Number of students attended:
25 Offline + 7 Online
= 32 No. of faculty
attended: 13

Objective: Financial aspects and salutatory requirements, not only for a company but also for a startup company were not well understood. The objective of the session was to help students and faculty understand not only financial, but legal and ethical issues.

Outcome: From the questions that were raised after the end of the session, it is evident that the participation from faculty and students was evident and they seem to have understood the legal, ethical and financial aspects of a company
