Please find the point wise replies to the Academic audit observations vis –a- vis Ratings in the below mentioned format.

S. No	Criterion	Compliance with Standard s/Norms	Remarks/Comments
1	Professional bodies of students	B+	Students are being explained the importance of becoming members of the professional bodies. Students have expressed interest to enroll membership in professional bodies.
2	Adjunct/Value added/ Enrichments courses	B+	Guest lecturers will be organized by experts from industry.
3	Industry institute interaction	B+	Industrialists are being invited to give lectures on Entrepreneurship. Discussions are also on to extend permissions for internships, mini projects and major projects.
4	R & D and Consultancy	B+	Faculty members are encouraged for taking up research works and consultancy services. Now they are exploring avenues to take up such works. Many faculty members are undergoing admission process for PhD in various universities.
5	Entrepreneurship Development	B+	An entrepreneurship development cell was started in the college and organizing expert talks by successful entrepreneurs. Students from the department will be encouraged to participate actively.
6	Industrial Visits	B+	Good numbers of industrial visits are being carried out regularly. However as per the suggestions made, from the next year onwards every effort will be made to.

It is assured that the necessary improvements will be brought into the system to comply with the prescribed standards / norms.

Action Taken Report (Department Level)

Date: 17/04/2017

The following is the Action Taken Report of the Academic Audit conducted for the year 2016 – 17

1. Students were addressed and encouraged to do more paper publications of the work related to their projects
2. Initiative is taken for the formation of student chapter of Institute of Engineers
3. Guest Lectures will be conducted for the difficult and new subjects of the curriculum
4. Seminars by core industry experts will be conducted in the next semester
5. Junior Faculty are encouraged to register for Ph.D
6. Faculty are also advised and encouraged to publish more number of papers
7. Students were encouraged to participate in NEN activities and also advised to use the incubation centre to their maximum extent.
8. Industries related to core knowledge like Hydro electric and Thermal power plants, Gas Insulated Sub-Stations, BHEL, etc., will be conducted in the upcoming academic year.

Respected Sir,

Sub-Submission of Action Taken Report-Reg

Ref-Internal academic audit report dated 28/04/2016

With the reference cited above, Department of ECE is planning to improve in the following areas:

1. IETE and IEEE coordinators are instructed to increase the enrollment of the memberships from the college. They are instructed to organize workshops for faculty/ student with professional bodies namely IETE, ISTE and IEEE.
2. Prof.K.Somasekhara Rao was identified as convener for Industry-Institute Interaction committee and was requested to interact with industries for internship as well as projects.
3. By conducting motivation lectures to encourage entrepreneurship.
4. Mr.M.C Raju was identified as incharge for Industrial visits and instructed to identify the local industries for students visit.

Academic and Administrative Audit Report - for

Ay: 16-17 Action Taken Report (ATR)

Members visited for Academic audit are

1. Prof K. Somasechar Rao
2. Mr. S.T. Rajamohan
3. Dr. Ch. Ramesh Babu.

Overall rating is 'good'

Criterion	Remarks by committee members	Action taken on the remark.
1. Laboratory work	B +	More Labs are to be introduced in future like BDA and BC
2. Professional body of students	B +	HMA membership to be introduced for the talent.
3. Value added Courses	B +	Enrichment courses need to be conducted.
4. R/D and Consulting	B +	Faculty need to concentrate on PhD admission & R and D work.
5. Industrial visits	B +	many industrial visits need to conduct in future after having interaction with industry.
