TRADITIONAL DAY & TALENT DAY

Traditional Day was held on 12 Jan, 2018 as scheduled under the aegis of the Fine Arts and Cultural Club. The faculty, staff and students dressed in traditional attire. All competitions were held as scheduled.

The Talent show by first year students was mind blowing. The Cultural Show began at 1:10 pm and ended at 3:30 pm. Students showcased their talent through songs, ramp walk and dances. Dr Neeraja Rani (HOD S&H) & Dr Shiva Prasad (HOD ME) gave away prizes for Traditional Day and Talent Day winners. The entire campus became vibrant with festive mood. Rangolis and kites filled the campus bringing life to it. The Club extends thanks to the Management, Principal and HoD S&H for the support. It also extends thanks to all faculty for their contribution.

CHAIRMAN MESSAGE

Bhaswara
15.09.2017

Science and technology has evolved enormously adding new dimensions to our knowledge. Right from Stone Age to this modern era of automation, human race has witnessed it all. Today almost every single object that we come across is a thoughtful implementation of science and technology.

I welcome you all to **BHASWARA - 2k17**, the annual technical fest of Geethanjali college of Engineering and technology.

A technical fest determines the creative, competitive and analytical potential of students of various institutions. Thus such fests are the platforms that represent the student mass both qualitatively and quantitatively. Each year BHASWARA sets up the stage for budding minds to showcase their talents. This time BHASWARA has got the opportunity to host very renowned events like those in robotics, paper presentations, project presentations, coding and debugging and many more. I appreciate the efforts put by faculty, students, volunteers, participants and everyone associated with BHASWARA - 2k17 which have made it a grand success. The 2 days of technical extravaganza provides great learning opportunity to all students involved. In this context I would like to thank everyone who helped us in every possible way and put their invaluable efforts to make BHASWARA - 2K17 a great success.

Mr. G.R. Ravinder Reddy
Secretary
GCET

(Autonomous)
Cheerla (V), Kottur (R), Medchal Dist. (T.S.) - 501 301

Objectives of the Institute:

1. To ensure excellence in teaching, research and service to meet the needs of all our stake holders such as students, parents, employers, faculty, staff, community, and the citizens of India.
2. To equip students with sound technical knowledge and skill.
3. To offer educational programs with a plethora of innovative concepts, for creating a host of talented professionals.
4. To encourage an open student-oriented culture with an understanding of students, their needs, goals and aspirations.
5. To develop exceptional opportunities for study and research and a system of industry-institution interaction, through industry-liaison cells, for students to contribute to our Nation's economic growth.
6. To evolve a friendly face of education with emphasis laid on engineering, technology & research.
7. To develop Leadership characterized by openness, fairness and firmness.
8. To foster respect for all people and appreciation of diversity in our academic enterprise.
9. To promote civic responsibility expressed as public involvement, individual responsibility, personal integrity and commitment to service.
10. To ensure accountability and proper assessment at all levels in the institute.

THINK WITH THE BOX

- In the first part of the activity, you have to Ideate to create a product/service in healthcare, energy, education, waste management, transportation or any sector that you feel is the most crucial for the country currently.
- You have **15 minutes to come up with your idea.**
- If any of the team members already have a business idea that will be the best idea to get started with.
- In the **second part of the activity, you will Design the Box:**
 - i) On the front of the box:
 - The name of the product
 - A tagline that describes the product
 - Key features/functions (3-5 features only)
 - Benefits/ other relevant selling points
 - Details that connect the product to a real need/customer problem
 - How to use the product
 - Price
 - Place of manufacture
 - Product Life time (if applicable)
 - Customer segments and variations of usage (if applicable)
 - Any other relevant information that helps describe the value created for the customer
 - ii) On the back of the box:
 - How to use the product
 - Price
 - Place of manufacture
 - Product Life time (if applicable)
 - Customer segments and variations of usage (if applicable)
 - Any other relevant information that helps describe the value created for the customer
 - iii) On both sides of the box:
 - How to use the product
 - Price
 - Place of manufacture
 - Product Life time (if applicable)
 - Customer segments and variations of usage (if applicable)
 - Any other relevant information that helps describe the value created for the customer
- You may also describe the product using the same information format on the box you are using.
- Get as creative and innovative as you can to present your product/service. You have only **30 minutes to think and 'Design your Box'!**
- Once you are done designing your box, get ready to 'Present your Box'; your team will be given **2-3 minutes to pitch your product and box.**
- In the end, check out how your friends liked your box - count your votes!
