Geethanjali College of Pharmacy

.....Epicenter towards Perfection

Approved by PCI | Affiliated to JNTUH

Management

Mr. G. R. Ravinder Reddy

Chairman

Mr. G. R. Ravinder Reddy, an alumnus of NIT Warangal received his B.Tech in Civil Engineering and M.Tech in Civil Engineering with specialization in Geotechnical Engineering. He served in the A.P Police as a Superintendent of Police.

He worked successfully in several assignments in law and order, traffic and training wings in the A.P. police.

As a former senior police officer with a technical background, he visualized to set up an Institution of higher learning, where future engineers can be moulded for societal development. He uses his expertise, experience and exposure in crafting technocrats with enhanced employability. He is the driving force behind Geethanjali and steers the college towards heights of technical and human excellence. His profound knowledge and acumen have been helping in navigating the college through the challenging waters thereby enabling Geethanjali realize its vision.

Dr. Ravi Kumar Maddali

Principal

Dr. Ravi Kumar Maddali, M.Pharm., Ph.D., PDF (USA). Principal of Geethanjali College of Pharmacy, He received his B.Pharmacy in 1987 and his M.Pharmacy (Pharmaceutical Biotechnology) in 1990 from the Department of Pharmaceutical Sciences, Andhra University, Visakhapatnam, Andhra Pradesh. In 2005, he received his Ph.D. from JNTU Hyderabad. He obtained his PDF in 2008 from Eminent Services Corporation, Fredrick, Maryland, USA.

Dr. Ravi Kumar Maddali has a repertoire of experience working in various capacities in the Indian states of Tamil Nadu, Andhra Pradesh and Telangana, as well as Saudi Arabia, Libya, and other countries. He has a rich 33 years of teaching experience. He has 42 international and 50 national research publications in different Scopus and UGC approved journals and 1 patent entitled "Herbal Composition in Tea Bag for Treating Skin Illness". He authored well received text books with the titles "Pharmaceutical Microbiology: A Comprehensive Approach" and "Pharmaceutical Biotechnology" and also coauthored a book chapter in Recent Advances in Pharmaceutical Sciences with the title "Formulation and Evaluation of Aprimilast Gel Loaded Transdermal Delivery System". Under his supervision, 4 research scholars have been awarded PhDs, and he is currently supervising 6 research scholars for their doctoral degrees at various universities like JNTUH, Lovely Professional University, and SRM University, etc.

Courses Offered

S. No	Year of Estd.	Name of the Course	Duration	Intake
1	2007	B.Pharmacy	4 Years	100
2	2013	Pharm-D	6 Years	30
3	2013	Pharm-D (PB)	3 Years	10
4	2011	M.Pharmacy (Pharmaceutics)	2 Years	15
5	2012	M.Pharmacy (Ph Analysis)	2 Years	15
6	2015	M.Pharmacy (Ph Regulatory Affairs)	2 Years	15

Geethanjali is equipped and geared to take on the responsibility of providing exceptional quality technical education, stimulating creativity and innovation in an ambience committed to achieving academic excellence

Why Geethanjali

- Geethanjali College of Pharmacy (GCPK) has been established in the academic year 2007 by Teja Educational Society with the motto of providing quality pharmacy education to the students.
- All the programmes are affiliated to JNTUH, Hyderabad and approved by the Pharmacy Council of India (PCI) New Delhi.
- The pharmacy programme is accredited by the National Board of Accreditation (NBA).
- Accredited by NAAC, with 'A⁺' Grade.
- Ranked in the band of 101-150 by NIRF innovations for the year 2023
- GCPK received the recognition of DSIR as SIRO and is approved as HI/BI by MSME.
- The institute has ISO 9001:2015 certification.
- The college features a well-developed infrastructure, spacious classrooms, cutting-edge laboratories, laboratories equipped with sophisticated instrumentation, a well-stocked library with e-resources, a herbal garden, and a CPCSEA - approved animal house.
- Placement record with 80% eligible students placed in each year.
- The institute has been recognized as an Adverse Drug Reactions Monitoring Centre (AMC) under the Indian Pharmacopoeia Commission (IPC), National Coordination Centre (NCC)-PvPI (Pharmacovigilance Program of India).
- 11 Ph.D's among the faculty, who have proven expertise in their areas.

DEPARTMENTS

Department of Pharmaceutics

- Pharmaceutics-I Lab
- Pharmaceutics-II Lab
- Pharmaceutics-III Lab
- Machine Room
- Microbiology Lab
- Faculty strength of the department is 18 :
3 Professors, 2 Associate Professors and
13 Assistant Professors

Department of Pharmacology

- Anatomy and Physiology Lab
- Pharmacology Lab
- Animal House
- Faculty strength of the department is 7: 3 Professors,
1 Associate Professor and 3 Assistant Professors

Department of Pharmacognosy

- Pharmacognosy Lab-I
- Pharmacognosy Lab-II
- Herbal Garden
- Faculty strength of the department is 4 :
1 Professor, 1 Associate Professor and
2 Assistant Professors

Department of Pharmaceutical Chemistry

- Pharmaceutical Chemistry-I Lab
- Pharmaceutical Chemistry-II Lab
- Pharmaceutical Chemistry-III Lab
- Pharmaceutical Chemistry-IV Lab
- Pharmaceutical Analysis-I
- Pharmaceutical Analysis-II
- Central Instrumentation Lab
- Faculty strength of the department is 16: 4 Professors, 2 Associate
Professors and 10 Assistant Professors

Department of Pharmacy Practice

- Pharmacy Practice Lab
- Drug Information Centre
- Patient Counselling Room
- Internship (RVM Medical College and Hospital)
- Faculty strength of the department is 8: 1 Professors, 2 Associate
Professors and 5 Assistant Professors

Department of S & H

- English Language Lab
- Computer Lab

Geethanjali's Core Strength is well experienced and dynamic faculty committed to develop the professionalism in students. We have 52 Faculties with 11 Ph.D.'s in various departments. Our faculty has published 400 research papers in various International and National Journals. Majority of the faculties are pursuing their Ph.D. in different disciplines of Pharmaceutical Sciences.

Geethanjali College of Pharmacy has MOU's with various industries, academic institutions and research labs. In collaboration with these MOU's various activities such as research collaborations, placements, industrial training, industrial visit, institute-industry interaction, internship, Student and faculty exchange programs are being conducted which helps the students as well as faculty members to gain knowledge with the latest technologies and research trends in the field of pharmaceutical sciences.

MoU's

Library : Information & Knowledge Center

The Resource Centre of the college is the upgraded central Library with a rapidly increasing collection of text books, reference books, journals, periodicals and CD ROM/DVD discs as well as e-learning facility.

The Library has :

- No. of Volumes : 15193
- No. of Titles : 3743
- No. of Journals : 66 National and International.
- e-learning facility through CLINIREX, DeINet, N-List, Shodhsindhu.

Training and Placements

Helping and guiding the students in shaping their career as per their aspirations has become an integral part of higher education today. In order to exclusively take care of these aspects. The college has a Training and Placement unit which acts as the interface between the recruiting organizations and our students.

It facilitates recruitment events on-campus as well as off-campus as required. It also organizes various pre-placement grooming to enhance the employability skills of the targeted students and make them industry ready.

80% of our B. Pharmacy, Pharm-D, Pharm-D(PB) and M. Pharmacy Students are placed in Leading Companies in the academic Year 2021-22.

Major Recruiters

Hospital Internship for Pharm.D & Pharm.D (PB)

The college has an MOU with the RVM Institute of Medical Science and Research Center and Hospital located at Laxmakkapally. RVM Medical College and Hospital is an 1100bedded multi-specialty hospital with the latest technology that provides high-quality medical care. A team of highly qualified and experienced doctors, nurses, and professional counsellors is ready to help and guidance.

RVM Hospital

The various clinical services at RVM hospital are: Ward rounds participation and bedside teaching; Patient Counselling-IP/OP; Case collection; Clinical ADR monitoring; Deputation in OP Pharmacy; Drug Information Services; Lectures by doctors; Project Guidance and Other services.

Ward Round Participation In ICU

Clinical ADR Monitoring

Treatment Chart Review in ICU

Guest Lecture By Physician
