REPUBLIC DAY CELEBRATIONS

India marks January 26 as its Republic Day every year. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it as a republic.

Celebrating the 68th Republic Day on 26.01 2018, Geethanjali joined hands with entire nation to commemorate this day. The flag was hoisted with the Administrative Officer along with the support staff and bus drivers. This was followed by the National Anthem with everyone joining in with their voices.

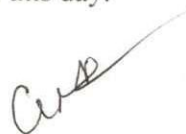

Outcome of the event:

The rich ideals of our Republic were cherished on this day.
