DEPLOYMENT OF STRATEGIC PLANNING

In the institution's strategic deployment perspective plan for 2019-2024, the institution has emerged to create a common platform for teachers, students, research scholars, academic experts, drug regulators, and industry to interact and share their knowledge, regulatory guidelines with participants and delegates, fostering an environment where participants and delegates can enrich their knowledge, be inspired to think in terms of research, and be encouraged to innovate.

Yearly, The institution hosts awareness programmes, faculty development programmes, "Dravyaka" scientific seminar, National Pharmacy Week, and Ideations by the institution's innovation cell and incubation centre.

It was an honor for the *Teja Educational society* associated with *Geethanjali College of Pharmacy* to organize a national level virtual and offline seminar/ Conferences consecutively from 2010 that provides an opportunity for various colleges students and faculty to project their scientific work and skills on the national level platform through Google meet, Youtube, Instagram and Facebook was found to be beneficial for the students and faculty members to share their research and knowledge and interact with different academicians, industry scientists and regulators across India and International.
