INDEPENDENCE DAY CELEBRATIONS

The republic of India gained its independence from the rule of the British on 15 August 1947. Since then, every year, 15th August is celebrated as the Independence Day in India to commemorate its freedom from the 200-year-old British rule.

For India, 15th August is a day of her re-birth, a new start. At the midnight of 15 August 1947, the British rulers handed the country back to its Indian leaders, ending a remarkable struggle that lasted for years. It was 15 August 1947, the historic date, on which Jawaharlal Nehru unfolded the tricolour flag of the nation on the glorious Red Fort. The day is significant in the history of India as it brought an end to the British colonial rule in India.

Geethanjali comes together to celebrate the 72nd Independence Day on 15th August 2018. The flag hoisting was done with the Administrative Officer accompanied by the support staff and the bus drivers. With the Indian flag soaring high in the sky, the National Anthem was followed to commemorate the significance of the day.

Outcome of the event:

The event fostered a sense of patriotism among the participants.

REPUBLIC DAY CELEBRATIONS

Since 1950, every year January 26 is celebrated as Republic Day in India. It was on this day in 1950 that the Indian Constitution came into existence. An interesting point to note here is that, India got independence on August 15, 1947 from the British rule, which is celebrated as the Independence Day of India. However, it was on November 26, 1949 that Indian Constitution was first adopted. But the integration of this big nation and unifying the wide variety of cultural diversities was not done until January 26, 1950 i.e., when the Indian Constitution came into effect.

Geethanjali came together to celebrate the 69th Republic Day with pomp and joy on 26.01.2019. The Administrative Officer accompanied by the support staff and bus drivers initiated the hoisting of the tricolor.
