Department of Civil Engineering

Academic Year 2018-19

**GEETHANJALI COLLEGE OF ENGINEERING AND TECHNOLOGY**  
**UGC AUTONOMOUS**  
**FINE ARTS AND CULTURAL CLUB**  
**BATHUKAMMA AND DAANDIYA RAAS**  
**REPORT**

Bathukamma and Daandiya Raas was the next mega event organized by the club. The event reflected the true essence of the flowers-festival. Prizes were given away to the most enthusiastic participants. The event fostered Team Spirit as the departments competed with each other to win the events. More than 450 students and faculty participated in the event. held on 13.10.2018

TRADITIONAL DAY AND TALENT DAY  
REPORT**

The college tied up with Hindu Dharmam of TV5 to celebrate the Traditional Day and Talent Day on 05.01.2019. The festive and creative flavour was at its peak with earthen pots, sugarcane, rangoli, kites, mehendi and traditional attire. The Talent show organized by the first years was in no way less than the one organized by the seniors last year.

# 1. Overview of Bhaswara-2k19

Bhaswara – 2K19, 13<sup>th</sup> National Technical and Management Fest was organized combindly by the Departments of CE, EEE, ME, ECE, CSE and MBA on a grand scale in Geethanjali College of Engineering and Technology on 7<sup>th</sup> and 8<sup>th</sup> March 2019 in association with IEEE-SB, SAEINDIA, ISTE, IETE and CSI. This event is being organized every academic year since from the inception of GCET which creates a flat-form to explore the hidden technical, co-curricular and extra-curricular talents of the students of not only GCET but also the students community of various Engineering and Management Institutions. This event is well planned and executed by the management and the fraternity of GCET under the guidelines and directions given by the Principal and Patron Dr. S. Udaya Kumar and the Convener of Bhaswara-2K19 Prof. B. Hari Kumar, HoD-ECE

About 300 students from other Engineering and Management Institutions have participated in various events along with 1300 students of GCET. All the participants are given the Participation Certificates and the Appreciation Certificates are distributed to the Prize winners. On 7<sup>th</sup> March 2019, Department events were organized and on 8<sup>th</sup> March 2019 the common events namely Paper Presentation, Poster presentation and Project Expo were organized.

Bhaswara-2K19 was inaugurated by Smt. Veenu Jindal, Chief Partner, Client Services-Art-of-Living Organization by lighting the lamp along with the Convener Prof. B. Hari Kumar and the Principal Dr. S. Udaya Kumar. Later she released the Bhaswara-2k19 souvenir and distributed the souvenir copies to other dignitaries on the dais. In her inaugural speech she explained the need of participating in co and extracurricular events organized by the college. She not only motivated but also trained the student participants by giving them small techniques of Sudershan Kriya. She reiterated only a happy man can only do something to the society. She told that there is a great responsibility on every engineer in building the nation.

Principal Dr. S. Udaya Kumar in his speech said that, besides studies, students get to involve themselves in various activities that are immensely helpful in developing their personality and improving their leadership and technical skills as well. He told that the college management has made a successful effort in introducing some new events like “Amazing Ideas” and “Doing known things fast” etc.,

  
Principal  
Geethanjali College of Engineering and Technology  
(Autonomous)  
Cheeraj (V), Kaesara (M), Medchal Dist. (T.S.) - 501 301

He told without practical knowledge the students can't grow in the current scenario. He told that from next year onwards the college is seriously thinking to implement the Project based learning in all possible courses which will help the students to think laterally. He also told that at the end of the day it is a great opportunity for the student mass to take a break from regular course and at the same time get immense knowledge from various fields. He thanked all the faculty members and organizers whose efforts are really commendable and wished all those who are involved in BHASWARA - 2K19 for their invaluable help on future editions of it.

Prof. B. Hari Kumar in his speech welcomed all the participants from various Engineering and Management Institutions. He told this year they got tremendous response by way of making 1400 plus registrations in various technical and non technical events. He wished the participants a pleasant and happy stay for these two days. He thanked the Co-conveners Dr. C. V. Narasimhulu and Dr. B. L. Prakash for their untiring efforts in making the event a grand success. He also thanked the teaching and non teaching staff, student volunteers, Photography team, Management for giving free hand to organize, Sponsors of the event and last but not least to the managements of other colleges for allowing the students to the event.

Ms. Greeshma, Student of III ECE-A read the message sent by Sri. G.Ravinder Reddy, Hon'ble Secretary, Geethanjali College of Engineering & Technology, Hyderabad. A technical fest determines the creative, competitive and analytical potential of students of various institutions. Thus such fests are the platforms that represent the student mass both qualitatively and quantitatively. Each year BHASWARA sets up the stage for budding minds to showcase their talents. This time BHASWARA has got the opportunity to host very renowned events like those in robotics, paper presentations, project presentations, coding and debugging and many more. He appreciated the efforts put by faculty, students, volunteers, participants and everyone associated with BHASWARA - 2K19 which have made it a grand success. The 2 days of technical extravaganza provides great learning opportunity to all students involved. Finally he conveyed his thanks to everyone who helped the team in every possible way and put their invaluable efforts to make BHASWARA - 2K19 a great success.
