A Report

On

Two Day Workshop at VIHE on Contributor personality Project

Mr. Srinivas .V the project head of Illumine Knowledge Foundation, along with his team has introduced the concept of Contributor Personality project by conducting a One day workshop at VIHE on 4th august. Further a training cum Hands on experience on the different concepts of CPP were dealt by the team's trainer Ms. Sudeshna from Mumbai.

The CPP deals with the aspect of who is a contributor, How to recognize a Contributor, Scope of a Contributor and Depth of a Contributor. The training in these modules was conducted on 13th & 14th of October in which the hands on experience on first three books was given. The whole course contains 12 such books which in due course of time would slowly be trained. The trained faculty would be deputed by Swami Bodhmayanandji to different educational institutions and Organizations to train the students and people to make them realize the concept of a Contributor.

It is suggestible to have this CPP course as one of the certificate courses in our autonomous institution.

Dr. Madhumathi Kotamraju

Indo-Global Education Summit & Expo 2017

Indo-Global Skills Summit & Expo 2017

Winners of Awards

Indo-Global Education Summit & Expo 2017

An important feature of the Indo-Global Education Summit & Expo 2017 would be presentation of educational excellence awards to institutions, educationists, researchers, faculty, and students in recognition of their contributions and excellence in any of the various academic fields such as Engineering & Applied Sciences, Information Technology, Business & Management, Clinical & Health Sciences, Life Sciences & Biomedicine, Agricultural Sciences & Environment, Arts & Humanities, and Social Sciences. The institution of awards is an initiative of the Indus Foundation.

Initiated in 2010, the Indus Foundations awards identify and promote innovation and educational excellence. The awards are in recognition of educational excellence in specific fields of academe. The Indus Foundation is a non-profit educational organization dedicated to the promotion of higher education in India. The Foundation is well established internationally for over 20 years.

There has been an excellent response for awards. The Indus Foundation is pleased with the large number of nominations received. The Indus Foundation extends congratulations to the winners of the awards in various categories. This page will be updated periodically as and when award winners are selected.

Each award comprises of a Certificate and a Memento.

Awards for Research Excellence

These awards recognize excellence in research, scholarship, or creative expression. Awards are given to institutions, organizations, and individuals deserving of special recognition by reason of their outstanding contributions to knowledge in any of various disciplines.

- Prof. Amarnath Babu Siddabattuni, Associate Professor, Dept. of Computer Science Engineering, St. Ann's College of Engineering & Technology, Chirala, Andhra Pradesh
- Dr. Praveen Kumar Mannepalli, Professor, Dept. of Computer Engineering and Applications, Malla Reddy Institute of Technology, Hyderabad
- Mr. Mamilla Ravi Sankar, Assistant Professor, Dept. of Mechanical Engineering, Indian Institute of Technology, Guwahati
- Dr. Dilip Gude, Physician Diabetologist and Intensivist, Virinchi Hospital, Hyderabad
- Prof. S. Mahaboob Hussain, Assistant Professor, Dept. of Computer Science & Engineering, Vishnu Institute of Technology, Kovvada, Andhra Pradesh
- Prof. K. Prathyusha Kanakam, Assistant Professor, Dept. of Computer Science & Engineering, MVGR College of Engineering, Vizianagaram, Andhra Pradesh
- Dr. Shobha Patil, UGC-Post Doctoral Fellow, Dept. of Library & Information Science, Akkamahadevi Women's University, Vijayapura, Karnataka
- Dr. Er. LN. P. Sanjeeva Rayudu M.Tech., Ph.D., Principal, Gandhiji Institute Of Science & Technology, Bhimavaram
- Dr. Naresh Kumar Katari, Assistant Professor, Dept. of Chemistry, GITAM University, Hyderabad

A Report

Faculty and Student delegates at a Global Summit on 19th July at Taj Deccan.

The Indo-Indus Global Summit was held on 19th July at Taj Deccan. **The Members of CACG** were invited as special faculty delegates to participate in the summit along with 50 students as student delegates. The summit was to promote education across countries by enhancing skill development and entrepreneurial skills.

The Expo-2017:

The summit also had an Expo-2017 wherein student recruitment for higher education in foreign countries was also done. The student delegates had an exposure of knowing the avenues for higher education abroad. The skills required for admission into higher education abroad was brought to light by the education counsellors.

The Global Summit:

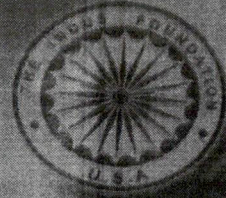

The summit had 6 different panels with 6 speakers from different sectors. The panels were distributed from 10.00a.m to 5.00p.m. The speakers were from different sectors of Educational, MHRD, Parliament, Civil Servants, Principals, Professors, CEOs, and Entrepreneurs. The Faculty delegates had an exposure to variety of channels of opportunities to encourage their students. The people who excelled in their own profession were awarded and felicitated by the summit members. The summit & the Expo were quite informative and useful for both faculty and students. We thank our principal for permitting us to attend.

Lr. No. DAPO/ Pro-active steps against Drugs abuse/2017

Date: 21.07.2017

To
The Principals of all Constituent and Affiliated Colleges of JNTUH.
The Directors of University Units.

Sir/Madam,

Sub: JNT University Hyderabad – Academic & Planning – Pro-active steps against
Drugs abuse.

The youth are becoming highly dependent on drugs and substances which are not only ruining their academic careers but it is a financial burden to their families. Hence, the UGC issued a circular with steps to tackle the problem of sale of drugs to college children.

In this connection the principals are requested to make students aware of the ill-effects of drug addiction by organizing orientation programs, parent teacher meetings, talks by officials of Police and Public Administration Departments and informative audio and video lectures.

It is moral duty of educational institutions to make students aware of the ill-effects of drug addiction.

You are suggested to constitute committees by involving students and faculty to take proactive steps not only to make students live a healthy life but also stay away from addiction and the same may be forwarded to University to mail id's: dap@jntuh.ac.in and duaac@jntuh.ac.in.

Yours faithfully,

REGISTRAR

A Report

on

Proactive steps against Drug abuse by DCP Sri Uma maheswara Sharma at GCET

An awareness programme was conducted by Career and Academic Guidance team members of Geethanjali college of Engineering & technology, cheeryal, as per the circular issued for all Principals and Constituted colleges of JNTUH, LR.No. DAPO /Proactive steps against Drug Abuse/2017.

The present day youth are under the spell of severe addiction or drug abuse and drug trafficking. Drugs can be defined as a compulsive, excessive and self damaging use of habit forming drugs leading to addiction and finally results in physiological and psychological imbalances. Geethanjali college of Engineering and technology is also committed to work for healthy families and societies. With a moral concern, the college conducted an awareness programme by conducting a Debate and Elocution competition for 2, 3 & 4th year engineering students on 23rd august, 2017. The team invited Sri Umamaheswara Sharma, DCP Rachakonda Commissionarate, who addressed the students on “ Proactive measures against drug abuse” and distributed prizes to the prize winners. The Theme of the Event was -

Listen First - Listening to children and youth is the first step to help them grow healthy and safe.

'Listen First' is an initiative to increase support for the prevention of drug use that is based on science and is thus an effective investment in the well-being of children and youth, their families and their communities.

And the topic for Debate “Is peer pressure that impacts the youth on drug abuse or individual imbalance.”

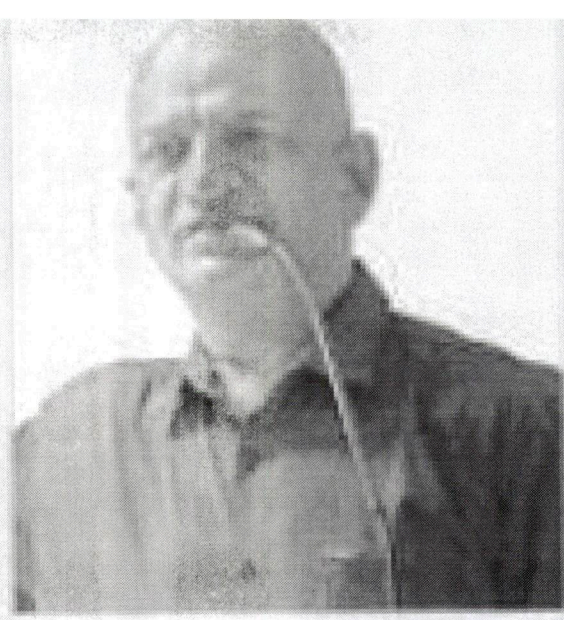

Topics: Elocution.

- 1. Drug prevention and cure**
- 2. Drug Trafficking**
- 3. The Drugs problem and organized crime**

The programme was concluded by the message and measures instructed by DCP followed by the college chairman Sri Ravinder reddy garu & Principal Dr. Udaya Kumar Susarla. The programme was a great success in creating preventive tips for the young students.

A Report

On

"Opportunities after B.Tech"

For 4th year CSE & ECE students.

Students of outgoing batch need an exposure on avenues after their completion of B.tech course. On identifying the necessity of such a exposure and on the instruction of chairman sir, Sri Ravinder reddy , the CACG of Gcet has organised a one day workshop on "Opportunities after B.tech" for fourth year ECE in the forenoon session and CSE in the afternoon session in CSE seminar hall on 30th October,2017.

The resource person identified for the workshop was Sri Krish Radha Krishna, CEO Krish Personality Development, Hyderabad. The profile of the resource person Mr. Krish is a master trainer in personality development sessions, trained students, software professionals, Chartered accountants, Defence forces, police forces, corporate houses. He was trained by Dale Carnegie Institute trainer, Dr. Deepak Chopra.

He motivated the students wonderfully well and initiated hundred percent participation from students. Students enjoyed themselves thoroughly while identifying the underlining skills for a bright settlement.

He highlighted on Stress management, leadership qualities, self motivation and academic excellence.

Students gave a wonderful feedback on the session. The workshop was concluded at 4.00p.m. The resource person was felicitated by gifting him a college memento and honorarium.

CACG FILE

A Report

Promotional session by Dean Dr. Mohammed Alam A & M University, Texas, Kingsville. U.S.A
22nd September, 2017.

The session was organized by the members of CACG for the 4 yr ECE & CSE students. The Guest speaker was Dean Dr. Mohammed Alam, Fellow, Texas, A & M university, Kingsville. The session was held on 22nd September. It was a promotional session for students aspiring higher education at Kingsville. He gave the details of admission at A & m university the minimum GRE & TOEFL score and various scholarship facilities available for students possessing good GPA at graduate level. Few students interacted with him personally and also during the interactive session. The session was highly resourceful for the students.

About Dr. Alam

EDUCATION

- Ph.D. Electrical Engineering, University of Dayton, Dayton, Ohio, 1992
- M.S. Computer Engineering, Wayne State University, Detroit, Michigan, 1989
- M.S. Electrical and Electronic Engineering, Bangladesh University of Engineering and Technology (BUET), 1985
- B.S. Electrical and Electronic Engineering, BUET, 1983

RESEARCH INTERESTS

- Pattern recognition and tracking
- Digital/optical image processing
- Multispectral/Hyperspectral image processing
- Infrared imaging systems
- Smart Energy Management and Control (SEMaC)
- Ultrafast computing architectures and algorithms
- Novel instrumentation and measurement techniques
- Wireless communication systems
- Fiber-optic sensors
- Microprocessor systems and interfacing
- Wireless sensor networks

PROFESSIONAL EXPERIENCE

ADMINISTRATIVE EXPERIENCE

- 2016 - Present Dean, College of Engineering, Texas A&M University - Kingsville (TAMUK)
- 2016 - Present Director, Texas Engineering Experimentation Station (TEES) at TAMUK
- 2001 - 2015 Chair, Department of Electrical and Computer Engineering, University of South Alabama (USA)
- 2004 - 2015 Member, Board of Directors (elected), Southeastern Center for Electrical Engineering Education
- 2012 - 2016 President (elected), Mobile Section of IEEE, Mobile, Alabama
- 2003 - 2006 President/Vice President/Secretary (elected), Southeastern ECE Department Heads Association
- 1996 - 1997 Chair (elected), College Assembly of Representatives, Purdue University - Fort Wayne
- 1994 - 1996 Chairman/Vice Chairman/Secretary (elected), Fort Wayne Section of IEEE, Indiana
- 2001 - 2016 Director of four research labs (VIPS, HIPS, PIPS and FCOSH labs)
- 2002 - 2016 Project Director and Principal Investigator for many large scale research projects
- 2007 - Present Organizer/Chair of many International Conferences (sponsored by IEEE, IET, SPIE, ...)

ACADEMIC EXPERIENCE

- 2001 - 2016 University of South Alabama, Mobile, Alabama
 - Warren H. Nicholson Endowed Chair Professor of Electrical and Computer Engineering (2016)
 - Professor, Department of Electrical and Computer Engineering (2001 - 2015)
 - Graduate Faculty - Full Member (2001 - 2016)
- 1999 - 2001 University of Alabama, Tuscaloosa, Alabama
 - Department of Electrical and Computer Engineering (on leave of absence from Purdue University - Fort Wayne)
- 1992 - 1999 Purdue University - Fort Wayne, Indiana
 - Professor of Electrical Engineering (July 1998 - June 1999)
 - Associate Professor of Electrical Engineering (July 1997 - June 1998)
 - Assistant Professor of Electrical Engineering (August 1992 - June 1997)
 - Graduate Faculty Member, Purdue University (February 1993 - June 1999)
 - Graduate Faculty Member, Indiana University (January 1996 - June 1999)
 - Visiting Professor, ECE Department, University of Dayton (May 1996 - August 1996)
- 1991 - 1992 Research Assistant, ECE Department, University of Dayton (January 1991 - August 1992)

A Report on
A Promotional session by Education Matters
Study & Work at Ireland

Education Matters is an Award winning International education Consultancy. They promote students education abroad. It focused on Study & Work in Ireland. The country has provision for popular study fields like Commerce, Engineering and Engineering trades, Computer Science & IT and Pharma. The session was conducted by Mr. David Fallon an Irish Journalist. He enlightened the students on international business, Commerce and education at Ireland. Mr. Srinivas Raju member of EM facilitated students' abroad education. The country opens immense scope for students of Pharma and MBA. The language spoken though **Irish** previously but now English. Irish people are hardworking and trustworthy and they do respect Indians said Mr. David. Students gathered information through interactive session like the Fee structure and Scholarship facility at Ireland. 4 yr CSE, 4 yr Mech and 3yr EEE students attended the session. CACG felicitated the resource persons with GCET mementoes.

David Fallon

Co-Founder, Chairperson at Native Woodland Co-op Ltd
Ireland

Summary

UPDATE: David Fallon Agencies is up and running nicely with a Stable of Great brands populated by great people to work with! Focus is on quality and longevity, all my brands offer something more for the retailer, and for the end consumer. I'm proud to be associated with every one of them.

Business is developing well despite a long suffering economy in Ireland. I believe the tried and tested values of these brands and the willingness they have to come to the fore when times are hard is testament to why they work and in fact grow and develop new business even faster in times such as these.

Now for the next step.....

Previous: European Brand Manager for Caterpillar, Dr. Martens and Hi-Tec Workwear. I have designed for all three brands from concept products and range development through to Marketing, targeting of effective sales channels for differing brand levels, management of import and export of Inventory from factory to retailer floor and creative pricing composure. Management of global sourcing providers and design team along with approval processes with licensors. Oversight and directed the implementation of e-commerce activities and systems improvement. Full responsibility for merchandising of product and development of cohesive marketing communication at all levels.

Specialties: Sales Management, Creative Business Consolidation, Workwear Design and specification, Marketing Briefs. Channel Identification, Inventory Management. Brand architecture! Marketing concept formation and execution. Distribution Network development and augmentation. Change Management.

Experience

Native Woodland Co-op Ltd
Co-Founder, Chairperson
October 2020 - Present (3 months)
Ireland

I am Co-Founder of the Native Woodland Co-op Ltd. and currently working as Chair with our Board of Management to develop projects, business models and strategy for prospective shareholders in the area of sustainable Forest Management and Land Development. Our Board and prospective Members require an ecological and sustainable business model, with an environmentally friendly ethos for our land management and business strategy. We wish to align ourselves with best practice, latest science and be a brave contributor in the area of agricultural management and land ownership for the future. We hope to contribute to the arenas of carbon sequestration, local connection to land publicly and through employment, while aligning to natural principles and global best practice. How do we do it? "We plant trees."

David Fallon Agencies

A Report on Promotional Session on Higher Education in USA on 21st Feb, 2019.

The following persons visited Geethanjali and addressed the 3 & 4 th year students:

1. Dr. Rolfe Sassenfeld, Associate Professor, Electronics & Computer Engg. Technology, New Mexico State University, USA
2. Prof. Manoj Sukla, Plant and Environmental Engineering, New Mexico State University, USA
3. Dr. Kumar Annavarapu, Coordinator- India, New Mexico State University, USA
4. Mr. Nageswara Rao, Director, Indo American Student Council,

Dr. kumar Annavarpu was a journalist by profession and researched on Education at US Universities and Funding for Higher Education prospects. He Briefed the students about the current environment of Higher education at USA after Flemington University episode. He informed the students about the importance of GRE & TOEFL exams and their essential score for the scope of chances for funding universities.

Dr. Rolfe Sassenfeld Assoc. Prof. encouraged students for higher education at USA by briefing on the prospects of building a challenging career.

Mr. Sukla, informed the students about the Terms & Conditions, Rules & Regulations of H1 visa and other aspects of necessary information for MS at USA.

The programme was held for 45 minutes and the students had a very informative session by these visitors.

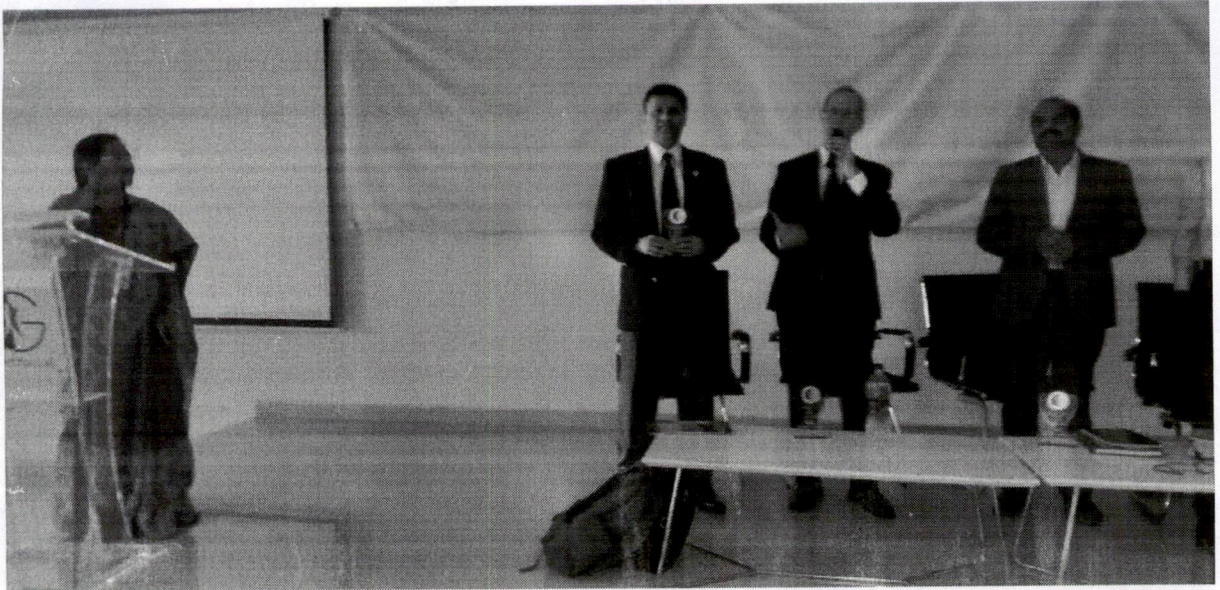

The CACG members thank Principal and Chairman for all the support.

3. UG Fellowship

Dr.Sandip Inamdar and Dr.Janhavi Inamdar, Vice president and Director of Vishwaniketan, Mumbai had an interaction with about 100 students of all branches of engineering and MBA. They introduced the Problem Based Learning (PBL) to students. The importance of learning by doing was reiterated and they encouraged students to practice PBL in their courses. He introduced the UG fellowship program which enables the students to do internship in universities abroad. They conducted an extensive interview process to select students for the program(17-19 December 2019). In early February (4February 2020) Dr.Inamdar interacted with students of all branches to enforce the importance of PBL.

Approval

S. K. K. 05/12

Dear Sir,

This letter is to seek your approval to extend an invitation to Dr.Sandeep Inamdar and Dr.Jahnavi Inamdar the Vice chancellor and Director of Vishwaniketan, Mumbai. They will enlighten our students about UG fellowships facilitated by them to pursue projects abroad. I want to send a circular to the students of all departments through the Career Guidance Cell to give details about this fellowship. Our cell will identify interested students for the same and encourage them to attend this session.

Both of them have also agreed to give an introduction about PBL to the faculty and give them an outlook about what Vishwaniketan is doing in this aspect. This visit is being arranged on 17th December 2019.

Thanking you,

Yours Sincerely,

Madhuri

(Dr.B.Madhuri)

OFFICE OF THE PRINCIPAL

CIRCULAR

Students are hereby informed that Vishwaniketan, Mumbai is facilitating internship for engineering students to pursue projects abroad with hands-on. In this regard there will be an orientation on 17th December 2019 (time will be intimated later) by Dr.Sandeep Inamdar, VC, Vishwaniketan and Dr.Janhavi Inamdar, Director Vishwaniketan. The fellowship details are enclosed in this circular. This is open to students of all years and branches. All interested students please give your names to class teachers and/or career guidance counselors (names below) in each department. They can also talk to the guidance counselors to get additional information. The last date for giving names is 13 December 2019. Please use this opportunity to explore new avenues abroad.

Details about the Internship:

Project based international summer internship program(UG fellowship) offered by CGC, Denmark.

Students studying engineering, architecture, design and management can have opportunity to work on future technology, design, architecture, business modeling projects, with professors in universities from Europe, USA.(900+students benefited so far). Objective is to take students from conventional theoretical education system to Project Based Learning (PBL) to start ups/better employment/Masters abroad. See more details on www.vishwaniketan.edu.in and You tube... vishwaniketan ug fellowship.

This opportunity is available to students from first to third year of engineering, design, architecture and first year of management.

Period of fellowship: 15th June to 30th July.

Total cost : 1.41 lakhs to 2.88 lakhs depending on University. See table in the ppt.

This includes: Tuition fees, airfare, insurance, Visa fees, airport transfer, accommodation for 6 weeks, food (partially)

Excludes:

1. Sightseeing if students wish.
2. Local transportation

Career guidance counselors of each department:

- 1.Ms.A.Srilakshmi and Ms.P.Haritha –CSE department
2. Dr.S.Spandana and Ms.S.Krishnapriya –ECE
3. Mr.V.Abdul Rafi – Civil
4. Dr.B.Madhuri and Mr.N.V.Bharadwaj – EEE

RESUME

(Dr. Sandeep S. Inamdar is bachelor in Electrical Engineering, obtained Masters degree in Electrical control systems. He completed his Doctoral programme from National Institute of Industrial Engineering (NITIE) in Electrical Distribution System Efficiency Improvement.)

(He has total 32 years of experience in education, out of which 20+ years he has been leading different academic campuses in the capacity of Director / Principal) & has worked with more than 40,000 students. (He was Senate Member of University of Pune, member of board of management, board of Research of Guru Gobind Singh Indraprastha University, New Delhi. He was expert member of Department of Science & Technology Committee of Government of India for the scheme of 'Rajat Jayanti Vigyan Sancharak Fellowship'.)

(He has participated in three European Union Projects (under Erasmus Mundus programs), which provided 42 fellowships to Indian scholars at the level of Masters, Ph. D., Post Ph. D. (Grants more than 25cr). He is trustee of the first Indian Standardization Body of India titled 'Global ICT Standardization Forum for India "GISFI" (www.gisfi.org.in). He has worked as Director CTIF-India for last 10 years. More than 70 teachers in India have completed their PhD studies abroad under the CGC – VISHWANIKETAN network, which also has created 900+ fellowships for under Graduate students for PBL training in Universities in Europe, USA & Russia.)

He has organized more than 30 International Workshops and conferences including Kadiloscope, an International Telecom Union event. He has worked on number of Industry collaborations successfully like IBM Centre of excellence, Reliance man power development programme, Zensar campus connect etc. and the internal revenue generation has reached more than Rs.8 crores.

He has travelled extensively in more than 28 countries and delivered talks in Universities abroad. **He has deeply studied education systems of developed countries and is strongly convinced that Indian education has to be transformed from theoretical (question-answer-marks cycle) to problem & project based learning (PBL). He has given counselling to more than 60,000 students for career guidance all across India. His counselling gives the student, insight on long term career planning, focus, willingness to work, ethics and Technical/Life skill development.**

X (He is currently Trustee and Vice-President of Vishwaniketan) (www.vishwaniketan.edu.in), an institute created by him and his friends from industry and academia for giving world class learning experience to Indian Students. Vishwaniketan has initiated a campus on 18 Acres of land close to Navi Mumbai on Mumbai – Pune Expressway, where "Centre of Excellence" has been developed for Project Based Learning, with focus on product development based research, Technology commercialisation, business modelling and start-ups.) Vishwaniketan runs an Engineering College, Architecture College affiliated to Mumbai University and design school with Teesside University UK.

CTIP Global
handbook
mail

- Taken extensive training of 15 days from TTTI Bhopal on the subject of Education technology 'Innovations in teaching'.
- Arranged a workshop on Curriculum workshop on 'Fluid Mechanics in Curriculum of Civil Engineering'.
- Attended a workshop on 'Built Environment' in Cusrow Wadia Institute of Technology, Pune.
- Attended and organised National Conference on 'Information Security' arranged by Bharati Vidyapeeth's College of Engineering, New Delhi.
- Attended National Conference on 'Innovative Approaches in the Management of Environment' arranged by Delhi College of Engineering in Sept. 2004.
- Three days workshop on "How to transact?" by Cora Menezes , transactional analysis speaker.
- Organised Seminar on "Encounter the leader within" by Tejgyan Foundation on 8th April 2005.
- Attended a Workshop on "Environmental Justice for Technical Institutions" at Delhi College of Engineering on 19th Jan 2006
- Attended International Conference on 4G, organized by Aalborg University, Denmark at India habitat Center, Delhi.
- Organization of various faculty development programmes on education technology, transactional analysis, team building, etc.
- Participated in one day workshop on 'Computational fluid Dynamics-research and Industrial applications', Organised jointly by Maharashtra Academy Of Engineering Alandi and Zeus Numerix, Mumbai
- Attended National conference on 'Solar flat plate collectors' arranged by Pune University in July 2006.

G. Academic Contribution :

- Involved in teaching and laboratory Development of various subjects like Applied Mechanics, Soil Mechanics, Fluid Mechanics, Engineering Drawing, Surveying in Pune, Mumbai and Indraprastha Universities.
- In charge of Examination Section in Mumbai University and Indraprastha University in Delhi.
- Staff In charge of various co-curricular and extra curricular activities like student forums, annual social gatherings, faculty development programmes, farewell function etc.
- Involved in Curriculum Development of Applied Mechanics in Indraprastha University as Co-coordinator of the Subject.
- Worked as Cap Director of Central Assessment Programmes for evaluation of papers in Mumbai (1997, 1998).
- Involved in preparation of Performance Appraisal for accreditation of college by AICTE in BVCOE New Delhi.

RESUME

A. Personal Information :

- Name : Dr. Inamdar Janhavi Sandeep
- Ph no : 9987899586, 7722062553
- Email : janhavi3127@rediffmail.com
- Designation : Director and Professor in Civil engineering, Vishwaniketan's iMEET, Khalapur, Dist: Raigad, Maharashtra
- Address : B-52, Sector 12, Kharghar, Navi Mumbai
- Date of Birth : 27th March, 1965

B. Educational Qualification :

B. E. (Civil Engineering). 1987

M. E. (Civil) Town and Country Planning. 1992

Ph. D. (Civil & Environmental Engg) 2008 from Delhi College of Engineering.

Title of the thesis: "Investigations on Solar Detoxification for Industrial Effluent Treatment Systems".

C. Experience : Total teaching Experience of 28 years

Administration experience: 2 years as Vice Principal and

4 years as Principal, SKN Sinhgad Institute of Technology and science

Approved Professor and Approved Principal at University of Pune

D. Research and Development Projects:

A. European Union Project:

R & D Project sanctioned by European Union to BVCOE, New Delhi under Asia Link Programme. Visited Aalborg University Denmark for attending meeting with other partners Brunel University, U.K., Hunan University, China.

Title: "A multidisciplinary approach to curriculum development in sustainable built environment".

Grant Cost: Rs.42 Lakhs Duration: 3 years

Co-principal investigator in the above project with Prof. N. D. Kaushika as PI.

B. Key Role in establishment of 'School of Research and Development for Multi-disciplinary engineering sciences' in BVCOE, New Delhi and publication of biannual journal titled "Journal of Multidisciplinary Engineering Technologies" since January, 2005.

PRINCIPAL
Geethapali College of Engg. and Tech.
Cheerayal (V), Keesara (M), Medchal Dist.(T.S.)-501 301.

C. Received one month fellowship in **Project Based Learning in Aalborg University, Denmark** through Erasmus Mundus program of European Commission in the month of May 2010.

D. Offered Consultancy to Kirloskar Consultants for various State Govt. Projects in the field of Soil Testing during 1990 – 1995.

E. Technical Papers :-

1. Janhavi Inamdar, S. K. Singh (2008), "Photocatalytic Detoxification method for Zero Effluent Discharge in Dairy Industry: Effect of operational parameters", *International Journal of Chemical and Biomolecular Engineering*, Vol. 1, No.4 160-164.
2. Janhavi Inamdar, S.K.Singh, "Techno-Economic analysis of Zero Effluent Discharge by use of Solar Detoxification at household level", *International Journal of Natural Sciences and Engineering*, Vol. 1, No. 4. pp.208-21
3. Janhavi Inamdar, Singh S. K., "Treatment of Industrial Effluents by Solar Detoxification", *Journal of Acta Ecologica*, Vol 6, No-2, Dec-2004.
4. Research paper titled "Zero Effluent Discharge by use of Solar Detoxification at household level" presented as oral presentation at International Conference International Congress of chemistry and Environment 2008 (ICER 2008) at BITS Goa Campus, on 18-20 Dec 2008.
5. Research paper titled "Photocatalytic Degradation and Recycling of wastewater for Paper & Pulp Industry with the help of TiO₂ photocatalyst" presented as oral presentation at International Conference on Changing Environmental Trends and sustainable Development 2009 (CETAS-2009) at Guru Jambheshwar University of Science & Technology, Hisar, on February 9-11, 2009.
6. Janhavi Inamdar, S. K. Singh, "Solar Energy Aided Treatment of Waste Water", Proceedings of National Conference on 'Scientific Solutions for Waste Management & Pollution Control' at Samrat Ashok Technological Institute, Vidisha (MP) on 4th October 2004, pp105-108.
7. Janhavi Inamdar, S. K. Singh, "Waste water disinfection and recycling at house hold level using solar detoxification" Proceedings of the 1st National Conference on Advances in Energy Research at IIT Mumbai on 4th and 5th Dec 2006, pp.201-204 .
8. Article entitled 'Waste Water Disinfection and Recycling at Household Level Using Solar Detoxification' accepted for publishing in an Icfai's professional Reference book: "Wastewater Recycling and Reuse". Date of publication: March 2009.

Interaction Session with Faculty and Students is scheduled as per the following details.

Date : 07.01.2020

Time : 1.00 pm for Faculty and 2.00 pm for CSE, ECE and EEE –
II& III Students

Venue : IT Seminar Hall Block – I

Topic : Faculty : “ **How Faculty canp be Innovative and
Creative**”
Students: “ **Motivation for Higher Studies** “

Resource Person : Dr. B.Vijay Kumar

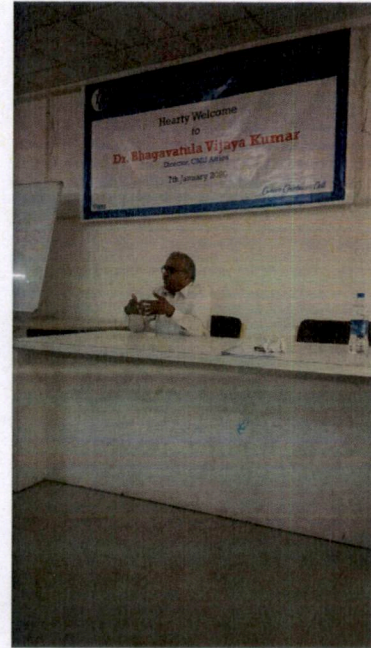

PRINCIPAL

To: Deans / HODs
AO/Website Coordinator

To be removed from notice boards after 07.01.2020

4. Interaction with Dr. Vijayakumar Bhagavatula

Dr. Vijayakumar is a Professor in Carnegie Mellon University, USA and Director of CMU-Africa. He interacted with students to encourage them to take up projects with societal influence and learn new topics (7th January 2020). He encouraged the students with his own personal experiences and introduced them to new topics and current projects he students were working on. The students enquired regarding MS opportunities and new working areas.

VIJAYAKUMAR BHAGAVATULA

Vijayakumar ("Kumar") Bhagavatula is the Director of Carnegie Mellon University Africa in Kigali, Rwanda since January 2018 and the U.A. & Helen Whitaker Professor of Electrical and Computer Engineering at Carnegie Mellon University (CMU). Prior to coming to Rwanda, Prof. Kumar was the Associate Dean as well as the interim Dean for the College of Engineering at CMU, Pittsburgh, USA.

Prof. Kumar has made pioneering research contributions to computer vision and pattern recognition methods, with applications in biometric recognition and autonomous driving. He has received many research awards including the 2008 Outstanding Faculty Research Award from the College of Engineering at CMU. His publications include a book, 24 book chapters, more than 400 conference papers and 210 journal papers. He is a co-inventor of 15 patents, some of which have been licensed to companies. Prof. Kumar is a co-founder of 3 startup companies and has served on many conference program committees and journal editorial boards. Of all his accomplishments, Kumar is most proud of advising 51 Ph.D. students to graduation. In recognition of his technical and professional contributions, he has been elected as a Fellow of Optical Society of America (OSA), SPIE (International Society for Optical Engineering), IEEE (Institute of Electrical and Electronics Engineering), IAPR (International association of Pattern Recognition), NAI (National Academy of Inventors) and AAAS (American Association for Advancement of Science).

1. Webinar on Career opportunities for study Abroad Aspirants

Maanya Education Princeton Review in association with Geethanjali College of Engineering and Technology organized an online orientation event on 'Career opportunities for study abroad aspirants' by Ms. Shabnum Banu who is the National Admissions manager of Maanya Education Princeton Review. The event was held in online mode on 22.12.2020 from 2pm to 3pm. The event was intended for all the students of the college. About 135 students joined the session.

She oriented the students about the difference in study in India and study abroad. In India the competition to get into good colleges is high. The overall experience in terms of campus life, exposure, lucrative job opportunities are some of the key points highlighted by her. Then she went to differentiate public and private universities. In public universities more services, research, lower tuition and funding are the salient features, but in private universities smaller classes, more personalized attention, scholarships and greater funding opportunities are prevalent.

She then elaborated the opportunities available in US and European countries. In UK and Australia there are one year master level programs available whereas in other countries like USA, Canada and Singapore master programs are for 2 years. The main factors for selecting a good school are curriculum, faculty, research, rankings and placements, cost and location. She also introduced the mentor profiles who will enable students to get easy access to all the information elaborated above. Their counselling and admission is a complete package from start to finish where she mentioned that the personnel from their organization will give good hand holding for the students. The students had a good interaction with Ms. Shabnum.

NATIONAL ADMISSION HEAD - SALES @ MANYA PRINCETON REVIEW

Andhra Pradesh

Summary

innovative Marketing and Sales Professional with fast-track over 11 years of experience with a strong combination of creative and analytical capabilities of B2B and B2C experience.

Strong client Engagements. Service and Repetitive business growth. Experience with involving interactions with company owners and top management decision makers

Sales and Marketing is my key success to the growth of the organization and in team with a diverse background in sales, marketing and management in conjunction with my education and extensive marketing expertise.

Adapt at creating and implementing innovative marketing campaigns to increase revenues.

Interview all potential employees. Schedule staffs .evaluate performances and make recommendations for promotions.

Able to establish a team- spirited environment through a positive and proactive leadership style.

As I am fully open to travel extensively have more exposure towards interacting with numerous educational divisions and public relations by holding seminars in universities and actively supported in organizing public fairs in various cities in India.

2. Webinar on National Innovation and start-up Policy

The CACG in association with the Innovation Cell of GCET organised a webinar by Dr.V.Kaushik, CEO of VIBA on 18.1.2021 in online mode. About 200 students joined the session. He is a PhD from BITS-Pilani Hyderabad Campus. In his role in VIBA he is encouraging students to take up entrepreneurship and innovation activities.

In his talk on “National innovation and Start-up Policy” he elaborated the NESP guidelines and oriented students on policies and programs which help students to explore innovation activities. Aspiration is the key component. He gave guidelines to students on how to participate in hackathons.

Summary of Dr. M. K. Kaushik

- Ph.D. in Wireless communications from BITS Pilani, Hyderabad campus.
- 10 years of experience in Industry, Academia, Research and Startup Ecosystem.
- Have 23 International and National Conferences and Journals as publications.
- Two patents published
- Faculty lead in Quanser International project
- Mentored 5 Start-ups
- Organized 12 Hackathons, Ideathons, ESUMMIT's and Technology competitions.
- Have produced educational videos in subjects I Teach, Laboratories I handle and content useful for engineers on YouTube. (<https://www.youtube.com/channel/UCYXOX5wVTv6yUvBqSYtmbnw>)
- Delivered seminars and conducted workshops on various technology aspects in Electronics and communication domain.
- Designed online certification courses 'Entrepreneurship 101' and 'Technologies for future safe' in association with Edxenos. (<https://www.edxenos.com/course/entrepreneurship-101-by-dr-mk-kaushik/>) (<https://www.edxenos.com/course/technologies-you-must-know-to-be-future-safe/>)
- Encouraged students in many competitions and won awards.
- Member of IUCEE and Leading India.
- Awards won:
 1. Second prize in Research Methodology **during 5th** International Conference on Microelectronics, Circuits & Systems.
 2. Best Poster Award in EEE Doctoral Research Symposium 2018 held in BITS Pilani Hyderabad Campus.

3. Counselling Session on “Vishwa” International Internship program

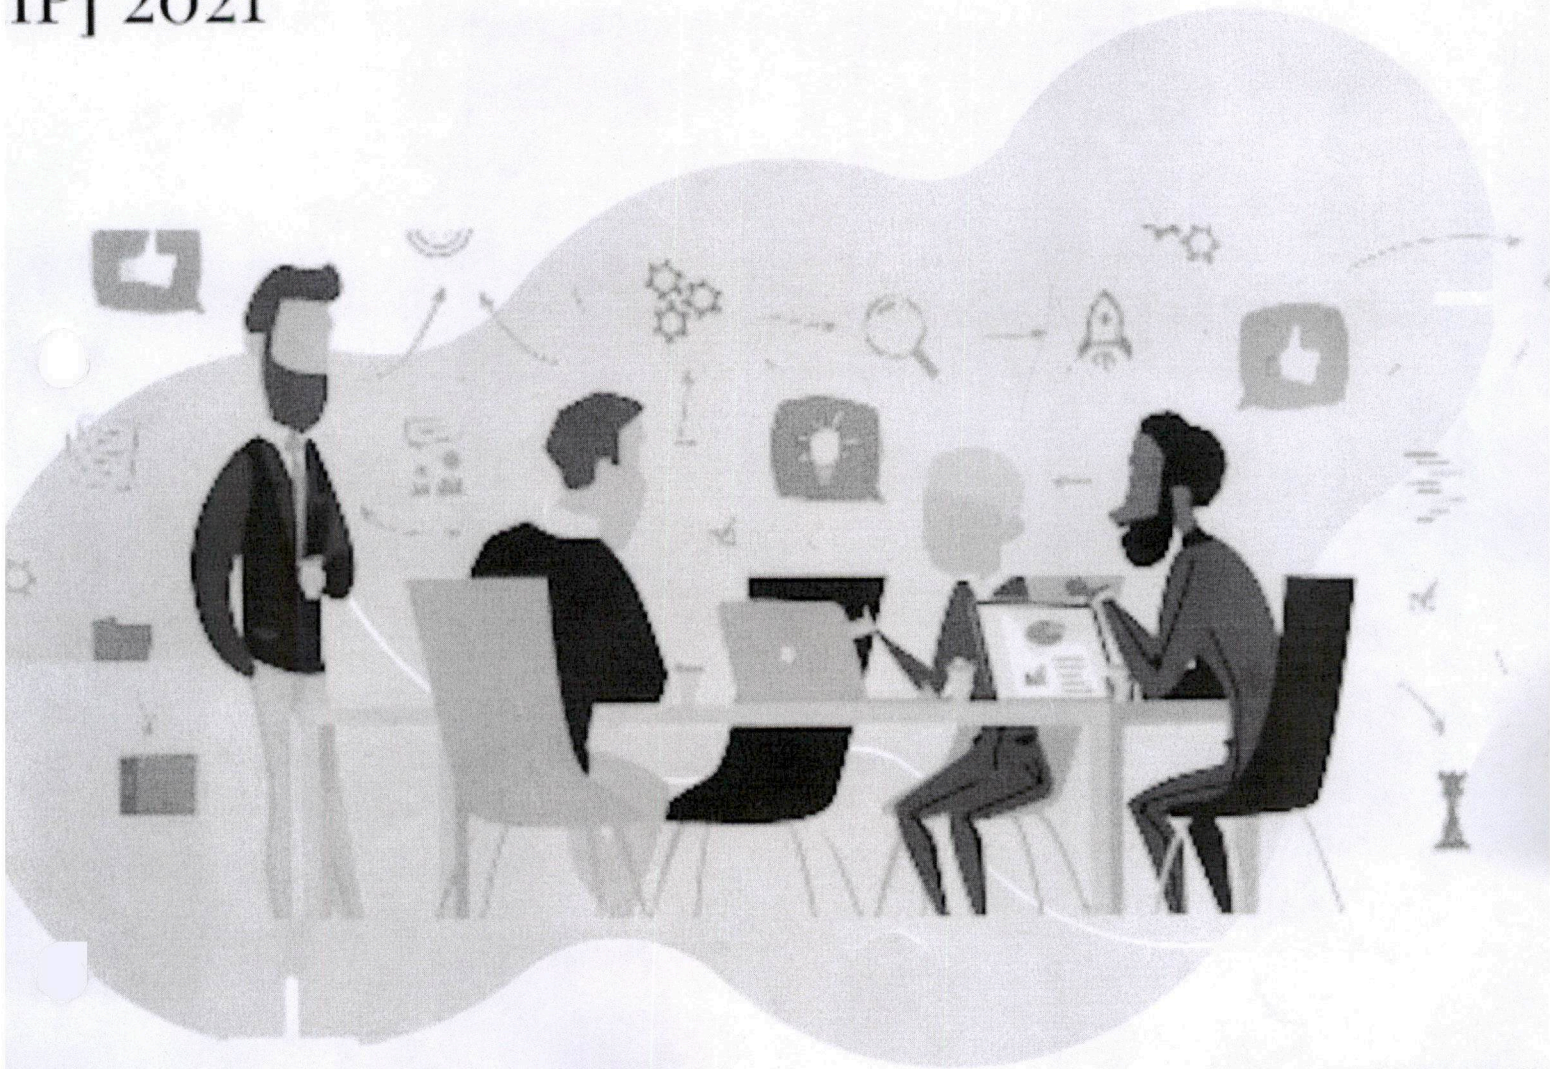

Vishwaniketan's Institute of Management Entrepreneurship and Engineering Technology, Maharashtra under the aegis of Dr.Sandeep Inamdar has introduced UG fellowship for encouraging students to take up international fellowship in foreign universities. The students would be doing a 6–8-week internship in foreign universities. This will give international exposure to students in terms of projects, environment and lifestyle. Dr.Inamdar gave an orientation inviting applications for UG fellowship. The event was conducted in online mode on 26 January 2021. About 88 students participated in the session. The pandemic has restricted the travel of students hence the internship would be conducted online during the summer break.

5. Webinar on 'Opportunities for Higher Studies, Research and Public sector initiatives for Engineering Students

ACE Engineering Academy trainer Mr.S.Mani Mohan Trinath had a session on 23rd April 2021 at 2pm with students orienting them about opportunities in the software and core sector. About 80 students attended the session. He also elaborated the opportunities available for higher studies in India and abroad. The ACE academy facilitates training for GATE and GRE. He also told the students about research opportunities in India.

The students are always of the view that job is the only option after undergrad. But he elaborated the opportunities available in India. A master's program with research is offered by the government labs like CSIR, DRDO, BARC. Qualifying in the GATE Exam is compulsory for the same. The cut-off marks in the GATE exam determines the admission into the relevant lab. When deciding to take up a job the choice is between product based company and service based company. The students were enlightened with career and educational opportunities in India.

Research

- CSIR**
JRF/GATE (A monthly stipend of Rs. 25000)
Integrated course (M.Tech+Ph.D) (A monthly stipend of Rs. 28000)
- DRDO**
JRF/GATE (A monthly stipend of Rs. 25000 +HRA)
- BARC**
Training in Nuclear Engineering and Technology
Orientation Course for Engg. Graduate & Science Post Graduates (OCES) (1 Yr)
(A monthly stipend of Rs. 35000)
DAE Graduate Fellowship Scheme (DGFS) (2 Yr) (A monthly stipend of Rs. 35000)
After training absorbed as scientific officers in various establishments

PRODUCT BASED COMPANY VS SERVICE BASED COMPANY

| <u>PRODUCT-BASED COMPANY</u> | <u>SERVICE-BASED COMPANY</u> |
|--|--|
| <p>These are the companies that have their own products to sell. Examples are Google, Alphabet, Facebook, Adobe, etc.</p> <p>These hire a very limited number of candidates from top colleges like IITs and NITs, and they generally don't conduct campus placements in tier 3 colleges.</p> <p>These provide high salaries and hike, also the salary is revised based on the cost of living.</p> <p>These conduct more interview rounds, cracking interviews is a bit difficult than Service-Based companies.</p> <p>The Learning curve is good, optimized, and efficient means are used. Also, you get to work on the latest technologies.</p> <p>Flexible office timings, all you need to do is finish your work in the given time frame.</p> | <p>These companies may or may not have their products, but their primary business is service. They work for other organizations or we can say they are clients of Product Based companies. Examples are Infosys, Wipro, TCS, Cognizant, etc.</p> <p>These are the mass-recruiters in campus placements.</p> <p>These provide comparatively less salary and hike.</p> <p>The Cracking interview is relatively easy and has few rounds.</p> <p>The learning curve is average. Generally, they put freshers into support projects where the chances are that one does not have the choice to select his/her domain.</p> <p>Strict office timings, around 7-9 working hours per day.</p> |

REC Masaoood YUNUS is presenting

How Do I Get Started ?

1. Identify a common problem that is universal
2. Establish hypothesis of "scaling opportunity"
3. Talk to SMEs and Leaders in the problem area
4. Test your hypothesis with "Product/Market Fit Approach"
5. Refine your understanding of common problem
6. Develop a prototype and test with a very small "addressable market"
7. Decide to scale or pivot or withdraw
