Report of

A webinar on “Innovations & Entrepreneurship among students community”

1. Need Analysis

Currently, higher education plays an important role in developing *Innovations & entrepreneurship* among students. As this is an additional requirement of 21st century students, academicians must understand its importance to guide them in that direction. Considering this as a part of curriculum teachers must involve and lead the students to develop their skills towards innovation and entrepreneurship. Based on the above, there is a need to understand the importance of Innovations & Entrepreneurship among students community. Hence, a webinar session is planned by Institute’s Innovation Council of Geethanjali College of Engineering and Technology in the month of March 2021.

2. Details of the webinar:

Title: *How to Manifest Innovation & Entrepreneurship Ecosystem in the Student Community and Protection of IP for Innovations*

Date: 26-03-2021 (Friday)

Time: 2:00 PM to 3:30 PM

Google Meet link: <https://meet.google.com/ava-yjsz-trf>

Resource Person: Dr. M. K. Kaushik, CEO-VIBA (Vaagdevi Incubation and Business Accelerator)

No. of Participants: 103

Target Audience: Participants from different departments joined the webinar session

The speaker focused on the following topics:

- Discussed about the innovations in India and the position of India in global ranking w.r.t. innovations and start-ups
- Discussed about aspiration of Indian innovations by 2024

Report on A Three Day Workshop on Design Thinking and Critical Thinking

28-02-2021 to 2-03-2021

Pre Workshop:

The idea of conducting a workshop to provide hands on experience to the students started on Jan 7th, 2021. The resource person was identified and after seeking the necessary approval from the college authorities, the dates of the workshop were fixed keeping in mind the availability of the resource person and our academic calendar.

Then after a series of discussions with the resource person over phone, we felt that providing self learning material to the students before attending the workshop will be advantageous, as the students can spend more time in working during the three days of workshop.

Later, 100 students were selected based on their enthusiasm to work on projects Principal and HoD, addressed all the selected students on 5th February, 2021 through an online meet from 6.15 p.m to 6.45 p.m.

Multidisciplinary teams consisting of 5 members in a team were formed and they were informed to browse various problem statements available on AICTE, UGC and other MNC websites. In addition, they were also advised to observe meticulously for identifying new problem statements.

The resource person, Dr.Bala Ramadurai, Professor at NPTEL, SIBM Pune shared 16 Youtube videos and three assignments for the students. To make this happen, the students were asked to join the Google Meet from 16th February to 20th, 2021 from 6.30 p.m to 7.45 p.m.

Students were given a week's time to discuss and identify problem statements. Teams 1 to 10 presented their problem statements on 22nd February, teams 11 to 20 presented their problem statements on 23rd February from 6.00 p.m to 8.30 p.m.

During the workshop:

All the students actively and enthusiastically participated in the workshop. The pre-learning sessions helped them to understand the concepts easily and facilitated more time to work on their problem statements and more time and opportunity to interact with the resource person. On the last day of the workshop many teams have either completed doing a website or half way through an app or made a prototype.

Mr. Santosh of Mechanical Engineering Department who was identified from the department has extended a lot of support and cooperation.

For the last question on any suggestions.....sample responses are given below:

- Nothing...but I was disappointed that we meet sir through virtual meeting...
- If it was a direct meet in the work shop it would be more nice
- No . Everything was good .
- It was an amazing workshop. Only problem : conducted during exam time.
- Improvement of intercom and wifi
- Need as much help as possible from faculty to develop our project
- Session was mind blowing
- Every inch was perfect but, offline would have been more fun.

Annual Report 2020-21

A. About IIC Institute

- Vision / Mission of IIC established at the Institute

The goal of establishing IIC at the college is to create an atmosphere for students and faculty to produce, grow and commercialize the ideas of creative students through appropriate training, mentoring and technology. Forming a multi-sector, diverse team that can use a wide variety of instruments and methodologies such as design thinking, solution for concept management, open innovation, crowd sourcing and human centric design to help the community ideate, guide discussions, prototypes and solutions and create employment creators

- Journey of IIC established at the Institute

<p>Established IIC at the college in the year 2018-19</p> <p>– Not ranking in NIRF, ARIIA in 18-19</p>	
<p>Conducted 36 Hr Hackathon for the first time following IIC calendar of activities</p>

Circular

12th Jan 2021

AICTE is conducting a nationwide Hackathon related to 'toys'.

Prizes worth 50 Lakhs are up for grabs! Prizes are ready to be claimed!!

There are three tracks under which an individual can submit the idea for a toy.

As a student of Higher Educational Institution a student can team up with others and form a team of minimum three and maximum six and must have a mentor.

Toys should focus the Indian heritage/culture/ethos/promote vedic math/help physically challenged/support Missions like swatch bharath, BetiBachao-Padhao/Climate Change'Digital India.

What does a student need to do ?

Team up with a minimum of three or a maximum of 6 and identify a mentor

Team lead has to Register at <https://toycathon.mic.gov.in/>

Submit idea in the .PPT format available in the website.

Last date to submit the idea: 20th Jan 2021, but earlier you submit an idea the better will be the chances as the ideas coming at a later stage may seem to be cliché/stereotype.

Some of the ideas/tips:

- A pre-programmed 'Robotic toy' for teaching BharathNatyam/Kuchipudi/Karate...this is for the kids to gain some interest in those dances at early age so that he/she shows interest to learn them at a later stage : Disciplines needed: Mechanical, Electronics, Electrical, an individual with a knowledge of these dances/karate.
- Students are advised to speak to their grandparents about cultural games and observe the kids in the neighborhood to see what is binding his/her attention in a 'toy'.

Template of the ppt:

Slide1: Title of the Idea

Slide 2: About the idea

Slide 3: Create the toy story

Slide 4: Some creativity included in the toy

Subject: Request to consider Geethanjali College of Engineering and Technology, Hyderabad as a Nodal Center – TOYCATHON.

Greetings from Geethanjali College of Engineering and Technology!

We are an Autonomous Institution recognized by AICTE with NAAC "A" grade and all the programs (except Civil Engineering) are NBA accredited.

We are glad to let you know that AICTE-SCO has teamed up with us and organized Chhatra Vishwakarma regional convention on 13th Dec 2019 (Enclosure 1,2).. We are associated with JHub JNTUH and have an Institution Innovation Council (IIC) as per ministry of Education and organized 36 Hr Nationwide Hackathon in 2018, 2019 and 2020 respectively.

This letter is to express our willingness and preparedness to host the TOYCATHON 2021 as we possess and can offer all the facilities as mentioned by MIC in the email dated 10th Jan 2021.

Sincerely,

Principal

- **Eight evaluators for physical Hackathon and eight evaluators for digital hackathon – with different backgrounds (eg. Alumni/industry/academia) have to be identified.** Evaluators for both categories shall be trained to have uniformity in evaluation.
- Two separate sets of trainings for the evaluators (each of 5-7 days) will be scheduled for Digital and Physical Hackathons.
- The team identified for 'Physical Hackathon' – must come to college during the event but can attend the training sessions online.
- The team identified for 'Digital Hackathon' need NOT come to college but have to attend the training sessions and cater to the needs of the participating teams through online mode.
- **The volunteering teams will have to identify the requirements of each team – The team lead's phone numbers are shared by AICTE.**
- If costly equipment it is not available – procurement on 'Rental basis' is suggested rather than buying/procuring them.
- Procurement is recommended through GeM portal (Government e - Market place).
- **Will have to identify - Chief Guest for the prize distribution function – 26th June (most likely).**
- Institute can advertise that it is partnering with Government of India to organize ToyHackathon – Advertisement templates shall be shared shortly.
- **Institute has to raise funds for hospitality of mentors/evaluators (boarding and lodging)**
- Food expenses shall be reimbursed neither for the students nor for the mentors/organizers.
- **There shall be a live interaction of Honorable Prime Minister with students during 22-24 June. Institute has to make video conferencing arrangements for this purpose without any glitches.**
- **For conducting the Physical Hackathon: Sanitizers, packed food etc., have to be planned by the institute.**
- For conducting Physical Hackathon: Institute can plan a budget in the range of RS.2.5L to Rs.3.5L. An advance of Rs.2L – Rs.2.5L may be released to the institute. Finer details will be given by the Director, finance in a separate session (with all dos and don'ts)

Key Leverage for the Institute from the conduct of the Hackathon:

1. **College logo and name will be placed on AICTE web page that mentions the partnership for Toyathon.**
2. **College can issue a Press Release (PR) about the above partnership.**
3. **College can conduct a separate function by inviting a chief guest etc., and create public awareness**
4. **College can raise funds for hospitality through sponsors**

Another training session was held a week later on

To summarize some of the important points that were discussed yesterday:

- Assigning evaluators who also act as mentors in the morning session shall be done by MIC. We may nominate a few evaluators and they may be assigned to a different NC.
- Attendance format - for the participating teams will be shared by MIC.
- We may prepare to have a 'dry run' with the teams before the actual date.
- Main role of the NC is to coordinate the students to be on-board of the communication/video communication tool when the mentors/evaluators are scheduled for evaluation or mentoring.
 - For an NC with fifteen teams, approximately five-six volunteers are needed to call the team leaders and ensure that they are 'on-boarded' depending the number of evaluator panels assigned to each NC.
 - All members must be present for a demo of the tool on Tuesday 15th Jun 2021.
 - Verify the team's school issued ID cards or government issued ID cards
 - Monitor the channel, if there is any communication happening between the teams (we cannot monitor their coding) between each mentoring/evaluation session.
- Logging through Mobile is not supported yet. Either a laptop/computer. Minimum requirements/specifications of the computer shall be shared by MIC soon.
- Video recording shall be done team wise during mentoring/evaluation.
- Links of youtube for valedictory/Inaugural sessions shall have to be posted in the dashboard by the SPOC of the NC.
- NCs may get sponsorships and hence may encourage participating teams with goodies.
- Nobody can recast the interaction with the Prime Minister.
- **'Prize money' and 'three winners per NC' – Need a bit more clarity on that.**

*Action items are highlighted in bold.

Roles and responsibilities to host toycathon was shared by AICTE, which is attached as the appendix

Training sessions for the participants which was scheduled and conducted by AICTE, is circulated among not only among participants but also for the entire GCET

CHEERYAL (V), KEESARA (M), MedchalDIST-501301, Telangana

Marketing Feasibility:

As the fake news is spreading rapidly, many of them are introducing certain kind of softwares to detect them and control them. So, our project will have demand in the market.

Financial Viability:

Free of cost as all the softwares are freely available.

Project scalability:

It can be upgraded to an web application and also for App.

social cost benefit analysis:

It is benefited to all users who uses the social media for updates.

Other Remarks:

CHEERYAL (V), KEESARA (M), MedchalDIST-501301, Telangana

Marketing Feasibility:

Through playstore it will be available in the market.

Financial Viability:

It is cost effective.

Developed using free softwares and open libraries.

Project scalability:

Done with Back-end procedure. Can be modified into a mobile application.

social cost benefit analysis:

Installation can be done ~~over~~ from playstore.

Other Remarks: Our project is ready only with initial level where emotion is recognised on CPU. Now the upgradation is to make it a interactive system feasible on mobile device too. Which would suggest playlist and quotes according to mood (emotion) detected by recognition.

Title - idea

Identification of medicinal plants based on their leaves using image processing.

Novelty of the idea:

(Patent/market/Literature search)

We plan to make it much more efficient than the existing ones. We intend to make it atleast 90% efficient.

Technical Feasibility:

To develop a system which is capable of identifying the plant using the images of the leaf, using OpenCV. The image is identified using different features of a leaf like rectangularity, circularity, etc so that we can identify a particular set of data to identify it.

Title - idea Human gestures and voice ~~control~~ based video player.
 Computer Commands using HG, VC → [What App]

Novelty of the idea: :- It is all about making our hand while video getting played, we can operate using our hand, operations include - forwarding, backwarding, volume up and volume down. Instead of using remote control, we use our hand to operate the video. This is advance version of it,

Technical Feasibility: without our touch on the gadget or screen, we are able to do operations freely using our hand. This is more flexible than using any remote control device to operate.

Hydroponics - (Static cultivation)

PRINCIPAL

Geethanjali College of Engg. Tech.
Cheeryal (V), Keesara (M), R.R. Dist. (A.P.) - 501 301

Novelty of the idea:

(Patent/market/Literature search)

It is a way of cultivation using water and nutrients without soil. There are very few companies in India who cultivate and sell kits

Technical Feasibility:

Easy farming and gives high yield
produces a lot more yield and different
crops can be cultivated. The crop is given
in very less time with equal and
higher production rate

Title - idea KNOW YOUR CROP MOBILE APPLICATION

To develop an application to detect the crop diseases and display the causes, symptoms and precautions to be taken to the user.

Novelty of the idea:

(Patent/market/Literature search)

Helps the farmers to detect the condition of the crop at an early stage and quickly and also enhance the quality of the crop w.r.t the weather, soil and several other conditions. Also give the precautions to be taken and also

Technical Feasibility: the solution to solve the issues.

- User Friendly application.
- Inbuilt camera
- Able to upload the images from their smartphones.
- User friendly widgets.

The first council meeting of Institution's Innovation Council (IIC), Geethanjali College of Engineering and Technology was called by IIC President Dr. Udaya Kumar Susarla to discuss upon the formulation and function of IIC & shared roles and responsibility among newly joined council members as per the guidelines of MHRD's Innovation cell.

The council members met and discussed about the objective of IIC, type of activities (IIC calendar and Self-Driven), features of IIC portal for monthly report submission mechanism.

The council members also discussed about collaborations with organizations to accelerate the activities of IIC. The council also deliberated on quarterly action plan in synchronisation with activities and initiatives of other departments, centers and facilities in the Institute working towards promoting IPR, Innovation and Start up.

Minutes of the meeting of the IIC council at Geethanjali College of Engineering held on 19th Nov 2020

- Convener Dr. Anil Puppala has welcomed the new members: faculty & students, inducted into the council.
- Importance of the activities that the council has to take up within the guidelines of National Innovation and startup policy (NISP) has been ascertained by the principal Dr. Uday Kumar Susarla, which would lead to improvement of the intellectual property of not only the institution but also in nation building. It also helps in ARIIA ranking and IIC star rating of the institutions.
- Dr. Rajesh Srivastava observed that the council had professors and students as members and so opined that Assistant professors across all departments have to be included. Convener will look into the possibility after checking with the Heads of individual departments.
- The role of the student members was explained by the principal. They will not only spread the word but also act as ambassadors of innovation within the campus.
- Individual responsibilities of the council members were assigned and roles were explained.

Objective: To strive for a better ranking for our Geethanjali College of Engineering and Technology. Data submission and work in teams stands key to the research and innovation.

Outcome: The inputs of some of the panelists viz.,

Dr. K.K. Agarwal – Chairman of NBA board of accreditation

Dr. V. RamaGopal Rao – IIT Delhi

Dr. Raj Kumar

Dr. Ashwin Fernandes

Dr. Radha Krishna - ISRO

Mr. Yash Raj Bharadwaj

Mr. Deepak Bagla

Dear Madam,

Thank you so much for your help in arranging the workshop. I am aware that such a workshop of such scale requires many people - Principal Sir, other faculty, staff and of course, our students. I thank each one of them for their support.

On another note, yes, the account details are correct.

Thanks and have a nice day!

Geethanjali College of Engineering and Technology
UGC Autonomous
Centre for Soft Skills Development, Department of Freshman Engineering
Report on A Three Day Workshop on Design Thinking and Critical Thinking
28-02-2021 to 2-03-2021

Pre Workshop:

The idea of conducting a workshop to provide hands on experience to the students started on Jan 7th, 2021. The resource person was identified and after seeking the necessary approval from the college authorities, the dates of the workshop were fixed keeping in mind the availability of the resource person and our academic calendar.

Then after a series of discussions with the resource person over phone, we felt that providing self learning material to the students before attending the workshop will be advantageous, as the students can spend more time in working during the three days of workshop.

Later, 100 students were selected based on their enthusiasm to work on projects Principal and HoD, addressed all the selected students on 5th February, 2021 through an online meet from 6.15 p.m to 6.45 p.m.

Multidisciplinary teams consisting of 5 members in a team were formed and they were informed to browse various problem statements available on AICTE, UGC and other MNC websites. In addition, they were also advised to observe meticulously for identifying new problem statements.

The resource person, Dr.Bala Ramadurai, Professor at NPTEL, SIBM Pune shared 16 Youtube videos and three assignments for the students. To make this happen, the students were asked to join the Google Meet from 16th February to 20th, 2021 from 6.30 p.m to 7.45 p.m.

Students were given a week's time to discuss and identify problem statements. Teams 1 to 10 presented their problem statements on 22nd February, teams 11 to 20 presented their problem statements on 23rd February from 6.00 p.m to 8.30 p.m.

During the workshop:

All the students actively and enthusiastically participated in the workshop. The pre-learning sessions helped them to understand the concepts easily and facilitated more time to work on their problem statements and more time and opportunity to interact with the resource person. On the last day of the workshop many teams have either completed doing a website or half way through an app or made a prototype.

Mr. Santosh of Mechanical Engineering Department who was identified from the department has extended a lot of support and cooperation.

PRINCIPAL
Geethanjali College of Engg. and Tech.
Cheeryal (V), Keesara (M), Medchal Dist.(T.S.)-501 301

Post Workshop:

After the Semester end examinations, students should be motivated to complete the projects they have taken up or select another problem statement. Weekly progress of the work has to be monitored. In case, the students ask for any help in emerging technologies, mentors should be identified to support the students.

Outcomes of the workshop:

Team 18-Techie Tribes Blending gaming and academics. Worked on the app taking Physics concept.

Team 3: Suggested the students to start working on the app (TOME- A very large book)

Team 15: Prototype was made based on their problem statement.

We thank the Management and Principal for granting permission for conducting this workshop. Our thanks are due to the convener of the workshop Dr.G.Neeraja Rani, HoD- Freshman Engineering and Convener of the workshop for being a constant support and for her valuable pieces of advice in planning and executing.

Feedback: On the last day of the workshop an online feedback was taken. Majority of the students gave either 4 or 5 for the resource person's passion and enthusiasm in dealing with the concepts. Almost all the students agreed that real time examples were given. Participants agreed that the resource person delivered the content clearly. **For the question, After attending the workshop, I learnt..... sample responses are given below:**

- A lot and I increased my ability to work with team
- How to work in a team and what design thinking is
- This workshop was very insightful and made absolute sense in terms of the problem statement their s application. I am thankful for having the opportunity to attend.”
- Questions are important than solutions to it
- How to solve problems , time management , working with many people
- How to be a Design Thinker and Work on a Project
- How to solve problems using Triz analysis
- How to interact with new people around me and to work as a team, and to solve some basic problems
- How to innovate ideas.
- Time management, to not over think, team spirit and adjusting in the environment.
- How to think differently
- How to empathize ,analyse,solve and test a problem
- I learnt how to approach a problem and solve it. I also learnt how to work in a team .
- What all steps to be followed before trying to create an app
- How to solve a problem
- Awareness on different problems faced all over.
- I wish to have this kind of workshops more and more

For the last question on any suggestions.....sample responses are given below:

- Nothing...but I was disappointed that we meet sir through virtual meeting...
- If it was a direct meet in the work shop it would be more nice
- No . Everything was good .
- It was an amazing workshop. Only problem : conducted during exam time.
- Improvement of intercom and wifi
- Need as much help as possible from faculty to develop our project
- Session was mind blowing
- Every inch was perfect but, offline would have been more fun.

Report of

A webinar on “Innovations & Entrepreneurship among students community”

1. Need Analysis

Currently, higher education plays an important role in developing *Innovations & entrepreneurship* among students. As this is an additional requirement of 21st century students, academicians must understand its importance to guide them in that direction. Considering this as a part of curriculum teachers must involve and lead the students to develop their skills towards innovation and entrepreneurship. Based on the above, there is a need to understand the importance of Innovations & Entrepreneurship among students community. Hence, a webinar session is planned by Institute’s Innovation Council of Geethanjali College of Engineering and Technology in the month of March 2021.

2. Details of the webinar:

Title: *How to Manifest Innovation & Entrepreneurship Ecosystem in the Student Community and Protection of IP for Innovations*

Date: 26-03-2021 (Friday)

Time: 2:00 PM to 3:30 PM

Resource Person: Dr. M. K. Kaushik, CEO-VIBA (Vaagdevi Incubation and Business Accelerator)

No. of Participants: 103

Target Audience: Participants from different departments joined the webinar session

The speaker focused on the following topics:

- Discussed about the innovations in India and the position of India in global ranking w.r.t. innovations and start-ups
- Discussed about aspiration of Indian innovations by 2024

Session on: Why IP is important in Academia?

26th April 2021

(MIC driven activity)

As Geethanjali College of Engineering and technology and all other colleges in Telangana were under lockdown, information about this was passed on to students and faculty. Several faculty took the session at their convenient time on different days from their home/office and sent us the pictures. Also, after the college has opened, it was ensured that the same is played/disseminated in the classroom as well.

Objective: Number of IPs that were filed from the college stands at a very dismal number. Hence to improve the same, IP literacy/awareness session was telecasted and taken to students and faculty.

Outcome: A lot of awareness about intellectual property was born/created among the student community.

They expressed wonder about the IP born in the campuses across the Globe and the quality of the companies that were born in the campus.

Total number of students: 270

Faculty attended till date: 13

- Any subjective words like *"thin"*, *"strong"*, *"a major part"*, *"such as"*, *"when required"* or *"any"* should be avoided.
- A claim usually consists of three parts :
 1. Preamble or Introductory phrase
 2. Transitional Phrase
 3. Body of the claim
- Ex: "A tool for opening metal containers, the tool comprising a spindle split throughout its length....."

Dear Sir,

Greetings.

Geethanjali College of Engineering and Technology, Hyderabad, wholeheartedly appreciate your efforts in delivering an excellent webinar (Demystifying IPR) for our faculty members and students on Feb 12, 2021.

It gives us immense pleasure to share with you that, the response and the feedback was overwhelming. Many of the participants appreciated the ease by which you could reach the different levels of audience. Some of them have expressed their interest in attending similar programs from you, in future with more time duration.

There were about 135-140 participants for the webinar, which included faculty members and students. We believe that the webinar ignited the special interest among the participants towards Intellectual Property Rights.

We look forward to more programs on IPR from you in the near future.

Thanks and Regards

Respected Sir,

Sub: Proposal to conduct Webinar on IPR in the month of Feb. 2021 from IQAC - Req.

This is to bring to your kind notice that we need to organize a seminar/workshop on Intellectual Property Rights as per NAAC guidelines (B.3.3.1 in AQAR). In view of this the IQAC would like to organize a webinar on "Intellectual Property Rights" in collaboration with Department of Management Studies in February 2021. We shall be using our college Google Meet application for this webinar.

Hence, we request you to kindly approve the same, so that we can speak to the Resource person for mutually convenient date.

Thanking you Sir,

Webinar on IPR "Demystifying IPR"

By Mr.G.Sravan Kumar, on 12-Feb-2021

Report

IQAC in collaboration with Department of Management Studies organised a webinar titled "Demystifying IPR" on 12th February 2021 for faculty members and students of GCET. Resource person for the webinar was Mr.G.Sravan Kumar, Patent Attorney and Consultant.

Webinar started at 7 pm as per the schedule on google meet platform. Head of the Department -MBA, Dr.J.Pardha Saradhi and the webinar coordinator Mr.Sai Kishore V., welcomed the guest, faculty members and students. IQAC coordinator Dr.B.Leelaram Prakash had highlighted the importance of the topic for the webinar. Mrs.Lavanya had introduced the speaker to the audience.

Mr.Sravan Kumar, the resource person for the webinar started his presentation with the introduction and growing importance of Intellectual Property Rights. He further elaborated on power of IPR, Trade marks, Trade secrets and Copy rights. He had given an overview of Indian patent offices and its locations. He explained about different types of patent applications and its timelines.

Participants actively involved in the webinar with their queries during Q&A session and appreciated the presentation. Overall feedback given by the participants was excellent.

There were around 136 participants in the webinar, including faculty members (42) and the students (94).

Webinar ended with a summary by Mrs.B.P.S.Jyothi followed by vote of thanks by Dr.B.Leeram Prakash, IQAC coordinator.

Report on Prototype Validation and Converting Prototype to a Startup.

A Three Day Workshop on Design Thinking and Critical Thinking was organized for the students of GCET from 28th February to 2nd March, 2021. From then, students continued to consolidate the project work under the continuous monitoring and supervision by the undersigned. The necessary support from the college was provided till the completion of the projects. An exhibition on 6th and 7th July followed by a session on prototype validation and converting prototype to a Startup was conducted on 24-07-2021.

Mr.Y.V.N.Phani Kishore, Team Lead ACCELQ Software Solutions, IIC council, Dr. Radhika judged the projects and the session/lecture to convert the prototypes to a StartUp was delivered by Mr. Y.V.N. Phani Kishore

Total Number of students participated: 62

Subject: Requesting to provide Fund for our Major Project –“Smart Electric Motorcycle”

Respected Sir,

We, the students of EEE-4A are working on the Major Project – “Smart Electric Motorcycle”. The Total Cost of the E-Motorcycle calculates to Rs.57,000. We can fund up to Rs.13,000. Requesting you to provide funds for the rest of the amount for the project.

The Cost of the Components are Given Below:

Name of the Component	Price
1. Li-Ion Battery 60V,24Ah	Rs.28,000/-
2. 1.5Kw BLDC Motor	Rs.13,000/-
3. Motor Cycle	Rs.8,000/-
4. Fabrication	Rs.5,000/-
5. Smart Kit	Rs.3,000/-
TOTAL COST	Rs.57,000/-
GROUP FUND AVAILABLE	Rs.13,000/-
REQUIRED AMOUNT	Rs.44,000/-

Hoping that you will provide the fund for the rest of the project.

Thank You for your consideration.

Subject - A request to fund our project-AUTOMATED TITRATOR

Respected Sir,

This is to inform you that we dealing with a project since several months and we have spent around **Rs.14,000/-** . To complete our model and make it patent ready we additionally require components which cost around **Rs. 18,860/-** which makes a grand total of **Rs.32,860/-**

We would be grateful if you could fund the whole project. We assure you that we will utilize the maximum time of this pandemic and make sure is patent ready within a month. Please do the needful and oblige.

The list of additional components required is mentioned below.

S.No	Component	Quantity	Price	Total
1.	Burette stand	2	900/-	1800/-
2.	Burette clamps	2	300/-	600/-
3.	Glass flask(250ml)	1	400/-	400/-

Cheeraj (V), Keeravani (M), R.R. Dist, (A.P.) - 501 307

Prior to this, we have submitted a document on 7th September 2020, where we have mentioned the amount we spent i.e. 13,750/- and a rough estimate of Rs.18,860/- to finish the whole project which indeed makes a grand total of 32,860/-

Whilst pursuing our project, there were few changes and we needed to add some extra components as well.

- Firstly, the **TB6600** color sensor gives accurate reading when the surrounding is dark. For this we 3D printed a black box of dimensions 14cm x14cm x11cm and kept it hollow so that burette can be kept inside it.
- Secondly, the stepper motor which we mentioned is small so we needed to replace it with a bigger one (**NEMA- 23/30kg**)
- Finally, we had to include a power supply to Motor as well as the color sensor.

Considering these, the budget exceeded by Rs.7162/- . The cost of each is mentioned below

S.No	Product	Estimated cost	Actual cost
1.	Black box	0/-	5605/-
2.	Stepper Motor(Nema-23)	540/-	3000/-
3.	Magnetic stirrer	8000/-	7729/-
4.	Burettes (Borosilicate)	1700/-	1273/-
5.	Burette Stand	1800/-	1003/-
6.	Fischer Clamps	600/-	212/-
7.	Conical flask	400/-	141/-
8.	TB6600 Module	0/-	826/-
9.	Mechanical work	3500/-	2000/-
10.	Power supply	1350/-	649/-

Here, there is a difference between the actual amount and estimated amount. We have included additional components and eliminated a few. The actual prices of some products is quite less than expected.

Sub: Request funds for project work

Respected Sir,

We A. Sri Charan and team from the Civil Engineering Department, willing to go ahead on a project work on red mud utilization in the production of insulation bricks under the guidance of Dr. Harsha Praneeth, Associate Professor. The project we are in pursuit has enormous scope for publication or patenting. Hence, we request the administration to give an initial funding of Rs. 20,000 for the procurement of red mud and phosphogypsum material and basic investigations. This project would last for 2 years and a team from 3rd is already formed to take up this research further, after the initial studies by our team. We promise the funds will be spent honestly and the documents will be submitted on time.

Thanking You, sir.

Dear Innovation Ambassador,

We have been reached you all multiple times over email, SMS and other possible modes to enable you to bring into the Innovation Ambassador Portal designed for IAs to register and undertake the prescribed activities voluntarily to promote Innovation, Entrepreneurship and IP within and outside the institute, offer mentoring support to early stage innovation and startups, and drive the I&E activities at your IIC Institute.

It is noticed that, still you have not registered in the IA portal nor nomination to undergo IA advance level training. In this case, let us inform you that registration in IA portal, nominations for participating in the advanced level training, and conduct of prescribed activities are mandatory requirements to retain the IA tag. Upon failing to do so during the IIC3.0 calendar period (before 31st July 2021) then the Innovation Ambassador tag will be withdrawn and unable to carry forward the IA tag to IIC4.0.

Therefore, complete your registration latest by **15th June 2021** (extended) and nominate your participation in the advanced level IA training (will be conducted online from mid of June to mid of July) and conduct prescribed activities and submission of reports before 31st July 2021 (IIC3.0). The best performing IAs will be recognized along with the best performing IIC institutions.

Link to Register in IA portal : <https://ia.mic.gov.in/ambassador/sign-up>

Nominations for Basic & Advanced: Login into the IIC Portal- <https://iic.mic.gov.in/login>

Ignore if you have already Registered & Nominated

For any query, please contact Mr. Udyan Maurya at 01129581240 or write at startupfellow3@aicte-india.org

Thanks & regards.

Dear Mr. Viiveck Verma Ji

Thank you for coming over to Geethanjali college this morning and speaking to our students on (the need for) Social Entrepreneurship and 'being the change', instead of the 'so what' attitude. It was very enlightening!

Thank You also for stopping by to see one of our projects which was taken up as a startup company by our faculty.

Please find attached the video related to the same.

We shall be thankful if you could direct us and help us convert this to make a minimum viable product from the prototype that is built. As mentioned, a business model was also built around the same and we submitted the same to the TSIC competition.

Thanking You

Anil

Telangana Assistive Technology Summit 2.0

AT Summit 2.0 is a redefined and revised approach towards celebrating International Day of Persons with Disabilities which is falling on December 3rd, 2021

Government of Telangana through Telangana State Innovation Cell (TSIC), Women & Child Development, and Welfare of Senior Citizens, will be acknowledging, and recognising Innovators and Entrepreneurs who have developed solutions in the space of Assistive Technology.

The program is divided into two parts:

- 1) Competition for College Students of Telangana
- 2) Showcase Opportunity for Assistive Technology Startups across India

Students from Telangana/Startups across India are allowed to submit the innovation under the below themes:

- 1) Visual Impairment
- 2) Development and Cognitive Disabilities
- 3) Locomotor Disability
- 4) Speech and Hearing Impairment
- 5) Senior Citizens

A kit to Automate a wheel chair for the physice

Name of your Innovation *

Describe your innovation in 100 words *

AN

The innovation (patent pending) is an electrical and electronic assembly to automate a wheel chair for physically handicapped. The design of the chair is made in such a way that it drives automatically to help differently abled people to move with ease, unlike the one with manual crutches. It is an assembly of electrical and electronic components where a frame of two rear wheels fitted to a shaft is used. The wheel movements are facilitated by a motor controlled by a microcontroller and joystick. Whenever the motor shaft rotates then the gear starts rotating and thus the wheels start moving. It can take a payload of hundred Kgs. As a kit it can be fitted to existing wheel chair making it low cost option.

4. DESCRIPTION:

FIELD OF INVENTION

The current invention is an electrical and electronic assembly to automate a wheel chair for physically handicapped. The design of the chair is made in such a way that it drives automatically to help differently abled people to move with ease unlike the one with manual crutches. It is an assembly of electrical and electronic components where a frame of two rear wheels fitted to a shaft is used. The wheel movements are facilitated by DC motors. Whenever the motor shaft rotates then the gear starts rotating and thus the wheels start moving. The electrical wheelchair has a potential of driving a pay load of hundred Kgs. and also designed with low cost which can be affordable by all. Significant research on the existing models and their modus operandi has led to useful insights for designing the current invention. It has micro controller, DC motor and battery based power supply along with an operating interface. It has a micro controller that plays crucial role in controlling the automatic wheel chair. It has pre-determined modus operandi that facilitates appropriate control of the invention. It has provision for two batteries of 12V, 7A. The micro controller has interface that controls two motor drivers. The motor drivers in turn interface with two motors. These are 24V DC motors configured with: Output: 250 Watt, RPM (after Reduction) – 300, Full load current – 13.4A, No load Current – 2.2A, Torque Constant – 8 N.m (80 kg-cm), Torque stall – 40 N.m (400 kg-cm), Sprocket: 9Tooth only fits #410 bicycle chains, for Chain Size: Pitch 0.5 inch, Roller Diameter 0.3 inch and Roller Width 0.16 inch. The stakeholders include differently abled people, charity organizations, governments, NGO organizations, wheel chair manufacturers, researchers and academia.

BACKGROUND OF THE INENTION

In spite of the recent innovations in the field of inventions for differently abled people, it is indispensable to consider improvements and also cost-effective approaches. Physically handicapped people cannot afford to have a wheel chair

3] Another object of the present invention to have support for appropriate configurations that are based on the insights made on the literature pertaining to existing models.

4] Another object of the present invention is to have a unique software developed using C++ to have an embedded module that is used to have controlling functionality. 5] Another important object of the present invention is to have a procedure that has provision to have smooth interface between the user and the automated wheel chair.

6] Another object of the present invention is to have an integration mechanism that seamlessly facilitates smooth functioning of the components involved in the system.

7] Yet another object of the present invention is to a cost effective and efficient solution to physically handicapped people to have an automated wheel chair that bestows plenty of benefits when compared with manual wheel chair.

STATEMENT OF THE INVENTION

The present invention titled “An Electrical and Electronic Assembly to Automate a Wheel Chair for Physically Handicapped” an electrical and electronic assembly to automate a wheel chair for physically handicapped. The design of the chair is made in such a way that it drives automatically to help differently abled people to move with ease unlike the one with manual crutches. It is an assembly of electrical and electronic components where a frame of two rear wheels fitted to a shaft is used. The components include Arduino UNO used as micro controller, 24V DC Motor, Batter 24V, 7 Amps Lead acid, Joystick for user interface, Motor drivers (BTS7960), Wheels, free wheel and final kit. The components used in the wheel chair are chosen based on the research carried out on the existing models. The components are chosen to make the wheel chair cost effective without compromising its intended functionality. The micro controller controls other

and their modus operandi has led to useful insights for designing the current invention. It has micro controller, DC motor and battery based power supply along with an operating interface. The current invention is illustrated with the help of many drawings given below.

DETAILED DESCRIPTION OF DRAWINGS

The current invention is an electrical and electronic assembly to automate a wheel chair for physically handicapped. The design of the chair is made in such a way that it drives automatically to help differently abled people to move with ease unlike the one with manual crutches. It is an assembly of electrical and electronic components where a frame of two rear wheels fitted to a shaft is used. The wheel movements are facilitated by DC motors. Significant research on the existing models and their modus operandi has led to useful insights for designing the current invention. It has micro controller, DC motor and battery based power supply along with an operating interface. The diagrams provided in the previous section are described in detail in this section.

Referring to Figure 1, it illustrates the block diagram of the current invention to have an automated wheel chair. It has a micro controller that plays crucial role in

Referring to Figure 4, it illustrates the physical appearance of the designed when chair. The physical appearance is found to have high quality equipment that facilitates a physically handicapped person to operate wheel chair for himself without external assistance. When compared with the state of the art chairs, it is designed to have better control over the chair, automated movement based on the user's friendly interface. It is based on the design principles that meet dual goals of the electric chair such that it is both cost effective and efficient in serving the differently abled persons.

Referring to Figure 5, it illustrates the stakeholders for which the current invention is beneficial. The stakeholders include differently abled people, charity organizations, governments, NGO organizations, wheel chair manufacturers, researchers and academia.

Sir,

As per our telecon, we are going ahead with formation of private limited companies. Our professional charges would be Rs.20,000/- per company, The expenditure for digital signatures, stamping and fee payable to ROC would be billed separately on actuals, this would be approximately Rs.5000/- per company.

Mr. Anil just now communicated that three companies need to be incorporated. We request you to kindly provide Rs.30,000/- as advance towards these works. The advance can be paid to

I request you to provide all the documents immediately. Initially the below mentioned details are needed and the detailed list will be shared very shortly.

1. proposed name of the company - Three - in the order of preference
2. Names of the proposed shareholders - Minimum two - it is desirable to maintain at two only at this point of time
3. Email id of the shareholders
4. Mobile number of the shareholders
5. Passport size photo of the shareholders
6. adhar card copy of the shareholders - front & back - must have complete date of birth and must be linked to mobile
7. PAN card copy of the shareholders

Sir,

We met Mr. Anil Puppala and had detailed discussion. The gist of the discussion is as follows:

Current Scenario

The Society currently has in house incubation centre through which the students are encouraged to take up projects. The promising and scalable projects are desired to be promoted further. Two such projects are identified and these need to be registered before 31st March also for listing under ARIAA scheme.

Guidance sought on new startup entities registration to be done under either of the following legal forms

1. MSME registered-Commercial Unit with GST no
2. Private Limited
3. Limited Liability Partnership (LLP)
4. One Person Company
5. Registered Partnership

Out of the above, the first one is sole proprietorship. Under this form only one Individual can be owner of the entity wherein the personal assets of the Individual will be exposed to all the risks as there will not be any differentiation made. Hence this form is not advisable

Second, third and fourth options are under the purview of Ministry of Corporate Affairs. All of these offer limited liability benefit. Amongst these, the second is advisable for the startup entity as multiple owners can be there as well as this is most preferred form by the investors either angel investors or Venture Capitalists. But these come with lot of compliances.

Fifth form is normal partnership firm which is governed by Registrar of Firms and not preferred by investors.

Proposed structure for arranging the funding for the startups:

The society being a non profitable entity itself, cannot fund the startups directly. It can rather float a non profitable organization, preferably a section 8 company to carry out these incubation activities. The objects and by-laws of the society need to be checked for this purpose.

The Section 8 company can then fund the startup and have a share in the ownership of the startup's. Once the startups have grown and get further funding, the section 8 company can go for exit route at proper price and the amounts earned can be further used for funding other startups

The desirable route and the stop gap arrangement to meet the deadline of 31st March for the proposed projects:

As stated above, the private limited company formation is only desirable as the students and faculties who are seriously working on the projects can be made owners. Besides the section 8 company can also hold a stake in it for supporting purposes and also to have control over them. As the section 8 company is not yet in existence, we can add this part later. This involves giving KYC documents, other papers to be arranged immediately to register them on the MCA portal as private limited company. We can definitely try to achieve this if proposed shareholders are identified, their KYC documents are provided to us by tom.

If the above is not feasible in such short span of time, as we are already on 18th March today, in order to meet the deadline of 31st, only for these two projects, we can apply only for GST registration (this would be option one in the above list) and then take MSME registration. Pl bear in mind that GST registration also takes around ten days of time from the time all the documents are provided and uploaded as Government has recently increased the window for processing by the department.

Therefore, it is requested to convey your decision for further course of action by us.

Role by Lakshmi Nallamilli & Co, Chartered Accountants

We are a group of six Chartered Accountants supported by other professionals and staff engaged in providing financial services. Our main office is located at Ameerpet and branch office is at Karimnagar. We can provide all the advisory services right from structuring to regular registration services. We can also help all the startup's in maintaining regular compliance with MCA, IT and GST departments by filing various returns. Further this CA's among us, are also registered valuers and are engaged conducting valuations for arranging funding from angel investors for promising and upcoming startup's. We also can help in arranging bank funding if needed.

I am herewith attaching profile of our firm for your ready reference. Also request you to let us know which registration to be initiated so that we send the documents required list and take it forward immediately from thereon.

(2) Unless the context otherwise requires, words or expressions contained in these regulations shall bear the same meaning as in the Act or any statutory modification thereof in force at the date at which these regulations become binding on the company.
			Share capital and variation of rights
<input type="checkbox"/>	<input type="checkbox"/>	II 1	Subject to the provisions of the Act and these Articles, the shares in the capital of the company shall be under the control of the Directors who may issue, allot or otherwise dispose of the same or any of them to such persons, in such proportion and on such terms and conditions and either at a premium or at par and at such time as they may from time to time think fit.
<input type="checkbox"/>	<input type="checkbox"/>	2	(i) Every person whose name is entered as a member in the register of members shall be entitled to receive within two months after incorporation, in case of subscribers to the memorandum or after allotment or within one month after the application for the registration of transfer or transmission or within such other period as the conditions of issue shall be provided,- (a) one certificate for all his shares without payment of any charges; or (b) several certificates, each for one or more of his shares, upon payment of twenty rupees for each certificate after the first. (ii) Every certificate shall be under the seal and shall specify the shares to which it relates and the amount paid-up thereon. (iii) In respect of any share or shares held jointly by several persons, the company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders
<input type="checkbox"/>	<input type="checkbox"/>	3	(i) If any share certificate be worn out, defaced, mutilated or torn or if there be no further space on the back for endorsement of transfer, then upon production and surrender thereof to the company, a new certificate may be issued in lieu thereof, and if any certificate is lost or destroyed then upon proof thereof to the satisfaction of the company and on execution of such indemnity as the company deem adequate, a new certificate in lieu thereof shall be given. Every certificate under this Article shall be issued on payment of twenty rupees for each certificate. (ii) The provisions of Articles (2) and (3) shall mutatis mutandis apply to debentures of the company.
<input type="checkbox"/>	<input type="checkbox"/>	4	Except as required by law, no person shall be recognised by the company as holding any share upon any trust, and the company shall not be bound by, or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share, or any interest in any fractional part of a share, or (except only as by these regulations or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.
<input type="checkbox"/>	<input type="checkbox"/>	5	(i) The company may exercise the powers of paying commissions conferred by sub-section (6) of section 40, provided that the rate per cent or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by that section and rules made thereunder. (ii) The rate or amount of the commission shall not exceed the rate or amount prescribed in rules made under sub-section (6) of section 40.

<input type="checkbox"/>	<input type="checkbox"/>	17	(i) Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these regulations, be deemed to be a call duly made and payable on the date on which by the terms of issue such sum becomes payable. (ii) In case of non-payment of such sum, all the relevant provisions of these regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
<input type="checkbox"/>	<input type="checkbox"/>	18	The Board- (a) may, if it thinks fit, receive from any member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him; and (b) upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate not exceeding, unless the company in general meeting shall otherwise direct, twelve per cent per annum, as may be agreed upon between the Board and the member paying the sum in advance.
			Transfer of shares
<input type="checkbox"/>	<input type="checkbox"/>	19	(i) The instrument of transfer of any share in the company shall be executed by or on behalf of both the transferor and transferee. (ii) The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.
<input type="checkbox"/>	<input type="checkbox"/>	20	The Board may, subject to the right of appeal conferred by section 58 decline to register- (a) the transfer of a share, not being a fully paid share, to a person of whom they do not approve; or (b) any transfer of shares on which the company has a lien.
<input type="checkbox"/>	<input type="checkbox"/>	21	The Board may decline to recognise any instrument of transfer unless- (a) the instrument of transfer is in the form as prescribed in rules made under sub-section (1) of section 56; (b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and (c) the instrument of transfer is in respect of only one class of shares.
<input type="checkbox"/>	<input type="checkbox"/>	22	On giving not less than seven days' previous notice in accordance with section 91 and rules made thereunder, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine: Provided that such registration shall not be suspended for more than thirty days at any one time or for more than forty-five days in the aggregate in any year.
			Transmission of shares
<input type="checkbox"/>	<input type="checkbox"/>	23	(i) On the death of a member, the survivor or survivors where the member was a joint holder, and his nominee or nominees or legal representatives where he was a sole holder, shall be the only persons recognised by the company as having any title to his interest in the shares (ii) Nothing in clause (i) shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.
<input type="checkbox"/>	<input type="checkbox"/>	24	(i) Any person becoming entitled to a share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either- (a) to be registered himself as holder of the share; or (b) to make such transfer of the share as the deceased or insolvent member could have made. (ii) The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent member had transferred the share before his death or insolvency.
<input type="checkbox"/>	<input type="checkbox"/>	25	(i) If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the company a notice in writing signed by him stating that he so elects. (ii) If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share. (iii) All the limitations, restrictions and provisions of these regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member.
<input type="checkbox"/>	<input type="checkbox"/>	26	A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the company: Provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have been complied with.

			(b) any capital redemption reserve account; or (c) any share premium account.
			Capitalisation of profits
<input type="checkbox"/>	<input type="checkbox"/>	38	(i) The company in general meeting may, upon the recommendation of the Board, resolve- (a) that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the company's reserve accounts, or to the credit of the, profit and loss account, or otherwise available for distribution; and (b) that such sum be accordingly set free for distribution in the manner specified in clause (ii) amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportions. (ii) The sum aforesaid shall not be paid in cash but shall be applied, subject to the provision contained in clause (iii), either in or towards- (A) paying up any amounts for the time being unpaid on any shares held by such members respectively; (B) paying up in full, unissued shares of the company to be allotted and distributed, credited as fully paid-up, to and amongst such members in the proportions aforesaid; (C) partly in the way specified in sub-clause (A) and partly in that specified in sub-clause (B); (D) A securities premium account and a capital redemption reserve account may, for the purposes of this regulation, be applied in the paying up of unissued shares to be issued to members of the company as fully paid bonus shares; (E) The Board shall give effect to the resolution passed by the company in pursuance of this regulation.
<input type="checkbox"/>	<input type="checkbox"/>	39	(i) Whenever such a resolution as aforesaid shall have been passed, the Board shall- (a) make all appropriations and applications of the undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid shares if any; and (b) generally do all acts and things required to give effect thereto. (ii) The Board shall have power- (a) to make such provisions, by the issue of fractional certificates or by payment in cash or otherwise as it thinks fit, for the case of shares becoming distributable in fractions; and (b) to authorise any person to enter, on behalf of all the members entitled thereto, into an agreement with the company providing for the allotment to them respectively, credited as fully paid-up, of any further shares to which they may be entitled upon such capitalisation, or as the case may require, for the payment by the company on their behalf, by the application thereto of their respective proportions of profits resolved to be capitalised, of the amount or any part of the amounts remaining unpaid on their existing shares; (iii) Any agreement made under such authority shall be effective and binding on such members.
			Buy-back of shares
<input type="checkbox"/>	<input type="checkbox"/>	40	Notwithstanding anything contained in these articles but subject to the provisions of sections 68 to 70 and any other applicable provision of the Act or any other law for the time being in force, the company may purchase its own shares or other specified securities.
			General meetings
<input type="checkbox"/>	<input type="checkbox"/>	41	All general meetings other than annual general meeting shall be called extraordinary general meeting.
<input type="checkbox"/>	<input type="checkbox"/>	42	(i) The Board may, whenever it thinks fit, call an extraordinary general meeting. <input type="checkbox"/>	<input type="checkbox"/>	15	The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
<input type="checkbox"/>	<input type="checkbox"/>	16	(i) If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest thereon from the day appointed for payment thereof to the time of actual payment at ten per cent per annum or at such lower rate, if any, as the Board may determine. (ii) The Board shall be at liberty to waive payment of any such interest wholly or in part.
<input type="checkbox"/>	<input type="checkbox"/>	17	(i) Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these regulations, be deemed to be a call duly made and payable on the date on which by the terms of issue such sum becomes payable. (ii) In case of non-payment of such sum, all the relevant provisions of these regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
<input type="checkbox"/>	<input type="checkbox"/>	18	The Board- (a) may, if it thinks fit, receive from any member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him; and (b) upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate not exceeding, unless the company in general meeting shall otherwise direct, twelve per cent per annum, as may be agreed upon between the Board and the member paying the sum in advance.
			Transfer of shares
<input type="checkbox"/>	<input type="checkbox"/>	19	(i) The instrument of transfer of any share in the company shall be executed by or on behalf of both the transferor and transferee. (ii) The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.
<input type="checkbox"/>	<input type="checkbox"/>	20	The Board may, subject to the right of appeal conferred by section 58 decline to register- (a) the transfer of a share, not being a fully paid share, to a person of whom they do not approve; or (b) any transfer of shares on which the company has a lien.
<input type="checkbox"/>	<input type="checkbox"/>	21	The Board may decline to recognise any instrument of transfer unless- (a) the instrument of transfer is in the form as prescribed in rules made under sub-section (1) of section 56; (b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and (c) the instrument of transfer is in respect of only one class of shares.
<input type="checkbox"/>	<input type="checkbox"/>	22	On giving not less than seven days' previous notice in accordance with section 91 and rules made thereunder, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine: Provided that such registration shall not be suspended for more than thirty days at any one time or for more than forty-five days in the aggregate in any year.

<input type="checkbox"/>	<input type="checkbox"/>	74	Subject to the provisions of the Act,- (i) A chief executive officer, manager, company secretary or chief financial officer may be appointed by the Board for such term, at such remuneration and upon such conditions as it may think fit; and any chief executive officer, manager, company secretary or chief financial officer so appointed may be removed by means of a resolution of the Board; (ii) A director may be appointed as chief executive officer, manager, company secretary or chief financial officer
<input type="checkbox"/>	<input type="checkbox"/>	75	A provision of the Act or these regulations requiring or authorising a thing to be done by or to a director and chief executive officer, manager, company secretary or chief financial officer shall not be satisfied by its being done by or to the same person acting both as director and as, or in place of, chief executive officer, manager, company secretary or chief financial officer.
			The Seal
<input type="checkbox"/>	<input type="checkbox"/>	76	i) The Board shall provide for the safe custody of the seal. (ii) The seal of the company shall not be affixed to any instrument except by the authority of a resolution of the Board or of a committee of the Board authorised by it in that behalf, and except in the presence of at least two directors and of the secretary or such other person as the Board may appoint for the purpose; and those two directors and the secretary or other person aforesaid shall sign every instrument to which the seal of the company is so affixed in their presence.
			Dividends and Reserve
<input type="checkbox"/>	<input type="checkbox"/>	77	The company in general meeting may declare dividends, but no dividend shall exceed the amount recommended by the Board.
<input type="checkbox"/>	<input type="checkbox"/>	78	Subject to the provisions of section 123, the Board may from time to time pay to the members such interim dividends as appear to it to be justified by the profits of the company.
<input type="checkbox"/>	<input type="checkbox"/>	79	(i) The Board may, before recommending any dividend, set aside out of the profits of the company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the company may be properly applied, including provision for meeting contingencies or for equalizing dividends; and pending such application, may, at the like discretion, either be employed in the business of the company or be invested in such investments (other than shares of the company) as the Board may, from time to time, think fit. (ii) The Board may also carry forward any profits which it may consider necessary not to divide, without setting them aside as a reserve.
<input type="checkbox"/>	<input type="checkbox"/>	80	(i) Subject to the rights of persons, if any, entitled to shares with special rights as to dividends, all dividends shall be declared and paid according to the amounts paid or credited as paid on the shares in respect whereof the dividend is paid, but if and so long as nothing is paid upon any of the shares in the company, dividends may be declared and paid according to the amounts of the shares. (ii) No amount paid or credited as paid on a share in advance of calls shall be treated for the purposes of this regulation as paid on the share. (iii) All dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share is issued on terms providing that it shall rank for dividend as from a particular date such share shall rank for dividend accordingly.
<input type="checkbox"/>	<input type="checkbox"/>	81	The Board may deduct from any dividend payable to any member all sums of money, if any, presently payable by him to the company on account of calls or otherwise in relation to the shares of the company.
<input type="checkbox"/>	<input type="checkbox"/>	82	(i) Any dividend, interest or other monies payable in cash in respect of shares may be paid by cheque or warrant sent through the post directed to the registered address of the holder or, in the case of joint holders, to the registered address of that one of the joint holders who is first named on the register of members, or to such person and to such address as the holder or joint holders may in writing direct. (ii) Every such cheque or warrant shall be made payable to the order of the person to whom it is sent.
<input type="checkbox"/>	<input type="checkbox"/>	83	Any one of two or more joint holders of a share may give effective receipts for any dividends, bonuses or other monies payable in respect of such share.
<input type="checkbox"/>	<input type="checkbox"/>	84	Notice of any dividend that may have been declared shall be given to the persons entitled to share therein in the manner mentioned in the Act.

<input type="checkbox"/>	<input type="checkbox"/>	85	No dividend shall bear interest against the company.
			Accounts
<input type="checkbox"/>	<input type="checkbox"/>	86	(i) The Board shall from time to time determine whether and to what extent and at what times and places and under what conditions or regulations, the accounts and books of the company, or any of them, shall be open to the inspection of members not being directors. (ii) No member (not being a director) shall have any right of inspecting any account or book or document of the company except as conferred by law or authorised by the Board or by the company in general meeting.
			Winding up
<input type="checkbox"/>	<input type="checkbox"/>	87	Subject to the provisions of Chapter XX of the Act and rules made thereunder- (i) If the company shall be wound up, the liquidator may, with the sanction of a special resolution of the company and any other sanction required by the Act, divide amongst the members, in specie or kind, the whole or any part of the assets of the company, whether they shall consist of property of the same kind or not. (ii) For the purpose aforesaid, the liquidator may set such value as he deems fair upon any property to be divided as aforesaid and may determine how such division shall be carried out as between the members or different classes of members. (iii) The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories if he considers necessary, but so that no member shall be compelled to accept any shares or other securities whereon there is any liability.
			Indemnity
<input type="checkbox"/>	<input type="checkbox"/>	88	Every officer of the company shall be indemnified out of the assets of the company against any liability incurred by him in defending any proceedings, whether civil or criminal, in which judgment is given in his favour or in which he is acquitted or in which relief is granted to him by the court or the Tribunal.

59	(i) The remuneration of the directors shall, in so far as it consists of a monthly payment, be deemed to accrue from day-to-day. (ii) In addition to the remuneration payable to them in pursuance of the Act, the directors may be paid all travelling, hotel and other expenses properly incurred by them- (a) in attending and returning from meetings of the Board of Directors or any committee thereof or general meetings of the company; or (b) in connection with the business of the company. The Board may pay the expenses incurred in getting the company registered in the company.	<input type="checkbox"/>	<input type="checkbox"/>	
60	The company may exercise the powers conferred on it by section 88 with regard to the keeping of a foreign register; and the Board may (subject to the provisions of that section) make and vary such regulations as it may think fit respecting the keeping of any such register. All cheques, promissory notes, drafts, hundis, bills of exchange and other negotiable instruments, and all receipts for monies paid to the company, shall be signed, drawn, accepted, endorsed, or otherwise executed, as the case may be, by such person and in such manner as the Board shall from time to time by resolution determine. Every director present at any meeting of the Board or of a committee thereof shall sign his name in a book to be kept for that purpose.	<input type="checkbox"/>	<input type="checkbox"/>	
61	(i) Subject to the provisions of section 149, the Board shall have power at any time, and from time to time, to appoint a person as an additional director, provided the number of the directors and additional directors together shall not at any time exceed the maximum strength fixed for the Board by the articles. (ii) Such person shall hold office only up to the date of the next annual general meeting of the company but shall be eligible for appointment by the company as a director at that meeting subject to the provisions of the Act.	<input type="checkbox"/>	<input type="checkbox"/>	
62	(i) The Board of Directors may meet for the conduct of business, adjourn and otherwise regulate its meetings, as it thinks fit. (ii) A director may, and the manager or secretary on the requisition of a director shall, at any time, summon a meeting of the Board. (i) Save as otherwise expressly provided in the Act, questions arising at any meeting of the Board shall be decided by a majority of votes. (ii) In case of an equality of votes, the Chairperson of the Board, if any, shall have a second or casting vote.	<input type="checkbox"/>	<input type="checkbox"/>	
63	The continuing directors may act notwithstanding any vacancy in the Board; but, if and so long as their number is reduced below the quorum fixed by the Act for a meeting of the Board, the continuing directors or director may act for the purpose of increasing the number of directors to that fixed for the quorum, or of summoning a general meeting of the company, but for no other purpose. (i) The Board may elect a Chairperson of its meetings and determine the period for which he is to hold office. (ii) If no such Chairperson is elected, or if at any meeting the Chairperson is not present within five minutes after the time appointed for holding the meeting, the directors present may choose one of their number to be Chairperson of the meeting. (i) The Board may, subject to the provisions of the Act, delegate any of its powers to committees consisting of such member or members of its body as it thinks fit. (ii) Any committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on it by the Board.	<input type="checkbox"/>	<input type="checkbox"/>	
64	(i) A committee may elect a Chairperson of its meetings. (ii) If no such Chairperson is elected, or if at any meeting the Chairperson is not present within five minutes after the time appointed for holding the meeting, the members present may choose one of their members to be Chairperson of the meeting. (i) A committee may meet and adjourn as it thinks fit. (ii) Questions arising at any meeting of a committee shall be determined by a majority of votes of the members present, and in case of an equality of votes, the Chairperson shall have a second or casting vote.	<input type="checkbox"/>	<input type="checkbox"/>	
65	All acts done in any meeting of the Board or of a committee thereof or by any person acting as a director, shall, notwithstanding that it may be afterwards discovered that there was some defect in the appointment of any one or more of such directors or of any person acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such director or such person had been duly appointed and was qualified to be a director.	<input type="checkbox"/>	<input type="checkbox"/>

APPLICANT DECLARATION

1. I/We affirm and declare that I/We have read over and understood the rules and regulations of the State Bank of India ("Bank") and those relating to various services offered by the Bank including but not limiting to debit card/internet banking/SMS banking/Tele-banking/Mobile Banking/Virtual Banking and any other facilities. I/We agree to abide by the same as amended/modified from time to time by the Bank/Regulator/Government published through circulars, notifications, notice board/websites/newspaper publications, etc. I/We waive the rights, if any, to have personal notice in respect of such amendments/ modifications. I/We agree that the transactions and requests executed in my/our account(s) by me/authorized person through internet, mobile, tele- banking or virtual banking under my/our User ID and password/PIN/OTP will be legally binding on me/us & I/We am/are responsible for the maintenance of secrecy and confidentiality of the authentication credentials and any other information/details/OTP/PIN, etc., in such matters. I/We agree that Bank has got all the rights to debit my/our account for any service charge, expenses or other dues which the Bank is entitled/ liable to recover from me. I/We also authorise the Bank and agree to close/discontinue my account without any notice to me in case of any violation of laws/rules/regulations or terms and conditions of maintaining the account. I/We hereby undertake to inform the Bank on any change in my communication address or constitution, and I/We shall submit the address proof in case of transfer of my account from one branch to another branch.
2. In respect of accounts opened on the basis of Aadhaar details, I hereby declare that I have submitted the Aadhaar Card issued by UIDAI for identification and / or address proof towards the compliance of KYC norms under the PMLA , 2002 and I hereby agree that the Bank may verify the same with UIDAI and authorise the UIDAI expressly to release the identity and address through biometric authentication to the Bank.
3. I/We confirm and declare that I/We am/are not prevented/prohibited/restricted by any applicable legal/regulatory/contractual or other provisions from opening and/or maintaining the accounts or to transact with the Bank in any other way.
4. I/We agree that my/our personal KYC details may be shared with Central KYC registry or any other competent authority. I/We hereby consent to receive information from the Bank/Central KYC Registry/GoI/RBI or any other authority through SMS/e-mail on my registered mobile number/ e-mail address. I/We also agree that the non-receipt of any such SMS/e-mail shall not make the Bank liable for any loss or damage whatsoever in nature.
5. I/We hereby certify that I/We have declared my status as per the rules applicable under section 285BA of the Income Tax Act, 1961 as notified by Central Board of Direct Taxes (CBDT) vide Notification No. S.O. 2155(E) dated 7 August 2015 and RBI Circular Ref No. DBR.AML.BC.No.36/ 14.01.001/2015-16 dated 28 August 2015 in the matter including any subsequent modification/amendment thereof.
6. I/We understand, acknowledge and authorize that as per the provisions of Income Tax Act, Rules made thereunder and the guidelines issued by the Government/RBI in the matter, depending upon the residential status and/or other criteria stipulated therein, the Bank may have to report the details in respect of my/our account(s) as per the prescribed format to the Central Board of Direct Taxes (CBDT) or other Government Agencies to comply with the obligations as per the Inter- Governmental Agreements (IGA) in respect of Foreign Accounts Tax Compliance Act (FATCA) and Common Reporting Standards (CRS) and / or any other similar arrangements.
7. I/We certify & declare that the information provided by me/us for opening account and availing other services herein or through website/electronically as applicable to me/us and signed/authenticated by me/us as well as in the documentary evidence provided by me/us for opening account and availing other services are, to the best of my/our knowledge and belief, true, correct and complete and that I/We have not withheld any material information that may affect the assessment/categorization of my/our account as Reportable Account or Other Reportable Account or otherwise. In case any of the information or details provided by me/us is found to be false or untrue or misleading or misrepresenting, I/We am/are aware that I/We may be held liable for it.
8. I/We undertake the responsibility to declare and disclose immediately and in no case beyond 30 days from the date of change, any changes that may take place in the information provided herein/or otherwise, as well as in the documentary evidence provided by me or if any certification becomes incorrect or undergoes a change. I further undertake to provide fresh and valid self-certification along with documentary evidence as and when so required; nevertheless all declaration and undertaking given herein will also be applicable to all such modified/amended documents/information provided by me unless revised self-certification as above is provided to the Bank.
9. I/We also agree that my failure to disclose any material fact/information known to me/us now or in future or my failure to remedy any deficiency in documents/information/other details within the stipulated period, may invalidate me from transacting in the account and the Bank would be within its right to put restrictions in the operations of my account or to close it or to report to any regulator and/or any authority designated by the Government of India (GoI)/RBI for the said purpose or take any other action as may be deemed appropriate by the Bank under the guidelines issued by CBDT/RBI/GoI from time to time.
10. I/We also agree to furnish and intimate to the Bank any other particulars that are called upon me/us to provide on account of any change in law either in India or abroad in relating to the operation or maintenance of the account.
11. I/We shall indemnify the Bank from any loss/damage that may be caused to the Bank on account of any defect/mistake in the details provided herein or on account of providing incorrect or incomplete information by me/us.
12. I/We undertake to submit data/information together with fresh KYC documents for updation of KYC details at periodical intervals as may be required by the Bank.
13. I/We understand that the account will be activated and debits will be allowed only after completion of Customer Due Diligence relating to KYC by the Bank.
14. I/We have been advised of Monthly average/minimum balance requirement for the account to be opened and given to understand that these requirements are subject to revision/change and such revision/changes will be uploaded in the Bank's site which will be acceptable to me as a notice to that effect.
15. I/We also agree that our failure to disclose any material facts known to us , now or in future , may invalidate us from transacting in the Account and State Bank of India would be within its right to put restrictions in the operations of our account or close it or report to any regulator and / or any other appropriate authority or to take any other action as may be deemed appropriate by State Bank of India, if the deficiency is not remedied by us within the stipulated period.
16. In Case any of the information herein is found to be false/untrue/misleading/misrepresenting, I/we are aware that I/we may be held liable for the same.
17. I/We Undertake to submit Aadhaar and / or PAN within 6 months from the date of opening of account , failing to which I understand my account will cease to be operational as per GOI guidelines, amending Prevention of Money laundering (Maintenance of Records) Rules 2005.(In case the account is opened without Aadhaar / PAN) In case, deemed OVDs are submitted for current address at the time of Account opening, I undertake to submit Aadhaar or any of the OVD having Current Address within 3 months from the date of account opening , failing to which I understand that my account may cease to be operational as per GOI guidelines at the material time.

Dear Sir,

Greetings from T-Tribe!!!

We now officially welcome Geethanjali College of Engineering & Technology to be a part of the T-Tribe LaunchPad program, we are glad that Geethanjali College is one of our college partners here onwards.

As you are aware, **T-Tribe - Academic Membership Program** - is the latest and proud initiative of T-Hub launched with a vision to empower students across the country with entrepreneurship.

How do we plan to achieve this?

We have various expertly curated programs to help aspiring entrepreneurs in every stage of their entrepreneurial journey. One of them is our one-year **Launchpad Program!** By associating with the leading colleges in the country, T-Tribe aims to deliver entrepreneurial content to the students and help them consider entrepreneurship as a career. The Launchpad Program is a perfect amalgamation of theoretical and practical learning that not only enlightens students on the scope of entrepreneurship but also gives them a direction to achieve success in the field.

Why should you choose the Launchpad Program for your students?

Thank you for coming down to GCET for interacting with our team and explaining about the different academic programs that T-HuB is offering.

As discussed, GCET would like to get associated by signing up for the LaunchPad program initially and followed by a probable registration for Kickstart program at a later stage.

Please let us know further procedures.

Thanking You

Dear Mr. Praneeth,

Greetings from T-Tribe!

It was great talking to you today. As discussed, here I would like to share the LaunchPad program proposal for your kind perusal.

T-Tribe - Academic Membership Program - is the latest and proud initiative of T-Hub launched with a vision to empower students across the country with entrepreneurship.

How do we plan to achieve this?

We have various expertly curated programs to help aspiring entrepreneurs in every stage of their entrepreneurial journey. Why should you choose the Launchpad Program for your students?

The future is looking at more job creators than job seekers. We want the next generation of the country to be able to become successful entrepreneurs by implementing their revolutionary ideas. And their success journey starts with the Launchpad Program.

The following are the key outcomes of the program:

Dear All

Please find attached the Video recording of the orientation session by THuB that was held on 8th Sept 2021.

HyperLink to the psychotemtric test (FOR STUDENTS ONLY) will also be shared with you separately, which will be active only for 24 Hrs. Please remember that only 50 students will be shortlisted **By THuB's team. The test is being conducted by THuB's team and will be evaluated by them alone.**

Dear faculty,

Due to exams in some departments, although some of the students registered for the events, they were unable to attend the live orientation session last week, hence it is requested to send this video link. Please pass this information to students.

This email is also forwarded to the registered candidates (rollnumber@gcet.edu.in. About 365 students registered for this orientation session). Although students who did not register but want to attend, can still listen to the recording and take the test.

Please instruct the students in your respective departments to

- login into email,
- watch the video
- and take the psychometric test

Thank You
Team-Incubation Center.

This year's challenge as the scores suggest, was very tight. With so many teams delivering top quality reports, we had a tough time studying the nuances of each design and accurately appropriate scores to the teams.

Kudos to all the participants who turned in their reports!

Mentors empanelled by the incubation center to help student innovators/entrepreneurs.

The incubation center is working under the guidelines of Institution Innovation Council (IIC), Ministry of Education and JHuB, Jawaharlal Nehru Technological University Hyderabad (JNTUH).

It has adopted the National innovation and Start up policy (NISP) for encouraging and nourishing the innovation quotient and entrepreneurial abilities of the students coming with innovative ideas and also to improve the employability levels of the other interested students. The incubation center invites ideas not only from students, faculty but also from any individuals of any nationality! Appropriate ideas, after short listing, will be seed funded by GCET and hand-held for securing funding opportunities and progress to the next level.

An expert committee to guide and mentor the incubatees is constituted with a mix of eminent personalities coming from different backgrounds viz., serial entrepreneurs, venture capitalists, industrialists, alumni at important positions and enthusiastic faculty.

Hope you are doing well!

As the incharge of the Incubation (actually a preincubation) center at Geethanjali College of Engineering and Technology, I definitely had observed the indelible impression that your words had left on our students in the early last year. Some of our students had come up with ideas that won accolades at even national level podiums in this short span.

Graduating to the next step, we at Geethanjali, would like to formulate a policy on 'Innovation and startups'. I would consider my students to be very fortunate and blessed if you could kindly consider being in the committee for framing the policy.

Thanking you

Anil

Thank you for coming to speak to our students!

Your word on 'important person' in one's life or in a society - "Person who has identified a problem and has given a solution is the most important person" has truly inspired our students! This was evident even after working for 36 hours! They were all with excitement and enthusiasm that you had filled in, in your introductory speech - your words at the start, were like an elixir or a potion that made them sit for the 36 hours!

Thank You again!

Lolla Garu:

Thank you for taking my call this morning and thank you also for agreeing to be a part of the committee at the Incubation center at GCET.

As discussed, Geethanjali would like to first frame a policy on 'Innovation and Startups' so that the projects that our students are working on...which are winning accolades at state and national level, can be turned to commercial scale and ultimately be useful for the society at large.

Thanks again!

and the recommendations thereafter.

- We were introduced to the principal Dr. VA Narayana (Retired Army Major) and our visit was intimidated the Chairman Mr. Gopal Reddy
- Incubation center is headed by Dr. Merugu Suresh who is also Dean R&D; he obtained his Ph.D from Roorkee in 2016 (ECE) on sponsorship from CMRCET.
- CMRCET is a member of the Indo Universal Collaboration for Engineering Education (IUCEE) consortium universities.
- About 30 faculty members from different disciplines were chosen (although some of them were relucta initially) and attended a workshop on Design thinking for 15 days at KLE Tech Hubli in 2016. **CMRCET has taken, KLE Tech's curriculum as a model for innovation and incorporated the same.**
- All the above thirty are assigned to 'center of innovation and creativity' in a dedicated manner, which is itself existing as separate department, offering the following courses.
 1. First year I semester has a two credit course called as '**Social Innovation in Practice**', where student of different disciplines with at least one (but generally two) girl(s) student form teams of four to six students and visit communities one faculty for every 15 students. They will have to prepare a 'poster' in a predefined format with the following headings and presented by the students, which evaluated (in prakalp pradarshan) by a committee from consortium of colleges.
 - Existing systems
 - User requirement
 - Issues in the existing system
 - Technology 'Gaps identified'
 - Methodology proposed to solve a problem
 2. I Year II semester has another two credit course called as '**Engineering exploration**', where the same team shall continue working to build a physical working model of their proposed solution after visiting nearby villages/community and interact to define a problem statement.
 3. **Project based learning (PBL)** course is offered in II Year I semester.
 4. They offer Skill based training to unemployed youth of the nearby villages
- They continue doing this. 'Value addition' by faculty from other departments is done after the above stage where faculty send research proposals to funding organizations that are appropriate to the projects already done, producing even research papers.
 - A 3Cr. Projects sponsored by DST resulted from this process supporting innovations to help the nearby villages by way of fabricating, distributing machines to separate ground nuts from it's crop.
- They have collaboration/MoUs with

Minutes of the 7th Meeting of Project Monitoring & Advisory Committee (PMAC) for Implementation of Scheme "Entrepreneurial and Managerial Development of MSMEs through Incubators" Under CLCS-TUS.

In Chair : Additional Secretary & Development Commissioner (MSME)
 Date : 25.03.2020
 Venue : Nirman Bhawan, New Delhi (through Video Conferencing)

List of participants is annexed at **Annexure -I**

Sh. Ateesh Kumar Singh, Joint Secretary (AFI), M/o MSME and Vice Chairman of the Committee welcomed AS& DC (MSME) who is the Chairman and other members of the committee. Then, he briefed about the scheme and the details of the applications received in My MSME portal from the institutions for approval as Host Institutes under the scheme so that they are eligible to upload the ideas whenever the portal is opened for the same in future. 195 no. of applications received from institutions which were taken up for consideration and approval.

Thereafter, Sh. Vinamra Mishra, Director (T&P) and Member Secretary explained point wise agenda items for the discussion during the meeting.

Sh D. K Singh, AS&DC (MSME)/Chairman, expressed in his initial remarks that during next financial year Regional Committees headed by IITs / IIMs may be formed at the regional level to scrutinize the ideas received from the Host institutes and submit the shortlisted ideas to the PMAC for final approval. It would help in faster short listing of the ideas.

Agenda Item No. 1

Committee approved in principle 147 Institutes as Host Institutes subject to condition that all the requisite documents under the scheme need to be completed by them. These institutes were duly recommended/forwarded by the Implementing Agencies (MSME DI / MSME TC) after due diligence. Every HI is supposed to have its independent status. The funds under the scheme shall be released only in the name of the Host Institute and **not to trust or group of institutions**. All requisite tax documents and audit reports need to be submitted by them as and when requested by this office.

Agenda Item No. 2

Tripura University has requested for change in name of student in a project which is already approved in the 6th PMAC. The committee approved change of name to Ms. Mandakini Gogoi instead of Sh. Ajay Modak for the idea no. 1947 as requested.

The committee also approved for dropping the Idea No. 1347 as requested by the Tripura University which was approved in the 6th PMAC as the incubate is not able to arrange the incubatee share.

The meeting ended with vote of thanks to chair.

Anil garu,
I have been giving regular reminders on this requirement to you over the phone. I reiterate the requirement of statutory compliance and request you to provide the copy of bank accounts containing share capital deposit details immediately to complete the filing with ROC for all the startup companies incorporated.

Thanks and Regards

 - 2. RETRO-E VEHICLES PRIVATE LIMITED - U29190TG2021PTC149993 - 23/03/2021 - Rs.10,000/-
 - 3. AUTOMOTIVE WHEELS PRIVATE LIMITED - U31904TG2021PTC150207 - 31/03/2021 - Rs.10,000/-

As informed over phone, further one more form called INC-20A towards commencement of business needs to be filed within 180 days from the date of incorporation. The bank account for each company needs to be opened for this purpose and the share capital be deposited by the shareholders in the ratio given in the Memorandum of association. We had been giving reminders on this requesting to provide the copies of bank accounts evidencing deposit of share capital. This is mandatory attachment to the form INC-20A.

It is once again requested to kindly provide copies of bank accounts of the companies evidencing deposit of Rs. 10,000/- towards share capital by each shareholder in his/her own name from their bank account in each company.

Thanks & Regards
Roopali

Sir,

As per our telecon, we are going ahead with formation of private limited companies. Our professional charges would be Rs.20,000/- per company, The expenditure for digital signatures, stamping and fee payable to ROC would be billed separately on actuals, this would be approximately Rs.5000/- per company.

Mr. Anil just now communicated that three companies need to be incorporated. We request you to kindly provide Rs.30,000/- as advance towards these works. The advance can be paid to

Lakshyam consultancy services
SBI acct no: 37317790723
Yousufguda branch
Ifsc code: SBIN0011662

I request you to provide all the documents immediately. Initially the below mentioned details are needed and the detailed list will be shared very shortly.

1. proposed name of the company - Three - in the order of preference
2. Names of the proposed shareholders - Minimum two - it is desirable to maintain at two only at this point of time
3. Email id of the shareholders
4. Mobile number of the shareholders
5. Passport size photo of the shareholders
6. adhar card copy of the shareholders - front & back - must have complete date of birth and must be linked to mobile
7. PAN card copy of the shareholders

Sir,

We met Mr. Anil Puppala and had detailed discussion. The gist of the discussion is as follows:

Current Scenario

The Society currently has in house incubation centre through which the students are encouraged to take up projects. The promising and scalable projects are desired to be promoted further. Two such projects are identified and these need to be registered before 31st March also for listing under ARIAA scheme.

Guidance sought on new startup entities registration to be done under either of the following legal forms

1. MSME registered-Commercial Unit with GST no
2. Private Limited
3. Limited Liability Partnership (LLP)
4. One Person Company
5. Registered Partnership

Out of the above, the first one is sole proprietorship. Under this form only one Individual can be owner of the entity wherein the personal assets of the Individual will be exposed to all the risks as there will not be any differentiation made. Hence this form is not advisable

Second, third and fourth options are under the purview of Ministry of Corporate Affairs. All of these offer limited liability benefit. Amongst these, the second is advisable for the startup entity as multiple owners can be there as well as this is most preferred form by the investors either angel investors or Venture Capitalists. But these come with lot of compliances.

Fifth form is normal partnership firm which is governed by Registrar of Firms and not preferred by investors.

Proposed structure for arranging the funding for the startups:

The society being a non profitable entity itself, cannot fund the startups directly. It can rather float a non profitable organization, preferably a section 8 company to carry out these incubation activities. The objects and by-laws of the society need to be checked for this purpose.

The Section 8 company can then fund the startup and have a share in the ownership of the startup's. Once the startups have grown and get further funding, the section 8 company can go for exit route at proper price and the amounts earned can be further used for funding other startups

The desirable route and the stop gap arrangement to meet the deadline of 31st March for the proposed projects:

As stated above, the private limited company formation is only desirable as the students and faculties who are seriously working on the projects can be made owners. Besides the section 8 company can also hold a stake in it for supporting purposes and also to have control over them. As the section 8 company is not yet in existence, we can add this part later. This involves giving KYC documents, other papers to be arranged immediately to register them on the MCA portal as private limited company. We can definitely try to achieve this if proposed shareholders are identified, their KYC documents are provided to us by tom.

If the above is not feasible in such short span of time, as we are already on 18th March today, in order to meet the deadline of 31st, only for these two projects, we can apply only for GST registration (this would be option one in the above list) and then take MSME registration. PI bear in mind that GST registration also takes around ten days of time from the time all the documents are provided and uploaded as Government has recently increased the window for processing by the department.

Therefore, it is requested to convey your decision for further course of action by us.

Role by Lakshmi Nallamilli & Co, Chartered Accountants

We are a group of six Chartered Accountants supported by other professionals and staff engaged in providing financial services. Our main office is located at Ameerpet and branch office is at Karimnagar. We can provide all the advisory services right from structuring to regular registration services. We can also help all the startup's in maintaining regular compliance with MCA, IT and GST departments by filing various returns. Further the CA's among us, are also registered valuers and are engaged conducting valuations for arranging funding from angel investors for promising and upcoming startup's. We also can help in arranging bank funding if needed.

I am herewith attaching profile of our firm for your ready reference. Also request you to let us know which registration to be initiated so that we send the documents required list and take it forward immediately from thereon.
