Dear Academic Partner,

We would like to appreciate your support and active participation in the National Talent Hunt 2019-20. Based on your college's performance in the national talent hunt, we are pleased to include your institution for our Talentnext initiative 2020. Wipro TalentNext is a unique initiative framed towards strengthening our relationship with academia, aiming at an overall enhancement in corporate readiness of the students.

Over the last four years, the TalentNext initiative has been well received by our Academic Partners and has yielded good number of Wipro Certified Faculties and ready to deploy candidates.

While we start preparing for this year Talentnext engagement, we would like to invite your HODs to attend the pedagogy sessions to elevate the teaching standards to another level and to go deep with our faculty and student development. For the pedagogy training, incase the HOD has already attended the Mission10X program in the past may not nominate for this session.

TalentNext training for the faculty members would start in the month of March'20 where they would be called to Wipro Locations for two weeks in house training followed by a remote project and assessment, post which the faculty will be awarded Wipro Certified Faculty. The WCF would be given enough orientation on training students of 2021 grads on digital skills.

Sadiya will get in touch with you for the nominations, schedule, logistics and further information.

Dear Academic Partners,

Greetings from Wipro!

We are happy to invite you to be a part of our **TalentNext (as Misison10X) initiative**. TalentNext initiative is our pursuit for excellence in engineering education. We extend this service to engineering colleges in India, whereby we train and certify professors. This program started in 2016 and has now covered around 86 colleges and trained 250+ professors who are now Certified Faculty and they in turn have trained around 25000+ students making them industry ready.

We would like to extend this opportunity to your college. **TalentNext Workshop** is exclusively designed for professors, and is aimed at enabling them with the Project Based Learning designed by Wipro with focus on Java J2EE & Python.

Pre-requisites and eligibility criteria for a professor to be part of the TalentNext initiative:

The nominated professors should satisfy the below criteria to be eligible for the TalentNext initiative.

- The professors MUST have a minimum of 2 years' experience in teaching a programming language
- Experience in teaching Java, C++ or C# will be considered an added advantage

Please note the below points –

- 1) **Agenda:** The TalentNext Workshop is a 11-day event organized from **Mon 24th Feb to Fri 06th March (including the Saturday 29th Feb)**.

The workshop is activity-based and focuses on hands-on modules and technological know-how in the current context of Digital disruption.

Workshop timing on all days is from 8.30 am to 8.00 pm, however, on the last day i.e. on 06-March, the session will end at 5.30 pm.

- 2) **Accommodation:** You are requested to kindly arrange your accommodation in a hotel near Wipro's Electronic City office. The TalentNext sessions will start at 8.30 AM and will finish at 8.00 PM, so please ensure that you book a hotel near Wipro's Electronic City office so that it would be easy for you to travel between the hotel and Wipro office.

The address of Wipro office is –

Wipro Limited, Electronic City, Hosur Main Road, Bengaluru – 560100

- 5) **Hospitality:** During all the session days, Tea, Lunch, Snacks, and Dinner will be arranged by us within our Wipro Electronic City campus.
