		by the modified sewing machine. The conveyor belt is driven/run by DC motor. Object sensor will be placed on a conveyor belt which detects the object is coming or not. By, using this technique the manual work is reduced and flower vendors utilize their time in other useful works also they can use this machine as a side business (if so, they are working in various field(s)).
5	.Description of the technology/management practices involved in innovative solution to achieve to given objective. (maximum 200 words)	Using Mechanical Parts and Process Automation Mechanical Parts: For Mechanism of the Machine and Outer Bodily Function. Process Automation: The machine must take and Knit/Stitch the Flowers Automatically via controllers and sensors.
6(a)	Target beneficiary group/ anticipated size of market for proposed solution/innovation (maximum 100 words)	Yes, the consumer market will be benefitted mainly as we are targeting that sector purposefully to meet the needs of their families on the daily basis due to Post Covid-19. By this product they can earn Money and Later-on profits which can help them to retrieve their family needs and current livelihood they have been working for during this Pandemic situation.
6(b)	(b)Expected outcomes/outputs(short term/medium term/long term)	This Machine will be Quicker than actual amount of work being dedicated by florist (flower makers). It can Generate a good revenue in the Market and also teaching some technological related stuff to the upcoming generations of Florists and providing good amount of Meagre income for their Family Members by Being Self-Employed. It can be especially used at the Temples, Malls, Flower markets, Supermarket, Churches, Dargahs...etc. And what makes it unique is that Any person from a different background(s) can use this machine to make a flow of income, for their daily family needs in Rural (or) Urban areas.
7	Brief description of implementation of delivery and business model/startup(if any) (maximum 100 words)	The product can be delivered to the customers by: 1)Online Delivery and 2) Directly to retailers (Shops, Malls. Etc.) Business Models are: 1) Advertisement-Based, 2) Awareness on all Social Media Platforms (YouTube ad, Snapchat, Instagram, Twitter. Etc.)
8	Description of support/ecosystem provided by/available at institute to facilitate the startup(if any- to be filled by mentor)(max 150 words)	The Geethanjali College of Engineering and Technology (GCET) has provided to the students with best faculty support, conducting some idea pitching conferences with Expert support so that students can get to know a overall review about their Idea(s). Providing Best laboratory models so they can understand and one can design their own model for that particular idea. Some scrap raw materials already have been given in the Workshop and one can use it again via taking help of the Lab assistants. Financial Assistance is also provided so that student can invest that idea for the future startups. Overall for this team we have chosen the best professor(s) who are qualified from IIT & highly knowledgeable in their respective fields and one can lead them for good opportunities. Also, here in south central the weather is pleasant and weather conditions being favorable at our area leaving students to think and apply for innovative ideas.
9	Highlight the Novelty of your idea provided.(max 100 words)	This Machine basically takes different types of flowers and knits them around their stem/stalk and it is applicable for every flower you put it in. Conclusively this is a type of machine neither Patented nor came with any Advancement. And what makes it unique is that Any person from different background(s) can use this machine to make a flow of income, for their daily family needs in Rural and Urban areas. This Machine will be strictly focusing on Efficiency, Time-Management, Eco-friendly, Adaptiveness and must be Cost-effective.

We are happy to announce the results of the **"GCET Coding Challenge 2021"** held on **14-04-2021**. The response we received for the same was extremely overwhelming and it was very difficult for us to choose the winners. But competition has no value without a winner, hence after a lot of brainstorming, anti-plagiarism check and the recommendations of the department committee, we have come up with three winners.

we are proud to announce the winners and also congratulate the participants. If your name is not listed as one of the winners do not get discouraged as there will be many more opportunities in the future. Such competitions are a stepping stone and each experience helps you to learn. Hence, a positive attitude is what makes you extraordinary.

Report on a quiz – "Mind Zone" Conducted from 4th April 2021 to 14th April 2021.

Objectives:

1. **To test students level of comprehension regarding electronics knowledge**
2. **To generate interest in students regarding electronics.**
3. **Continuous learning.**

Srujanastra Club of ECE Department in association with ISTE has organized an online quiz **"MIND ZONE"** from 4th April 2021 to 14th April 2021 for second year, and third year students. The main objective of this event is to generate interest in students for testing their technical knowledge in a very fun and enjoyable manner This event was coordinated by Mrs. G Sree Lakshmi and Mrs. M. Laxmi ,Assoc. Professors of ECE Dept. In this event, 78 students participated with enthusiasm.

.Date wise schedule is as listed below:

04/04/2021:	First round of mind zone was conducted .
09/04/2021:	Second round of mind zone was conducted.
14/04/2021:	Final round of mind zone was conducted.
	Winners and runners up of mind zone were declared

Details of each round:

First round: This round was a very basic entry level round and questions were based on different subjects of ECE curriculum.
Second round: This round was conducted to test the knowledge on different types of Arduino Boards and its compatible components.
Final round: This round was a Live quiz to test the participant's coding knowledge regarding Arduino. programming

K. Prerana from ECE-III C bearing Roll Number 18R11A04B1 won First prize.

Report on a quiz – "Mind Zone - 2"

Conducted from
6th May 2021 to 7th May 2021.

Objectives:

1. **To test students level of comprehension regarding electronics knowledge**
2. **To interest generate in students regarding electronics.**
3. **Continuous learning.**

Srujanastra Club of ECE in association with ISTE organized a **"MIND ZONE - 2"** on 6th May 2021 and 7th May 2021 for first year, second year, and third year students. The main objective of this event is to generate interest in students for testing their technical knowledge in a very fun and enjoyable manner This event was coordinated by Mrs. G Sree Lakshmi and Mrs. M. Laxmi ,Assoc. Professors of ECE Dept In this event, 69 students participated with enthusiasm. This event is a sequel of mind zone which was conducted from 4th April 2021 to 14th April 2021.

Date wise schedule is as listed below:

06/05/2021: First round of mind zone-2 was conducted online by Srujanastra club.
07/05/2021: Final round of mind zone-2 was conducted.
Winners and runners up of mind zone were declared

Details of each round:

First round: This round was a very basic entry level round, questions were based on different subjects of ECE curriculum, difficulty level of this round was easy.

Final round: This round was conducted to test the participant's coding knowledge regarding Arduino.

D. Anuhya from ECE-III C bearing Roll number 18R11A04A4 won First prize. Subramanya Pavan from ECE- III A bearing Roll Number 18R11A0402 and P. Bhavya from ECE-II A bearing Roll Number 19R11A0434 were declared as runners up.

The Faculty coordinators for this program, appreciated the efforts made by the students. The president and Vice President of the club informed to the gathering that the ECE Department is

SRUJANASTRA CLUB in association with IETE presents

Report on "PAPEER PRESENTATION COMPETITION"

OBJECTIVES:

- **The main objective of this event was to bring out and enhance presentation skills of students**
- **To facilitate students with knowledge along with their creative thinking.**
- **To visually represent their key points and research on technical topics**

Srujanastra Club organized an online "Paper Presentation Competition", an inter college event on 26th June 2021, in association with IETE Student Branch GCET. In this event total of 25 teams (34 individuals) participated with enthusiasm. Among those 20 teams **5 teams are from different colleges namely University of Rome Tor Vergata(Italy), SNIST(2), St.Martin's, IARE**

The main aim of this event is to bring out the presentation skills and manage presentations with team co-ordination in online platforms, and also to test their technical interests and interpretations in format of PowerPoint presentations

Judge panel Dr.P. Srihari Sir and Dr.R. Vijaya Durga Ma'am, judged the technical aspects considering equal weightage in Selection of Topic, Presentation skills & team work, Communication Skills, Time limit (5 minutes) followed by a Query Session(2minutes)

Considering the above criteria, the winners and runners are decided by the Judges. Winners are awarded 1000\- and Runners are awarded 500\- from IETE Student Branch GCET.

Winner for Paper Presentation Competition is **PREETHI SHARMA** from **SREENIDHI COLLEGE OF ENGINEERING AND TECHNOLOGY** bearing Roll Number 17311A12M2 for the paper titled "Voice Cloning".

Runner-up of Paper Presentation Competition is **K.RUKMINI, Y.SAKETH, K.VINEELA** from **GCET** bearing Roll Numbers 18R11A0427, 18R11A0446, 18R11A0425 respectively for the paper titled "Automated Fire Fighting Robot"

SRUJANASTRA CLUB in association with IETE presents

Report on "POSTER PRESENTATION COMPETITION"

OBJECTIVES:

- **The main objective of this event was to bring out and enhance poster presentation skills of students**
- **To facilitate students with knowledge along with their creative thinking.**
- **To visually represent their key points pictorically on technical topics**

Srujanastra Club had organized an online "Poster Presentation Competition", an inter college event on 27th June 2021, in association with IETE Student Branch GCET. In this event total of 25 teams participated with enthusiasm. Among those 25 teams 5 teams from different colleges participated

The main aim of this event is to bring out the presentation skills and explain pictorically using the designed posters in online platforms, and also to test their technical interests and creativity in designing posters

Judge panel Dr.P. Srihari and Dr.R. Vijaya Durga, judged the technical aspects considering equal weightage in Selection of Topic and Presentation skills. Time Limit of 2 minutes was given to the participants to express their views on their poster.

Considering the above criteria, the winners and runners are decided by the Judges. Winners are awarded 1000\- and Runners are awarded 500\- from IETE Student Branch GCET.

Winner for Poster Presentation Competition is P.**SAI PALLAVI** from **SREENIDHI COLLEGE OF ENGINEERING AND TECHNOLOGY** bearing Roll Number 19311A0562 for the poster titled "Cyber Crimes".

Geethanjali College of Engg. and Tech.
Cheeryal (V), Keesara (M), Medchal Dist. (T.S.)-501 301.

Runner-up of Paper Presentation Competition is **M.KEERTHANA** from **GCET** bearing Roll Number 18R11A0432 for the poster titled "Aerogels"
