the ocean. As plastic does not dissolve, it remains in the water thereby hampering its purity. This means we won't be left with clean water in the coming years.

Furthermore, plastic pollutes our land as well. When humans dump Plastic waste into landfills, the soil gets damaged. It ruins the fertility of the soil. In addition to this, various disease-carrying insects collect in that area, causing deadly illnesses.

Students and Faculty created awareness on Plastic Pollution through the following methods:

- Wean yourself off disposable plastics
- Stop buying plastic water bottle.
- Boycott microbeads
- Avoid single-use plastics
- Recycle clean bottles, cans, paper and cardboard.
- No loose plastic bags or recycled goods should be placed in plastic bags.
- Use Reusable Containers for Food.
- Buy Bread in Paper Bags (or Make Your Own)
- Use alternative packaging methods

**Subject: Identification of villages under the UBA program.**

Dear Sir

Ministry of Human Resources Development (MHRD), Government of India has launched the national program called Unnath Bharat Abhiyan (UBA), with the vision to involve professional and higher educational institutions in the development process of rural areas in the country to achieve sustainable development and better quality of life. Indian Institute of Technology, Hauz Khas, New Delhi has been designated to be the National Coordinating Institute by the Ministry.

Our Institution "Geethanjali College of Engineering and Technology", Cheeryal, and AISHE code C-19593 have agreed to participate in UBA as a Participating Institute (PI). Mr. ODAIAH RACHAPALLY, email.id: [odaiahrece@gmail.com](mailto:odaiahrece@gmail.com), Contact Number: 9908005296, has been duly authorized in this regard from our side to carry on the activities of UBA in our organization as Project Coordinator.

Under the UBA program every Participating Institute is to adopt a cluster of five villages in consultation with the Districts Collector. This is to bring to your kind notice that we have proposed the following villages in the district Medchal-Malkajigiri.

1. Cheeryal
2. Anthaipally
3. Yadgarpally
4. Kundanapally
5. Thimmaipally

In view of the above the Project Coordinator may contact your officer for the purpose. We request you to please help and cooperate in the matter.

With regards

Your Sincerely

**Report on International Day of Yoga on 21 June, 2021**

International Yoga day was celebrated in GCET on 21<sup>st</sup> June, 2021 in the on-line mode, due to COVID-19 restrictions. Mrs. Shobha Devi Alladi (Sahaja Arogya Yoga, trained at R.K.Math) was the instructor for this event. Mr.O.V.P.R. Siva Kumar, Professor of ECE and Coordinator spoke about the importance of Yoga in day-to-day life for physical and mental fitness, and introduced the Yoga trainer to the participants. A total of 226 (38 faculty members, Professors, Deans and 186 students) members actively participated in this program, in which Sukshma Vyayamam, several Asanas, Surya namaskaarams and Pranaayaamam were practiced as per Common Yoga Protocol advised by Ministry of Ayush, Government of India from 11AM onwards. The whole session was well received by all the participants. Vote of thanks were proposed by Mr. R. Odaiah, Associate Professor and Program Officer, NSS, GCET. The program concluded at 12:50PM.

**Sub: Seventh International Day of Yoga – June 21, 2021**

The rewards of Yoga for disease prevention and health promotion are well known. They have acquired special significance against the backdrop of Covid-19. The International Day of Yoga (IDY) 2021 presents an occasion to underline the health benefits of Yoga, and motivate the faculty members, staff and students to take up the pursuit of Yoga.

Due to the prevailing COVID-19 situation, as per instructions from Ministry of AYUSH, Government of India, all are encouraged to celebrate International Day of Yoga (IDY) on June 21, 2021 from their respective homes by following Common Yoga Protocol (CYP) <https://yoga.ayush.gov.in/common-yoga-protocol>. The theme of IDY this year is “**Be with Yoga, Be at Home!**”

On the eve of International Day of Yoga -2021, for the benefit of all students, faculty members and staff, an **instructor led live Yoga practice session (online)** is scheduled as per the details given below:

**Date:** 21/6/2021 (Monday) **Time:** 11AM\* to 12:15PM

Note: You may have light breakfast before 8AM. Have a Yoga mat ready for the session.

### LETTER OF APPRECIATION

I am glad to say that International Yoga Day Celebrations were conducted by Smt. Shobha Devi Alladi (Yoga Teacher, Sahaja Arogya Yoga, trained at Rama Krishna Math, Hyderabad) for the benefit of our students and faculty members on **June 21, 2021** through online mode due to Covid-19 restrictions. A total of 226 (38 faculty members, Professors, Deans and 186 students) members participated in this program, in which Sukshma Vyayamam, several Asanas, Surya namaskaarams and Pranaayaamam were practiced as per Common Yoga Protocol advised by Ministry of Ayush. The whole session was well received by all the participants. The contribution of **Smt. Shobha Devi Alladi** is highly appreciated.
