Assistant Professor

Geethanjali college of Pharmacy

Geethanjali College of pharmacy conducted workshop for II Pharm D students on "Introduction to clinirex and hands on Practice" from 19.08.20 to 20.08.20. The objective of training was to make students to utilize the database for case studies. Mrs.P.Madhuri started with introduction and explained in detail how clinirex database is useful in clinirex cases that were collected in hospital. She said about the uses of database case analysis, case presentation, editing and saving in entered database. She further showed the students on how to login Id and use the software. On the last day of program, she made the students to login with id provided and made them to enter the case studies and generate report. Around 25 students attended this informative program.

Duration of Training : **Two day**
Resource Person Details : **Mrs. T. ANOOSHA**
Assistant Professor
Geethanjali College of Pharmacy

Two day workshop was organized on "Uses and Application of Animal Simulator" for **III year B.Pharm** Students from 08.10.2020 to 09.10.2020 by Geethanjali College of Pharmacy. The main objective of the training was to prepare the students to use animal simulator perfectly for doing their pharmacological experiments. On the first day, Mrs.T.Anoosha explained the importance of animal simulator and how it was useful for knowing the mode of drug action in pharmacological Experiments. She used the projector as a mode of teaching. She provided the data required for logging into the software with all the students. Around 41 students attended the workshop. At the end of session feedback was taken from students. Students said that this workshop greatly expanded their understanding levels on how experiments can be done without harming animals by using software..

Assistant Professor
Geethanjali college of Pharmacy

Geethanjali College of pharmacy conducted workshop for II Pharm D students on "Introduction to clinirex and hands on Practice" from 15.11.19 to 16.11.19. The objective of training was to make students to utilize the database for case studies. Mrs.P.Madhuri started with introduction and explained in detail how clinirex database is useful in clinirex cases that were collected in hospital. She said about the uses of database case analysis, case presentation, editing and saving in entered database. She further showed the students on how to login Id and use the software. On the last day of program, she made the students to login with id provided and made them to enter the case studies and generate report. Around 20 students attended this informative program.

REPORT

Name of the Program : Uses and Application of Animal Simulator
Duration of Training : Two days
Resource Person Details : **Dr. Bharat Bhushan Mohapatra**
Professor
Geethanjali College of Pharmacy

A two day workshop was organized on "Uses and Application of Animal Simulator" for **III B.Pharm** Students from 17.08.2018 to 18.08.2018 by Geethanjali College of Pharmacy. The main objective of the training was to prepare the students to use animal simulator perfectly for doing their pharmacological experiments. **Dr. Bharat Bhushan Mohapatra** explained the importance of animal simulator and how it was useful for knowing the mode of drug action in pharmacological Experiments. He used the projector as a mode of teaching. He provided the data required for logging into the software with all the students. Around 46 students attended the workshop. At the end of session feedback was taken from students. Students said that this workshop greatly expanded their understanding levels on how experiments can be done without harming animals by using software.

Geethanjali college of Pharmacy

Geethanjali college of pharmacy conducted workshop for II Pharm D students on "Introduction to clinirex and hands on Practice" from 9.08.17 to 10.08.17. The objective of training was to make students to utilize the database for case studies. Mrs.P.Madhuri started with introduction and explained in detail how clinirex database is useful in clinirex cases that were collected in hospital. She said about the uses of database case analysis, case presentation, editing and saving in entered database. She further showed the students on how to login Id and use the software. On the last day of program, she made the students to login with id provided and made them to enter the case studies and generate report. Around 22 students attended this informative program.

Duration of Training : **Two day**
Resource Person Details : **Dr.R.Naga Kishore**
Associate Professor
Geethanjali College of Pharmacy

A two day workshop was organized on "Uses and Application of Animal Simulator" for **III B.Pharm Students** on **15.12.2017 to 16.12.2017** by Geethanjali College of Pharmacy. The main objective of the training was to prepare the students to use animal simulator perfectly for doing their pharmacological experiments. Dr.R.Naga Kishore explained the importance of animal simulator and how it was useful for knowing the mode of drug action in pharmacological Experiments. He used the projector as a mode of teaching. Around 40 students attended the workshop. At the end of session feedback was taken from students. Students said that this workshop greatly expanded their understanding levels on how experiments can be done without harming animals by using software.

REPORT

**Name of the Program : Introduction to clinirex software and hands on
Practice**

Duration of training : 9.02.17 to 10.02.17

Resource Person Details : Mrs.P.Madhuri

Email:madhu.penumadhula@gmail.com

Ph: 7995388116

Assistant Professor

Geethanjali college of Pharmacy

Geethanjali College of pharmacy conducted workshop for II Pharm D students on "Introduction to clinirex and hands on Practice" from 9.08.17 to 10.08.17. The objective of training was to make students to utilize the database for case studies. Mrs.P.Madhuri started with introduction and explained in detail how clinirex database is useful in clinirex cases that were collected in hospital. She said about the uses of database case analysis, case presentation, editing and saving in entered database. She further showed the students on how to login and use the software. On the last day of program, she made the students to login with id provided and made them to enter the case studies and generate report. Around 28 students attended this informative program.
