MEMORANDUM OF UNDERSTANDING  
BETWEEN

Redpine Signals, Hyderabad, India

AND

Geethanjali College of Engineering and Technology, Hyderabad

ON March 04, 2017

Redpine Signals, Hyderabad, India (hereinafter referred to as "First Party"), Headquartered in San Jose, California, Redpine Signals, Inc., is a fabless semiconductor, M2M devices and wireless system solutions company focusing on innovative, ultra-low power and high-performance products for next-generation wireless applications. Redpine was founded in 2001 and was the first in the industry to launch an ultra low power and low-cost single-stream 802.11n chipset in late 2007. Again, in 2009 Redpine pioneered the adoption of self-contained 802.11abgn modules into the then emerging M2M market. In 2013, Redpine introduced the world's first multiprotocol wireless chipset for the Internet of Things market – featuring Wi-Fi, dual-mode BT 4.0, and ZigBee. Redpine has created multiple products based on this chipset including n-Link (hosted), Connect-i-o-n (embedded) and WiSeConnect (advanced embedded) modules. Redpine offers technology and products covering multiple market segments in the IoT (industrial, medical, automotive, connected home, smart energy, building automation and real-time locationing), mobile and networking markets. Redpine's technology and product portfolio includes chipsets, modules and devices.

Geethanjali College of Engineering and Technology (hereinafter referred to as "Second Party"), located at Sy.No.33 & 34, Keesara(M), Yadgarpally X Road, Cheeryal, Hyderabad, Telangana-501301, having established in 2005, is a NBA Accredited and an Autonomous Institution. The institution is approved by AICTE and permanently affiliated to JNTUH. The Institution offers B.Tech., M.Tech., MBA and Pharma courses. The Institution is equipped and geared up to take on the responsibility of providing exceptional quality education and to bring out creativity in students that would promote innovation, research and entrepreneurship. The Institute's mission is to collaborate and contribute to advancement of engineering and technology that would help meet social needs.

  
PRINCIPAL

Geethanjali College of Engg. Tech.  
Cheeryal (V), Keesara (M), R.R. Dist., A.P. - 501 301

#### WHEREAS

The parties agree to extend cooperation in furthering industry-academia collaborative activities for mutual benefit, the first party having expertise in developing solutions and carrying out research in the Internet of Things, would like to offer its WyzBee IoT platform, a unique product integrating hardware, cloud services, and other software, that enables easy creation of complete IoT applications to second party. In the future, this cooperation may be in multiple areas that may be defined and jointly agreed upon by the two parties.

#### THE PARTIES HAVE REACHED AN UNDERSTANDING AS FOLLOWS:

This Memorandum of Understanding will not give rise to any financial obligation for either party. This Memorandum of Understanding will come into effect on the date of signing and will remain in effect till either of the parties would like to come out of the understanding with prior notice to the other party.

#### Responsibilities of the first Party (Redpine):

- To provide Redpine's WyzBee IoT platform, including boards, software, and documentation, to second party at special rates, comparatively less than market rates.
- To provide training for chosen faculty of second party through a hands-on workshop.
- To provide a platform for support of students of second party during project execution.
- To offer lectures and technical discussions aimed at keeping faculty apprised of advances in this area, as identified by Redpine through market research and interaction with customers worldwide
- To review or suggest areas of focus, identification of projects, etc.
- To provide Certificates of Completion upon successful execution of lab exercises and a project
- Optionally, to provide outline course contents for a one or two semester course on IoT and related technologies

  
PRINCIPAL  
Geethanjali College of Engg. Tech.  
Cheeryal (V), Keesara (M), R.R. Dist. (A.P.) - 501 301

**Responsibilities of the second Party (Geethanjali College of Engineering and Technology):**

- To create a laboratory for IoT, equipping it with a minimum of 20 WyzBee boards procured from Redpine through its local sales channel
- To equip the lab with other essentials such as PCs, power supply, internet access via Wi-Fi, etc.
- To organize and execute training courses and sessions based on the designated IoT Platform, including pre-requisites.
- To assign faculty and staff to take up the assigned activity.
- To support students taking up of projects based on the platform.
- To purchase and equip laboratories with additional platforms and peripherals in accordance with the institution's policies, sufficiently.
- To support the defined courses and lab work.
- To identify applications and research areas based on studies carried out, and the insight of, faculty and students.
- To prepare to offer real world solutions to problems in areas identified as thrust areas by government of India and Government of Telangana policy.

From

Dr. Nagendra Kumar, HOD, CSE  
Geethanjali College of Engineering and Technology,

To

Mr N Venkatesh, Senior Vice President  
RedPine Signals. Hyderabad

Ref: MoU between GCET-REDPINE SIGNALS, dated 04/03/2017.

Sub: Setting up of Redpine signals laboratory at GCET with your valuable support.

Dear Mr Venkatesh,

We are glad to inform you that we have established a lab to impart hands-on training to our students in the area of "WyzBee IoT Platform" with the equipment following equipment donated by your esteemed institute.

We are extremely grateful to two your colleagues to visit our college for helping our students in conducting the above experiments. This helped our students/faculty to expose to the technical expertise/ knowledge in IoT.

Our students were trained in batches in conducting the experiments regularly. We found that this activity strengthened our knowledge in the area of IoT. We are confident that that this activity would fetch better job prospects to our students. We further hope that this kind of activity will follow in future with your valuable association.

Thanking you, with respectful regard.

(Dr. Nagendra Kumar)

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is executed on this, the July 13, 2021, at Hyderabad

BY AND BETWEEN

VIRTUSA CONSULTING SERVICES PRIVATE LIMITED, a Company incorporated under the provisions of Companies Act, 1956 and having its registered office at No. 34, IT Highway, Navalur, Chennai - 600130, and represented by its authorized signatory Mr. Vasu Pendyala (hereinafter referred to as 'Virtusa which expression whenever used shall mean and include its successors, administrators and assigns) of the ONE PART;

AND

1

Private and confidential - MOU between Virtusa Consulting Services Private Limited and Geethanjali College of Engineering and Technology, Hyderabad

RW

  
PRINCIPAL  
Geethanjali College of Engg. Tech.  
Cheeruvu (V), Keesara (M), R.R. Dist. (A.P.) - 501 301

GEETHANJALI COLLEGE OF ENGINEERING AND TECHNOLOGY, declared as an Autonomous institute under UGC and affiliated to JNTU, Hyderabad and having its campus at Cheeryal (V), Keesara (M) Medchal Dist., Telangana 201301, represented by its authorized signatory G.R.Ravinder Reddy, Chairman, Geethanjali Group of Institutions.

(Hereinafter referred to as 'Partner (which expression whenever used shall mean and include its successors, administrators and assigns) of the OTHER PART;

(Virtusa and the Partner are individually referred to as 'Party' and collectively referred to as 'Parties').

WHEREAS Virtusa is a global information technology services company and provides IT and business consulting, application support and maintenance, development, systems Integration and managed services to its customers.

AND WHEREAS the Partner is an Engineering College which is an autonomous institute under UGC and affiliated to JNTU, Hyderabad, and has evolved a comprehensive student-centric learning approach consisting of several stages, designed to add significant values to the learner's understanding in an integrated manner, covering relevant knowledge, practical skills and positive attitudes.

AND WHEREAS the Partner, for the purpose of enriching practical skills and imparting industry relevant course curriculum to students of all engineering disciplines in the field of Information Technology ("IT"), has approached Virtusa with a proposal for forging an industry-institute academic alliance to facilitate and train the Partner's students and faculty on Artificial Intelligence Managed Services (AIMS - AIOps) by utilizing the Virtusa's relevant experience and projects, and by deputing its technicians at the lab of Partner with the object of providing exposure to the Partner's faculty and students to current industrial needs and requirements.

AND WHEREAS Virtusa, has agreed to the proposal of the Partner

AND WHEREAS this MOU is intended to be legally binding between the Parties and is enforceable in accordance with the applicable laws and regulations.

Accordingly, the Parties have decided to reduce into writing their mutual representations and understanding as stated hereunder:

Private and confidential - MOU between Virtusa Consulting Services Private Limited and

RWR

S/R

Information includes, but is not limited to, any information, course material, plans, discussions, strategies or any material provided by Virtusa to the Partner, and Virtusa's technology including discoveries, inventions, research and development efforts, manufacturing processes, hardware/software (regardless of media) design and maintenance tools, and hardware/software product know-how, which may be disclosed by Virtusa to the Partner during the pendency of this MOU. Confidential Information shall also include any information marked "Confidential" or "Proprietary" but does not include any information already in the public domain or such information which was obtained from a third party. The Partner shall not disclose, reproduce or use any Confidential Information for any purpose except solely in connection with the performance of this MOU. Upon expiration or termination of this MOU, Partner shall cease using all such Confidential Information and it shall either destroy or return all copies of such Confidential Information, in whatever form. The Partner or any of its personnel/ students/ faculty shall not disclose the Confidential Information during the term of this MOU and for a period of 5 years after.

6. The Parties shall not make unauthorized use of the trade name, trade mark, copyright, patent, symbol, licenses, or designation belonging to the other party without prior approval and permission. In the event, the Partner or any of its personnel/students/faculty breach its confidentiality obligations or infringe the intellectual property of Virtusa, Virtusa shall have the right to pursue appropriate remedies available at law and shall be entitled to equitable relief. In addition, the Partner shall indemnify, defend and hold harmless Virtusa, from and against all claims and all losses, liabilities, obligations, damages, expenses and costs (including without limitation reasonable legal fees) brought against or suffered by the other or any of its respective officers, directors, employees or agents, resulting from, arising out of or relating to damage to property, fraud, gross negligence, willful misconduct, breach of confidentiality obligations, applicable laws and regulations and infringement of intellectual property.
7. Virtusa shall also provide requisite publicity material such as handouts, information brochures and posters, if it deems necessary. Upon expiration, termination of this MOU or

- when requested by Virtusa, the Partner shall cease using all such material and documents and it shall immediately return all copies of the documents, in whatever form to Virtusa.
8. Except for collaboration related to Artificial Intelligence Managed Services (AIMS – AIOps) practice, the Partner is not debarred from having collaborations with others. For initiatives which are planned for Artificial Intelligence Managed Services (AIMS – AIOps) domain, the Partner can invite guest speakers with prior written approval from Virtusa. Any other event in this domain will be conducted in collaboration with Virtusa.
  9. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or any claim. However, the terms and the conditions in this MOU shall be kept confidential
  10. The Parties agree that no party shall be held liable for the commission and omission of the other party under this MOU.
  11. The parties represent that they have the full power and authority to enter into this MOU in general and none of the objects stipulated herein are against public policy.
  12. The Parties shall designate their respective representatives who shall be the primary point of contact on behalf of that party.
  13. Neither of the parties shall not use the name of the party in any advertisement nor make any public announcement without the prior written approval of the other party.
  14. The parties agree to negotiate amendments to this MOU, if necessary, to meet the evolving requirements. Any amendment and / or modifications to the MOU will require written approval from both parties.
  15. The termination of this MOU shall not affect the implementation of the projects or programs established under it prior to such termination. Notwithstanding anything to the contrary, in the event of expiry or early termination of this MOU, Partner shall reimburse all expenses incurred by Virtusa in performing its obligations under this MOU till the effective date of termination.
  16. Any dispute arising out this MOU shall be at the first instance attempted to be settled amicably between the parties. In case the dispute cannot be settled amicably, this MOU is subject to the jurisdiction of Courts at Hyderabad.

## MEMORANDUM OF UNDERSTANDING (MOU)

### Abstract

This MoU has been signed between SmartBridge Educational Services Pvt. Ltd. and Geethanjali Institute of Engineering & Technology to establish a center for robotics learning & development

PRINCIPAL  
Geethanjali College of Engg. Tech.  
Cheeryal (V), Kaasara (M), R.R. Dist. (A.P.) - 501 304

Kaasara, Hyderabad.

This Memorandum of Understanding ("MOU") is signed on the 02 day of December 2019 by and between **SMARTBRIDGE EDUCATIONAL SERVICES PVT LTD.** ("SMARTBRIDGE"), having its registered office at Plot No .550/F, Road.No.92, Jubilee Hills, Hyderabad, Telangana – 500096

And

**GEEETHANJALI COLLEGE OF ENGINEERING & TECHNOLOGY ("GCET")**, having its campus at Cheeryal (V), keesara (M), Medchal District, Telangana – 501301. **SMARTBRIDGE** and **GCET** are sometimes hereinafter referred to individually as "Party" or collectively, as "Parties".

### Background

**SMARTBRIDGE** is an educational services company specialized in building the next-generation talent pool with skills in emerging technologies. SmartBridge proven project-based learning model has enabled thousands of students with emerging skills and helped them in becoming career ready. Since inception, the SmartBridge has served 325+ engineering institutions, 60k+ students and 10k+ educators. SmartBridge has been setting up technology innovation centers (IoT, AI, Robotics) across various institutions to promote research & innovation in universities. Following are the core services of SmartBridge.

- Technical Bootcamps
- Project Build-a-Thons
- Externship Programs
- Career Readiness Programs
- Center for Next-Gen Technologies
- Rapid PoC Development

SmartBridge has built a unique edTech product called "SmartInternz" to prepare the students for the industry by building their skills via project-based learning.

**Geethanjali College Of Engineering & Technology ("GCET")**, established in 2005, is offering Under Graduate (UG) and Post Graduate (PG) programs in different disciplines

  
SMARTBRIDGE

GCET

  
PRINCIPAL  
Geethanjali College of Engg. Tech.  
Cheeryal (V), Keesara (M), R.K. Dist. (R.P.) - 501301

of Engineering. GCET is dedicated to transforming the students into highly competent engineers with high level of motivation, professional skills and self-confidence.

GCET has established an Industry Institution Interaction Cell to forge alliances with industries and educational institutions. There are six different engineering departments, which are running undergraduate program, with CSE department offering a PG program also.

Depending upon the specializations, the heads of the departments approach the industries related to their departments and forge alliances with them for R & D activities found to be useful to the industry and the institution. At times the consultancy work is also taken from the industries depending upon the capabilities of the faculty and the availability of infrastructure in the institution and the complexity of the problem. Besides the alliances forged by the individual departments, the college also entered MoU with certain industries and educational institutions.

Both SMARTBRIDGE and GCET of Hyderabad, Telangana recognized the need for:

- 1) Pooling and sharing their knowledge and skills for constant development and upgrading in the field of Emerging Technologies.
- 2) Close cooperation between the industry and the technical education system
- 3) Educating & training of students, in practical environment, to enrich teaching methodologies, to help faculty development and to make the training more employment oriented.

In appreciation of the above and in the furtherance of the common desire for improving the quality of graduating Engineering students, SMARTBRIDGE and GCET have agreed to join hands. Both parties have explored the possibilities of building a synergistic relationship and have agreed to enter into MOU with the following joint responsibilities:

- 1) With a view to providing inputs to improve the quality of education and to impart industry related training, SMARTBRIDGE will provide their expertise on "Utilization of Lab & Incubation center" to GCET.
- 2) With a view to introducing students to industry, SMARTBRIDGE will provide "Academic Projects & Internships" to GCET students. Further, GCET students and faculty will participate in developing modules of a larger project and submit the completed work as consultancy project. To assist this activity GCET guide and

SMARTBRIDGE

(Mergol (V), Kassar (M), R.D. Dist. (A.P.) - 504 204

GCET

students will work in the premises of SMARTBRIDGE for the purpose of coding, assembly, integration, and testing of the project as and when required.

- 3) GCET will provide the required support in the survey of technical field, design, concepts and the methods of evaluation of the project.
- 4) SMARTBRIDGE will suggest the required changes in the curriculum and help GCET in providing education to its students as required by the industry.
- 5) Both parties agree to maintain confidentiality of information and the information can be released only with mutual agreement.

## 1. PURPOSE

This Memorandum of Understanding (MOU) sets forth the terms and understanding between the SMARTBRIDGE and GCET to engage in following activities.

- a) Establish a Robotics Learning & Development Center on the campus to train the students & faculty on building the intelligent robotics systems for Industry & Consumer sectors
- b) Set-up the necessary infrastructure, hardware components, software tools and learning resources for the successful operation of the center
- c) Engaging in consultancy work for a specific scope of services and product development which will be signed by both parties on need based terms.
- d) Professional certification & core elective programs in Robotics shall be designed & executed as part of academics.
- e) Foster innovation & entrepreneurship among the young engineers by organizing industry partnered hackathons and challenges etc.

## 2. SCOPE

### a. Responsibilities of GCET:

GCET shall take up following responsibilities to establish & operate the Robotics Learning & Development Center.

- Budget for the entire program
- Provide a computer lab with minimum 30 Nos. of computers (Min. Intel i5 Processor, 8GB RAM, Ubuntu OS )

Geethanjali College of Engg. Tech.  
Cheeryal (V), Keesara (M), R.R. Dist. (A.P.) - 501 301

  
GCET

### c. Program Deliverables

- 1 – Week training program on Python for ROS Programming
- 2 – Weeks Training Program on ROS Beginner
- 2 – Weeks Training Program on ROS Advanced
- 36 / 48 Hrs. Hackathon on Building Intelligent Robots
- Expert lectures on Industrial Robotics, Collaborative Robotics
- Access to 50 Nos. of Project Templates to students via SmartInternz
- Mentoring to the students participating in various hackathons
- Facilitating the internships to the best students

### 3. VALIDITY

This MOU is valid for Two (2) years from the date of signing of this MOU. Thereafter, the MOU may be renewed for such term and on conditions as may be agreed between the Parties.

### 4. NO ASSIGNMENT

Neither party, without the written consent of the other, may assign either the benefit or the burden of this MOU to anybody.

### 5. TERMINATION

Either party may terminate the MOU for cogent and logical reasons, by giving to the other party 30 days' notice in writing.

### 6. ENTIRE AGREEMENT

- a) This document represents the entire agreement between the Parties regarding the subject matter of this MOU and can only be amended or modified by an agreement in writing signed by the Parties hereto.
- b) A co-ordination committee consisting of one faculty member of GCET and one officer nominated by SMARTBRIDGE shall be constituted to implement and give effect to objectives of this MOU.

GCET

- Enroll the students in the program & coordinate with them
- High speed internet connection with at least 1 MBPS download speed shall be provided
- Projector, AV System to conduct training in the Lab
- Faculty in-charge to coordinate with SmartBridge & Students and maintain the Lab Equipment.
- Accommodate the L&D schedule student's academic schedule.
- Ensure that students will complete the assignments as planned.
- Approval of Logo usage for the printing material, website etc.
- Hospitality for the trainers & industry experts
- Accommodation for the experts visiting the L&D center

**b. Responsibilities of SMARTBRIDGE:**

Following are the responsibilities of SMARTBRIDGE

- a. Creation of Program Collaterals (Curriculum, Brochures, Lab Manuals etc.)
- b. Supply of Hardware for the L&D Center
- c. Supply of necessary Software tools & environment setup in the Lab.
- d. Preparation of training calendar & organizing the same as per the approved calendar.
- e. Mentoring students in building the Robotics projects
- f. Inviting Industry Experts to Robotics L&D Center
- g. Providing industry visits to the students
- h. Provide access to guided projects on SmartInternz Platform
- i. Organize internal hackathons for the students
- j. Mentor the students for external hackathons
- k. Facilitate internships for the students in relevant companies
- l. Coordinate with faculty & college management for the smooth execution of the program.

  
SMARTBRIDGE

 GCET

  
PRINCIPAL  
Geethanjali College of Engg. Techn.  
Cheruvu (V), Kessuru (M), R.R. Dist. (A.P.) - 501301

Both, SmartBridge and the GCET are pleased to enter this Memorandum of Understanding and believe that such an understanding would lead to a continuing period of meaningful interaction, cooperation and exchange of information and ideas. Both parties will value the spirit of this agreement and would strive continuously to develop the various facts of this MoU.

### Signatures

This MoU will come into effect on the day date of signature of the representative of both parties as given:
