Respected sir,

Sub: Flagship event IEEE Xtreme 14.0- 24 hours coding event to be conducted from 24th October 05:00 AM till 25th October 05: 00 AM, 2020- Reg.

I am writing this to bring to your notice that the IEEE SB, GCET is planning to conduct the flagship event, IEEE Xtreme 14.0 which commences at 05:00 AM on 24th October and ends at 05:00 AM on 25th October, 2020. This is a global challenge in which teams of IEEE Student members are advised and proctored by an IEEE member and often supported by an IEEE student branch to compete in a 24-hour time span against each other to solve a set of programming problems. Every year, the IEEE GCET Student Branch has been hosting this coding competition in our college. This year due to the present situation of pandemic, the student members are participating virtually from their respective residences as a team. Each team can consist of a maximum of 3 members. The list of students who have registered for this event are attached with this letter.

For this year, the below mentioned are the proctors from IEEE Geethanjali College of Engineering and Technology Student Branch.

1. Dr. G. Somasekhar, Associate Professor, CSE Department.
2. Vishwa Prakash Chary V, Alumni of GCET

The organizing team is also planning for a pre- event meet using Google Meet with the teams to instruct them about the necessary technical details be taken care of for participating in the event

The SB, GCET is thankful for the support and encouragement given by the principal and the management to conduct such events.

Thanking you,

Yours Sincerely,

S Jyothirmaye

Dear Branch Counsellor,

IEEE Xtreme 14.0 is back to engage the student community in programming!
Having participated in both IEEE Xtreme 12.0 & 13.0, and having worked as Ambassador for IEEE Xtreme 13.0, I would like to bring up the following action plan for supporting this year IEEE Xtreme 14.0 Ambassadors from our SBC(@Sahithya Kirani, @MEESA SUMITH, @saiprakashchary@ieee.org) :

1. Continuous training modules from SIG Programming
2. Continuous Practice session from IEEE CS GCET Coding Platform - Which we shall launch shortly
3. Continuous Webinars on Competitive Coding from Member Activities
4. Continuous training session, webinars especially for Girl Students from Women In Computing
5. Any other activities that fall under the technical domain of Computer Science & Applied Fields.

To support the IEEE Xtreme 14.0, the IEEE CS GCET SBC would like to take up the **lead in hosting the contest this year in our College** and the Chapter has come up with an action team consisting of Vice-Chair for Technical Activities, Vice-Chair for Member Activities, Women In Computing Coordinator of our Chapter. These efforts shall be coordinated by the WIC Coordinator.

Yours Faithfully,
Saiteja Goud K
