Cognizant

Dear Professor,

Thanks you for your support towards the Cognizant GenC Internship Program. We have received overwhelming nominations, which have been closed as of today. The candidates are now being onboarded across multiple slots between January and mid-March, 2021. We will intimate the candidates on the onboarding and activities planned. Kindly encourage the candidates to pursue the internship earnestly. All remaining candidates who have not nominated themselves yet, would be moved to the CSD program. Please reach out to us for any clarity required.

Regards,
