AUTONOMOUS
FINE ARTS AND CULTURAL CLUB
NATIONAL COMMEMORATIVE DAY
INDEPENDENCE DAY- REPORT**

On the night of August 15, 1947, the first Prime Minister of Independent India, Jawaharlal Nehru, said, "At the stroke of the midnight hour, when the world sleeps, India will awake to life and freedom." And since then, this day marks the commemoration of India's freedom from the clutches of the British Rule. To mark the significance of this day, on 15th August, 2019 Geethanjali College of Engineering and Technology celebrated 73 years of Independence.

The event started with the hoisting of the Indian flag commemorating the freedom struggles that have led us to this day. The Administrative Officer as well as the support staff and bus drivers participated in this hoisting enthusiastically, followed by the singing of the National Anthem.

OUTCOME OF THE EVENT:

- The event fostered a sense of patriotism.

Essay Writing Competition on the topic 'The Unsung Heroes of India'

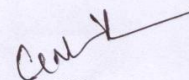

On 30/01/2020, the death anniversary of Mahatma Gandhi, it is observed as Martyr's day the Literary Club conducted an essay writing competition for 1st year B.Tech students on the topic 'The Unsung Heroes of India'. Total 34 students participated in this competition. The students wrote about the sacrifices given by freedom fighters and other people to gain independence from British rule. Their sacrifice had inspired many other young people to come forward and fight for their motherland. That is why to honour their sacrifice; the country observes Martyr's Day on 23rd March every year.

Essay Writing.

Topic: Unsung Heroes of India.

Whenever we recall the great history and challenging histories of India, we always say the names of Mahatma Gandhi, Pandit Jawaharlal Nehru etc.; they contributed a lot in the freedom struggle and got over it. It was all the effort of these heroes / ~~hero~~ women, today we are free and enjoying being an "Indian". When we speak about freedom struggle we do say that with the help of Mahatma Gandhi's principles or thinking of Nehru and action of Netaji and many deeds done by Babu Jagjeevan Ram, etc.; we got freedom. Question arises from where they got this motivation from? Yes, there comes the answer. They are the one who are not recognised.

The foundation of freedom was laid by the common people who were tired of all ill deeds done by Britishers, or any other rulers in India.

The inspiration was from writers, artists, actors. The influencing art made an impression on the people's and the majestic minds. The kind of painting they have done made people understand the situation that was going on. The pain, sadness and grief reflected in the common people. The motivational poems inspired to fight for freedom. From then the evolution of heroes started and the movement began. So we can clearly say that the artists, poets, painters, actors are also the unsung heroes of India. People like Kalaji, Jayashankar come under this artistic motivation.

When it comes to free India, we never speak of about the army who are at the borders and safeguarding us. The ~~total~~ recognition ~~is~~ given to them is not ~~the~~ enough. Everybody in India should recognise the effort border officials do ~~to~~ for us to have a great sleep. The border officials are also mostly unsung and unseen.

During freedom struggle or in free India the farmers play a vital role to make a country ~~live~~ nutritious. They please the hunger of the survivors of a country. Similarly, in India, farmers work day and night, ~~per~~ with lots of prayers that their yield should be good enough. The hardwork of farmers again depends on the nature & seasons. One crop loss ~~impact~~ would just cost us ~~per~~ penny more on the particular crop, but the farmer's life totally depends on the yield and if ~~or~~ one crop fails (yield)

he has a debt of ~~some~~ some ~~big~~ rupees which is really a nightmare to clear. By facing these many challenges, they do not fail in serving the country and hence they are also the unsung heroes of India. Farmers suicide has become a big hazard these days. We are losing the backbone of our country. It's our duty to protect them and provide them with some facilities.

Teachers are also the unsung heroes because they are not remembered mostly for our success ~~is~~. It is indeed their guidance, their directions and their lessons which will make a child mould ~~in~~ with great ethical values. Hence I would like to conclude that ~~the~~ development of a country is multi-disciplinary. It's ~~always~~ each and every aspect should be considered and appreciated.

REPUBLIC DAY

**GEETHANJALI COLLEGE OF ENGINEERING AND TECHNOLOGY UGC
AUTONOMOUS
FINE ARTS AND CULTURAL CLUB
REPUBLIC DAY CELEBRATIONS**

India marks January 26 as its Republic Day every year. In 2020, the country celebrated its 70th Republic Day. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it as a republic.

Celebrating the 70th Republic Day, Geethanjali joined hands with the entire nation to commemorate this day. The flag was hoisted with the Administrative Officer along with the support staff. This was followed by the National Anthem with everyone joining in with their voices.

OUTCOME OF THE EVENT:

The event fostered a sense of patriotism among the participants.

International Women's Day

Report

INTERNATIONAL WOMEN'S DAY.

Saroor Nagar, &

Indoor stadium.

Geethanjali college of Engineering & Technology

11.03.2020.

The purpose of the report is to consider gender uniformity, and its consequent impact upon increasing motivation and confidence of teenagers to female students as well as faculty members, and make appropriate recommendations for the consideration of upgrading women empowerment.

The authors of this report would like to thank all the members of the college management who for supporting us in every possible way. And we thank principal for giving us the opportunity to participate in the event organised by Rachakonda police commissionate. on the very prestigious international women's day celebrations. They provided us their valuable insights for protecting oneself from from unexpected situations and also this event helped us in gaining one's innate, confidence and build oneself strong to face the difficulties in the society. on the whole

PRINCIPAL

Geethanjali College of Engg. Tech.
Cheeraj (V), Keesara (M), R.R. Dist. (A.P.) - 501 301

On the whole it is evident that the event regarding international women's day would be highly beneficial in improving female students' insecurity feeling in the path of empowering. Self protection and, also its techniques and the valuable speech by central ministers enhanced one's capability to face any situation.

Thankyou.

National Science Day

Vaisheshika-2020 Report

Vaisheshika 2020- 'The Science Fest' was organized by Freshman Engineering Department of Geethanjali College of Engineering and Technology, Cheeryal on 12/3/2020 to commemorate Sir.C.V.Raman's contribution to the world of science.

In his inaugural address, Dr.Udaya Kumar Susarla, advised the students to adopt the principle of 'never give up' and work passionately. He also emphasized on the importance of science and scientific principles in the development various technologies.

Dr.G.Neeraja Rani, Professor of Physics, Head, Freshman Engineering Department congratulated the students for having scientific temper and motivated the students to provide scientific and technological solutions to the societal problems.

Chief Guest, Dr.B.V.R. Tata, Professor of Physics, University of Hyderabad in his address briefed about the research work of Noble Laureate Sir C.V.Raman and Applications of Raman Spectroscopy and evolution universe on the basis of big bang theory. He also stressed that no invention of science would be useful to human beings unless it is used rationally.

Students participated enthusiastically. Nearly 300 students participated in Working Model and Poster presentation competitions Some of their excellent contributions are "Automatic sustainable street light systems", Automatedburette, Facial Recognition,Bands Maker, Artificial Intelligence in agriculture etc.
