**Report**

The Women Protection cell conducted an awareness program on General Health issues and on Cervical Cancer on 9<sup>th</sup> November 2016.

Dr. Pallavi Prasad, Gynecologist and Head, Mayflower Hospital, Sainikpuri was the Chief Guest of the program. Faculty Coordinator Ms. Madhumathi introduced the guest to audience. Dr. Pallavi Prasad greeted the audience and delivered a speech by giving valuable inputs on General Health issues of Women and Girls. She talked about common problems faced by Women like PCOD, anemic, immunity.

She discussed about cervical cancer risk factors and symptoms and perceptions about prevention and cure of cervical cancer in order to improve cervical cancer survival. She discussed various points on cervical cancer like Symptoms, Causes, Precautionary measures, types of cervical cancers, risk factors, preventions. She advised that every woman has to be cautious about their health during 40's, regular medical checkup should be needed for women health safety. The session was very useful for students and faculty members and there were 150 students were participated and students felt happy for this informative session.
