TO WHOM IT MAY CONCERN

This is to certify that **Mr. Shashaank Andugula** from **Geethanjali College Of Engineering & Technology** has undergone and completed his Summer Training & Internship Program in "Online Internship in IoT" from July 2020 to August 2020.

During this period, exposure has been given on various technical activities around "Internet of Things" technology at Tevatron Technologies Pvt. Ltd.

We found him extremely inquisitive & hardworking. He was very much interested to learn the function of our core division & also willing to put his extra effort to get into the depth of the subject in order to understand it better. His overall performance has been rated very Good & we would like to wish him for future endeavors.

GLOBAL INTERNSHIP PROGRAM

July, 2020

TO: WHOMSOEVER CONCERNED

RECOMMENDATION LETTER FOR Sumith Meesa

This will confirm that Sumith Meesa pursued his/her data Analytics Internship under Hash Analytic Global Internship Program with due diligence and hard work. This program is structured in a way, where all Interns are tasked with Assignment and project to build analytical Solution to solve some of the problems with employee and customer data to get valuable Insight, for better decision making.

During Sumith Meesa Internship tenure, he/she has displayed a unique ability to identify and solve problems. Sumith Meesa experience in Data Analytics and Visualization using python, Tableau and Google Analytics has add great value to the project as well as to other Interns. The individual is loyal and always places the welfare of Hash Analytic above all else.

Any Company considering this individual for employment has my most enthusiastic recommendation. The individual performance here is an indication that the individual is desired to achieve heights in his/her career and set a new record for future employers.
