Dear Prerana,

Thank you for sending the budget details. I looked over the information and **approved the support in the amount of US\$300**. Please let me know where to send the funds, such as the section account (no personal account).

As a reminder, you are expected to provide receipts in a timely fashion. For honorariums, please document the event name and date, recipient names, amount awarded to each individual, and member number. You can submit the expense information as the events happen or provide it in a batch, whatever works better for you is fine. Any continued funding for the following year will be contingent on the Student Branch Chapter having properly submitted receipts for the prior year.

Student Branch Chapters must also write a small summary of the event(s), so that it can be featured in the SPS Newsletter. Let me know if you have any further questions.

Regards,  
-Theresa

2. **WIC virtual colloquium**: This is an initiative focused to bring in Women Professionals & Volunteers from all walks of life on a platform & provide stage for guidance and orientation for Women in Computing Industry - Challenges, Opportunities etc.,
3. **Membership development activities** - broadly quizzes, contests attracting and focusing membership improvement which will be held periodically on occasions like IEEE day, etc.,
4. **Code for Good** - the annual flagship coding challenge that would be initiated from the chapter this year onwards.
5. A small amount of funding is kept aside for other miscellaneous activities that may be planned in due course of time.

*Due to the pandemic situations we are holding all our activities virtually following the directions of the IEEE CS GAC and the global & local health advisories.
