7. Proficiency Modules

These modules were taken up by in-house faculty of English, Soft Skills Trainers and faculty on Mathematics. Initial apprehensions and inhibitions that curb students' learning abilities were addressed. These sessions aimed at making the students realize their lacunae and provided adequate tips to overcome their lacunae. Applications and importance of Differentiation in Integration to engineering is explained.

Orientation Classes- Students' Self-assessment

CSE

1. **Dr. D. S. R Murthy**
Scads of students felt that they comprehended the topic in a very good manner. Majority of them evaluated their participation and relevance of the topic as good.
2. **Dr. T. Shiva Prasad**
There is a mixed response from the students. Majority of them felt that their comprehension of the topic was good. Few students perceived that they participated in the lecture both at very good and good level. None of the students felt that the topic was irrelevant.
3. **Prof. G. Karuna Kumari and Dr. B. Nagamani**
Large number of students assessed their comprehension as excellent. There is a mixed response to the questions related to participation and relevance of the topic. While majority of them perceived to participate in fairly good manner, the others felt that they participated in a good manner. Large number of students agreed that the topic was relevant.
4. **Dr. Y. Shiva Rama Prasad**
There is a mixed response in the students' self-assessment. They rated their comprehension skills as very good and their participation in the lecture as good and relevance of the topic is good.
5. **Prof. N. Ravi Shankar**
Majority of the students evaluated their comprehension in understanding the lecture as very good and their participatory nature as good and relevance of the topic as good.
6. **Ms. P. Mercy Kavitha**
Most of the students participated in the session and enjoyed.
7. **Mr. V. Madhusudan Rao**
Scads of students evaluated their comprehension of the topic is excellent, their participation in the lecture as good and relevance of the topic also as good.
8. **Dr. Udaya Kumar Susarla**
Large number of students participated in the session and assessed their comprehension skills as excellent and their participation in the lecture is good. They expressed their satisfaction that they learnt something from the session.
9. **Dr. A. Uma Devi**
Majority of the students understood the importance of the topic in the present learning atmosphere. They rated their comprehension levels as excellent.
10. **Prof. G. Karuna Kumar and Dr. B. Nagamani**
Large number of students understood the benefits of meditation. Students meditated for few minutes after the session.
11. **Prof. K. S. Rao**
Sizable number of students appraised that their comprehension of the topic is excellent. Majority felt that it was very good. Moving on to their participation in the lecture and relevance of the topic they rated themselves as good.
12. **Mr. Y. V. N. Phani Kishore**
Large number of students understood the benefits of innovation and creativity. Students participated in the session actively.
13. **Dr. A. Uma Devi**
Good number of students rated their understanding as excellent and their participation in the session as good.
14. **Mr. N. Chandrakanth**
Majority of the students understood the importance of the topic in the present learning atmosphere. They rated their comprehension levels as excellent.
15. **Ms. Veenu Jindal**
Majority of the students felt that their comprehension is very good and their participation and relevance of the topic as good.

16. Ms. Latha Suhasini

Majority of the students analyzed their understanding of the lecture as good and their participation as good.

17. Dr. Arpitha Velanky

Majority of the students participated in the session and enjoyed.

ECE

1. Mr. Abhay Joshi

Majority of the students comprehended the topic excellently. Large number of students also participated in the lecture excellently. Most of the students felt that the topic was relevant.

2. Ms. G. Harini

There is a good response from the students. Majority of them felt that they comprehended the topic excellently. Few students felt that they participated in the lecture both at very good and good level. Very few students felt that it was not relevant.

3. Dr. Udaya Kumar Susarla

Majority of the students evaluated their understanding of the lecture as excellent and their participation as very good.

4. Prof. B. Hari Kumar

Most of the students rated their understanding as very good and their participation as good.

5. Dr. Y. Shivarama Prasad

There is an excellent response in the students' self-assessment. They rated their comprehension skills very good and their participation in the lecture as good and relevance of the topic is good.

6. Dr. T. Shiva Prasad

There is a mixed response from the students. Majority of them felt that their comprehension of the topic was good. Few students perceived that they participated in the lecture both at very good and good level. None of the students felt that the topic was irrelevant.

7. Prof. K. S. Rao

Sizable number of students appraised that their comprehension of the topic is excellent. Majority felt that it was very good. Moving on to their participation in the lecture and relevance of the topic they rated themselves as good.

8. Prof. G. Karuna Kumar and Dr. B. Nagamani

Students participated in the activity with enthusiasm.

9. Ms. P. Mercy Kavitha

Most of the students participated in the session and enjoyed.

10. Prof. V. Vishvanatham

The students' rated their comprehension skills as very good and their participation in the lecture as good and relevance of the topic is good.

11. Dr. Swagata Ray

Scads of students evaluated their comprehension of the topic as very good, their participation in the lecture as good and relevance of the topic also as good.

12. Prof. Ravi Shankar

Majority of the students evaluated their comprehension in understanding the lecture as very good and their participatory nature as good and relevance of the topic as good.

13. Dr. B. Nagamani

Sizable number of students appraised that their comprehension of the topic is excellent. Majority felt that it was very good. Moving on to their participation in the lecture and relevance of the topic they rated themselves as good.

14. Ms. Veenu Jindal
