Green Campus Policy of Geethanjali

Geethanjali College of Engineering and Technology is an institute that emphasis on clean and green campus where ecological friendly practices and education combine to encourage sustainable and eco-friendly systems in the campus and beyond the campus. The green campus offers the organization a prospect to take the lead in redefining its green culture through promoting environmental ethics among faculty, staff and students.

Vision

The institute aims at creating eco-friendly clean and green campus by adopting, practicing and promoting environmentally friendly practices among faculty, staff and students to inculcate environmental consciousness among them .

Mission

The college is determined to curtail impact of harmful pollutants on environment thereby making Geethanjali a clean, green and environmentally sustainable campus.

Objectives:

- All the vehicles of college staff/ faculty members should be getting the emission certification before entering the vehicle in college campus.
- The college encourages the employees and students to use public transport, bicycles, etc. to reduce the emissions.
- All electricity use within the campus ensures the maximum utilisation of renewable energy.
- Geethanjali campus follows the Pedestrian-friendly pathways in all the buildings.
- The college continuously committed to work towards plastic-free campus
- To maintain green campus “Green Audit” is conducted regularly.
- Rain water harvesting is implemented in the campus.
- To maximize the use of ICT and minimize use of paper, computers are used in most of the college academic and administration work.
- To promote enhancement of green cover by landscaping with trees and plants
- To sensitize the students and staff regarding the use of pure drinking water, we have provided purified(RO)drinking water facilities in the campus
- To use ‘Use me’ Dry and wet Dustbins in the college campus to keep college campus clean.
- Energy efficiency and long term savings is facilitated by use of LED Bulbs and Tube lights
