INDEPENDENCE DAY CELEBRATIONS

On the night of August 15, 1947, the first Prime Minister of Independent India, **Jawaharlal Nehru**, said, "At the stroke of the midnight hour, when the world sleeps, India will awake to life and freedom." And since then, this day marks the commemoration of India's freedom from the clutches of the British Rule. To mark the significance of this day, on 15th August, 2016 Geethanjali College of Engineering and Technology celebrated 70 years of Independence on a patriotic note.

The event started with the hoisting of the Indian National flag commemorating the freedom struggles that have led us to this day. The members were dressed in tricolor theme with their heads raised high with pride as they watched the flag soar high in the sky. A soulful rendition of the National Anthem was followed after the hoisting.

REPUBLIC DAY CELEBRATIONS

Republic Day marks the adoption of the constitution of India and the transition of the country to a republic on January 26, 1950. And since that very day, in New Delhi, armed forces personnel march along the Rajpath, in an elaborate display of military might. The epic show on Rajpath eclipses everything else happening across the country on this auspicious day. On the 26th of January, 2017, Geethanjali celebrated the 67th Republic with rest of the nation. The day started with the hoisting of the flag by the Administrative Officer along with the support staff and the respective bus drivers. This was followed by the singing of the national anthem to commemorate this historic day in the history of India.
