Report

On

Environmental and Educational awareness Campaign at ZPHS Yadgarpally

The NSS Unit of GCET in association with the Environment Club conducted an environmental and educational awareness programme on 18th July 2016 to 22 July 2016. The programme was conducted in the primary and secondary school of yadagarpally village. A Total of 10 Students Volunteers and 3 faculty participated in the event.

This programme is useful to school students to understand the importance of trees in our daily life. The increase in pollution, dumping of wastes and over exploitation are major causes for natural disasters. The properties used for the promotion was made from recycled waste. The promotion ended by reminding us our responsibility to protect the environment and to create a world free of pollution.

In order to excel in studies a student must require a good healthy environment and student can concentrate on advance technology and easily can update. Nowadays computer knowledge is essential for school students to understand the basic concepts practically. In this programme we mainly concentrated on basic awareness on computer for students.

The following are main Objectives and outcomes of Computer awareness programme for students

Learning Objectives:

- Understanding the basic structure and functioning of input, output and storage devices such as monitor, keyboard, mouse, speaker, hard disk, CD drive, scanner and printer.
- Acquire intuitively the ideas of how computer works, acquire mouse skills such as move, click, double click and drag & drop.
- Operate computer systems in Windows environment and get familiar with basic MS Word.
