Dear Educational Partner,

Hope you are doing good and staying safe.

We are excited to announce that EPAM is hiring freshers (**2021 graduates – from PEP 2020 Program**) for Internship.

Our focus at this point of time is to hire ~100 PEP 2020 students, who got Diploma and Participation certification from EPAM and ONLY they are eligible for this hiring process.

We are constantly growing and in constant need for talented people like your students who have achieved "**Diploma and Participation**" certifications under **EPAM INDIA Pre-Education Program - 2020**.

We are targeting to **start** hiring process and complete interview process by **Dec 2020** end and onboard selected students as intern in **Jan 2021**.

Having said that, we would like to take survey from your college and analyze the student's availability in the month of Dec – 2020 for hiring and from Jan – 2021 for onboarding.

BCC IS INTENTIONAL :

Dear Educational Partners,

We are happy to inform you that the recruitment drive for PEP-2020 has been successfully completed and we are in the process of releasing offer letters as Intern cum Full-Time Employee (FTE). Due to uncertainty with exact semester dates we are working on alternate plans for on-boarding dates and training plan.

FYI – Considering the inputs given by you on semester exams, we are planning to onboard students in two batches. EPAM training will start for interns on 1st Feb 2021 (First Batch) and tentatively 1st May 2021 (for 2nd Batch). We will communicate the list of selected students soon along with date of joining as intern cum FTE, once we get some clarity on semester and mid-term exams.

THANKS AND REGARDS,
