6. Diagnostic Test

These tests are conducted in English, Mathematics and Physics to know the knowledge level of the students in various concepts. Later proficiency modules were designed and conducted.

7. Proficiency Modules

These modules were taken up by in-house faculty of English, Soft Skills Trainers and faculty on Mathematics. Initial apprehensions and inhibitions that curb students' learning abilities were addressed. These sessions aimed at making the students realize their lacunae and provided adequate tips to overcome their lacunae. Applications and importance of Differentiation in Integration to engineering is explained.
